Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way **Know the Truth** Bruce Milne, 2012-11-28 This thoroughly revised and updated edition of Bruce Milne's excellent handbook expounds the great themes of God's Word and how they fit together Each chapter deals with one aspect of biblical truth and the main sections conclude with practical reflection **Preaching and Preachers** D. Martin Lloyd-Jones, 1972-03-03 In Preaching and Preachers the author states unapologetically his attitudes about his role in the church and explains his methodology all the while addressing various problems and questions that have been put to him **Exploring Romans** George R. Knight, 2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about

Christianity held by mid first century believers Some of these beliefs are embraced even now Paul s central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God s response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian s life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket *Captivated by the Love of Christ: Discovering the Depth of His Affection for Us* John Owen, Arthur W. Pink, Octavius Winslow, Benjamin Keach, Charles H. Spurgeon, Edward Payson, DAVID MARTYN LLOYD-JONES, John C. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today s culture Spirituality is essentially how one s beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one s faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one s religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul s foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today *They Never Told Me This in Church!* Greg S. Deuble, 2006 There is a consensus among many New Testament scholars that much of what the historical Jesus and his apostles taught has been submerged by an influx of post biblical tradition Subtle foreign influences mostly from pagan Greek philosophy which neither Jesus nor his first century followers would recognize or endorse have obscured the original Gospel as Jesus preached it Most churchgoers accept without question unbiblical traditions which they have never seriously investigated In *They Never Told Me This in Church* Greg Deuble invites the reader to a careful re examination of the faith once delivered in the light of the Hebrew heritage which formed the framework of all that Jesus taught in regard to himself and his Gospel mission From the

Foreword This does not mean at all that Greg has given up faith in holy Scripture Far from it There is nothing trendy or gimmicky in his approach Rather he has learned to read the Bible from its own Hebrew perspective and shedding a large quantity of traditional baggage has made the Bible all the more brilliant and telling Because he is an honest student of truth Greg has been rewarded with unusual insight He has a knack of getting to the heart of the issues He has brought in a wealth of modern scholarly support for his argument and the quotations gleaned from his wide reading are impressive He adds a pleasing dose of Aussie humour to his writing while he invites us to re examine all the major issues of biblical theology The personal warmth of the author and his pastoral touch are evident in all he writes They Never Told Me This in Church will inspire and challenge all who claim devotion to Jesus and many who are searching for the meaning of his role in history They will be enabled to read the Bible with new eyes The confused state of divided Christendom in our time demands just such an honest and radical investigation

The Grace of Christ, Third Edition Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him
