The editorial board consists of C Clifton Black Princeton Theological Seminary John T Carroll Union Presbyterian Seminary and Susan E Hylen Candler School of Theology Emory University **The Compilation of Romans** Yoseop Ra, 2025-02-27 In this book Yoseop Ra would like to reveal that Paul sent letters to the Roman church four times Accordingly it will be revealed that Romans was not written to convey doctrine rather he wrote them to achieve his own purpose He requested help from the Romans to spread the gospel in gentile regions even as far as Spain It seems however that his attempt was rejected due to the renewed theology When this is properly revealed the actual history and theology that Paul had with the Romans will be revealed The most important content was that righteousness is obtained by faith in God who raised Jesus Christ from the dead This was unacceptable to the Romans at the time from a Jewish perspective Paul had to write four letters to persuade them reflecting the fact that they did not agree with his arguments Accordingly the actual history that Paul had with the Romans is different from what has been known to us today If Ra s argument is valid early Christian history will have to be rewritten Woman Thou Art Loved from Above Kesha Latonya Hardin, 2019-08-19 This book is to reveal to women of all walks of life no matter what they have been in or what they have come out of or what state they are in right now that they may experience the love of Christ that surpasses knowledge and be made complete with all the fullness of life and power that comes from God And that they will know that God s love for them is steadfast unconditional unfailing and unmovable And to enlighten the eyes of their hearts to know the plan will purpose mandate and kingdom destiny that Abba Father has ordained for them before the foundation of the world And to open their eyes so they may know the hope to which He has called them and the riches of His glorious inheritance that He has for them in His kingdom God has called them to His kingdom for such a time as this to place glory honor and favor on them and to give them an inheritance among the family of God and to use them for His glory And to help women establish the kingdom in their hearts and make them aware of Jesus Christ redemptive work for their life and that He was sent to atone for their sins and through His blood and sacrificial life there is forgiveness of sin and that He is the way of eternal salvation And to inspire women all over the world to know their value and self worth that they are priceless jewels and queens who were miraculously and wonderfully made in the image and likeness of God and they don t have to settle for anything or any kind of treatment And they don t have to compromise or lower their standard to be loved And to encourage women to come out of sin and out of that abusive and ungodly relationship and come to Jesus the Bishop and Lover of their soul and let Him love on them clean them up and heal them with spiritual intimacy because He loves them with an everlasting love His love for them is real genuine eternal free and without hidden agenda I want to challenge every woman to stop looking for love in all the wrong places and receive God s agape love through His Son Jesus is the answer to all of your problems and He will quench your hunger and thirst for love Once you come taste and see that the Lord is good loving and kind you will be satisfied I want to ignite women to rise up and take their rightful place in the kingdom of God as a chaste strong loving noble vibrant God fearing kingdom woman who will minister to the Lord and serve

Him in spirit and in truth And be a living sacrifice holy and acceptable unto the Lord which is your reasonable act of spiritual worship I also want to illuminate biblical understanding to women that it is because of the goodness and lovingkindness of God that they live move and have their beings and because of His compassion and tender mercy that they have not been consume by the devil And that their bodies are for the Lord and the Lord for the body and encourage women to rise up and come out of Mystery Babylon the Mother of Harlot come out of sexual slavery come out of the house of bondage come out of sexual immorality and sexual uncleanness come out of perversion and adultery And receive with meekness the engrafted word of God which is able to save your soul and make you whole and complete And to admonish women of all backgrounds to take a stand for righteousness holiness sexual purity and receive the word of life and the word of hope that gives them everything pertaining to life and godliness and an eternal future And to pursue peace and godliness because godliness with contentment is great gain it s great wealth it s true riches and brings great profit Jesus Christ is satisfaction guarantee He is the way the truth and the life of God Women don t be depraved of mind and devoid of the truth but walk in present truth and be chaste in your sexual character spirit soul and body and set your heart ablaze and ignite a passion to be zealous for spiritual things and to seek the kingdom and God and be fervent in spirit and love the Lord with all your heart mind soul and strength and love yourself and your neighbor as yourself This is a clarion call for all women all over the world to come out of darkness into God s marvelous light and to turn from the power of Satan to the power of Jesus Christ and be translated into His kingdom and have a godly sound calm well balanced and renewed mind and a transformed caring loving and pure heart

The Spirit of Atonement Steven M. Studebaker,2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of

Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatological categories
