**The Romantic Life** D. Andrew Yost,2022-08-24 The world is disenchanted Rationalization intellectualization and scientism rule the day We used to see the world as a magical place but now it s just a material space How did we get here The shift comes in part from the rise of a certain kind of secularism one that reduces human experiences to whatever is explainable through observation Love It s just a biological drive Joy a rush of adrenaline Beauty an influx of dopamine If you can t test it it isn t true or so the thinking goes The Romantic Life draws upon eighteenth and nineteenth century Romanticism to provide five strategies to re enchant the world five ways to imbue the world with meaning truth and beauty According to the Romantics far from being useless encounters with impractical things like the imagination nature symbolism sincerity and the sublime give our lives a richness and depth that cannot be attained on a purely material account of the world By learning from their example we can come to see into the life of things as William Wordsworth called it We can be re enchanted

**Philosophy of Love, Sex, and Marriage** Raja Halwani,2018-01-29 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In the Second Edition of this lively lucid and comprehensive book Raja Halwani explores and elucidates the nature uses and ethics of romantic love sexuality and marriage It is structured in three parts Love examines

the nature of romantic love and how it differs from other types of love such as friendship and parental love It also investigates the relationship of love to morality and asks what limits morality puts on romantic love and even whether romantic love is inherently moral Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It discusses the nature of sexual desire and its connection to objectification and virtue all the while looking at specific sexual engagements such as pornography BDSM and raced desires Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also investigates the necessity of marriage and ways in which it requires reform Updates and Revisions in the Second Edition Expands the coverage of love and morality from one to two chapters incorporating much of the recent literature on love as a moral emotion Includes a new chapter on sex and virtue ethics Ends each of the chapters on sex with an applied topic such as pornography BDSM prostitution racial sexual desires and adultery Increases coverage of the nature and purpose of marriage including debates surrounding same sex marriage but also moving beyond these debates to include issues on minimal marriage temporary marriage polygamy and other forms of marriage Updates the Further Reading and Study Questions sections at the end of each chapter and provides an up to date comprehensive bibliography at the back of the book Includes new discussions of topics on the nature of love love and reasons distinctions between two types of romantic love love and its connections to moral theories definitions of crucial sexual concepts objectification virtue and sex racial sexual desires and the definition of marriage and whether it is important as an institution

*When a Romantic Writes Poetry* Ashley Dawn, 2025-07-09 Poetry has long been used to give tangible form to the most intangible of thoughts and feelings with the voice of poets speaking universal truths for us all even when we ourselves do not have the words And there is no intangibility more universal than romantic love in all of its stages This poetry collection examines those stages from the highly personal and relatable perspective of a late blooming romantic struggling to find real love and healing amidst the minefield of pain longing and expectation that all too often defines and constrains our relationships in this modern world When a Romantic Writes Poetry delves into casual sex love loss healing and hope in a highly readable and relatable poetic style that will resonate strongly in the hearts and minds of anyone who's ever ventured into that same minefield for better or worse

[Romance Tools: Bring love into your life with This Guide](#) Salty Vixen, 2024-12-24 If you have ever been in a relationship that failed you most likely have sat down afterwards and wondered what went wrong Sometimes it is easy to spot how much of it was their fault but it is not too easy to look at where you personally went wrong Everybody wants to be the best at what they do and being the best you can be for your partner is no exception This guide will help you keep romance alive

**Dynamics of Romantic Love** Mario Mikulincer, Gail S. Goodman, 2006-03-14 A theoretically and empirically rich exploration of universal questions this book examines the interplay of three distinct behavioral systems involved in romantic love This integrative volume will be of interest to both researchers

and clinicians      *The Romance of Reality* Bobby Azarian, 2022-06-28 Why do we exist For centuries this question was the sole province of religion and philosophy But now science is ready to take a seat at the table According to the prevailing scientific paradigm the universe tends toward randomness it functions according to laws without purpose and the emergence of life is an accident devoid of meaning But this bleak interpretation of nature is currently being challenged by cutting edge findings at the intersection of physics biology neuroscience and information theory generally referred to as complexity science Thanks to a new understanding of evolution as well as recent advances in our understanding of the phenomenon known as emergence a new cosmic narrative is taking shape Nature s simplest parts come together to form ever greater wholes in a process that has no end in sight In *The Romance of Reality* cognitive neuroscientist Bobby Azarian explains the science behind this new view of reality and explores what it means for all of us In engaging accessible prose Azarian outlines the fundamental misunderstanding of thermodynamics at the heart of the old assumptions about the universe s evolution and shows us the evidence that suggests that the universe is a self organizing system one that is moving toward increasing complexity and awareness Cosmologist and science communicator Carl Sagan once said of humanity that we are a way for the cosmos to know itself *The Romance of Reality* shows that this poetic statement in fact rests on a scientific foundation and gives us a new way to know the cosmos along with a riveting vision of life that imbues existence with meaning nothing supernatural required

**Close Relationships** Clyde Hendrick, 2000 The authors in the volume extend the reach of their comprehensive reviews into theoretically driven and innovating explorations The scope of coverage across and within chapters is striking The developmentalist the methodologist the feminist the contextualist and the cross culturalist alike will find satisfaction in reading the chapters Catherine A Surra The University of Texas at Austin The science of close relationships is relatively new and complex *Close Relationships A Sourcebook* represents the growing maturity of this multidisciplinary enterprise The volume offers 26 chapters organized into four thematic areas relationship methods forms processes and threats as well as a foreword and an epilogue The volume provides a panoramic view of close relationship research as it enters the 21st century offering highlights from current literature original research practical applications and projections for future research Relationship Methods includes both qualitative and quantitative chapters Relationship Forms includes many of the stages types and roles that characterize intimate relationships In a developmental fashion chapters address social networks children s friendships adolescent relationships adult friendships and friendships in later life Chapters on multicultural and multiracial relationships and gay lesbian and bisexual relationships illustrate the variety of relationship forms that the science of close relationships must consider The alignments and realignments of traditional family structure are considered in terms of contemporary marriage divorce and single parenting and remarried families Relationship Processes includes chapters on emotion attachment romantic love sexuality intimacy communication conflict social support and relational maintenance The important topic of gender concludes the section The shadow side of human

nature is explored in the Relationship Threats section with chapters on infidelity and jealousy physical and sexual aggression depression and loss and bereavement A foreword by Ellen Berscheid sets the stage for this broad ranging collection of chapters Steve Duck and Linda Acitelli conclude with an epilogue that provides a new beginning for the science of close relationships

**The Basic Writings of Josiah Royce, Volume I** John J. McDermott, 2018-09-18 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce's thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce's thought and its pressing relevance to contemporary cultural moral and religious issues

*Krishna as Poetry* Harsha V. Dehejia, 2019-02-26 About the Book The romantic Krishna finds a textual presence for the first time in the Bhagavata Purana and then for a thousand years we celebrate that Krishna through heart throbbing poetry Krishna is indeed both the kavi and the kavya rasa and rasika the shabda and the artha He is Purusha and Prakriti Krishna dances and frolics speaks and sings and shringara in its many colours comes alive for us through kavya We are the gopis of Vrindavana the nayikas of Ritikavya as Krishna comes alive not through religious rites and rituals but through the joy of poetry and painting and we acclaim Krishna svayam kavyam After we have experienced the aesthetic pleasure of the love of Krishna we realize that all love in this world is that of Krishna the hushed words of romance between a man and a woman are those of Krishna and Radha all poetry that celebrates romantic love is that of Krishna so that we can turn the sentence around and say kavyam svayam Krishna We invite you to immerse yourself in the beautiful poetry of Krishna through the melody and lyrics let His madhurya wash over you like the waves of the Yamuna and his many splendoured persona make your mind dance like the birds and blossoms of Vrindavana Harsha V Dehejia beautifully weaves a tapestry of Krishna Shringara Kavya enriched by the colours and textures of paintings by the noted artist Vijay Sharma The book assures the reader both the joy of poetry and the visual delight of painting About the Author Harsha V Dehejia has a double doctorate one in medicine and other in ancient Indian culture both from Mumbai University He is also a member of the Royal College of Physicians of London Glasgow and Canada all by examination He is a practising Physician and Professor of Indian Studies at Carleton University in Ottawa Canada His main interest is in Indian aesthetics

**Presence** J. Alexander Sider, Isaac S. Villegas, 2011-06-17 As God s eternal life flows through us we learn to let go of our pretensions of control and rest into the new life offered in Jesus Christ This book is an invitation for you to become nonresistant to this movement of God s love for you and the world Through a variety of sermons and meditations Sider and Villegas bear witness to a grace

that disarms our guardedness and makes room for us to fall into the love of God Preaching becomes a dispossessive practice as each person is invited to give and receive God's transforming power The proclamation of the gospel Villegas and Sider say should display the priesthood of all believers Thus the call to preach belongs to the whole congregation and its conversation rather than to the lone preacher and her or his sermon Presence Giving and Receiving God draws on the Mennonite tradition of the Zeugnis conversation to explore how the preached Word echoes through all of our voices *Close Relationships* Harry T. Reis, Caryl E. Rusbult, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company
