

YEAR by year, or indeed week by week, Christopher Morley's stature as a writer has steadily increased. *Where the Blue Angels and Thacker in the Left* definitely marked him as a novelist. But to those readers whose interest rather is awakened by the most delicate of intellectual dishes, the essays, he has also been generous in the past.

Here, in *The Romany Stain*, he once more serves up a capital of literary delicacies gathered from the fields and waters of France and England during a recent trip.
