Rome Or Death The Diversion Of General Garibaldi:

Rome Or Death Daniel Pick, 2005 In 1875 a few years after Italian unification General Garibaldi the legendary military hero of the Risorgimento left his island retreat in the Mediterranean for Rome His battle cry no longer required he was pursuing a mission that would become an obsession in his old age to divert the River Tiber from Rome Through this forgotten episode Daniel Pick observes Garibaldi s passionate attachment to Rome and Italy In the bitter debate that ensued many myths were laid bare and prevailing medical social and political anxieties about the future of the state were exposed In the ebb and flow of this epic project strong currents of emotion swirled around this larger than life Victorian hero and the city with which he and his contemporaries were obsessed Garibaldi's campaign also focussed on the urgent questions of flood fever and the fate of the peasantry in the dangerous landscape of the Roman Campagna The flood prone Tiber had caused havor disease and death throughout history But beyond the public rationales for the scheme The Diversion of General Garibaldi suggests more personal motives were at stake Garibaldi had his own reasons to fight the scourge of malaria and reclaim the health of central Italy His desperate endeavour reflected his wish to repair the past Behind his florid promise to revitalise Italy and convert the Tiber's course into a Parisian style boulevard that would be a wonder of the modern world lay a traumatic event felt by Garibaldi as the defining tragedy of his life the loss of his wife Despite himself he became embroiled in the political labyrinth of Rome trials and tribulations worthy of Kafka This story of thwarted ambition grand illusion and delusion was not lost on Garibaldi s later admirer Benito Mussolini another self styled redeemer of Rome and the fever Writing History Stefan Berger, Heiko Feldner, Kevin Passmore, 2020-02-20 The third edition of ridden marshes of Italy Writing History provides students and teachers with a comprehensive overview of how the study of history is informed by a broader intellectual and analytical framework exploring the emergence and development of history as a discipline and the major theoretical developments that have informed historical writing Instead of focusing on theory this book offers succinct explanations of key concepts that illuminate the study of history and practical writing and demonstrates the ways they have informed practical work This fully revised new edition comprehensively rewrites and updates original chapters but also includes new features such as new chapters on postcolonial environmental and transnational history chapter introductions setting them within the context of historiography a new substantive introduction from the editors providing a useful road map for students an expanded glossary In its new incarnation Writing History is more than ever an invaluable introduction to the central debates that have shaped history Psychoanalysis and History ,2006 IIFT 5 Mock Tests & Solved Papers (2021-2008) RK JHA, 2022-03-05 The Indian Institute of Foreign Trade IIFT is counted in one of the top
