Romeo And Juliet Op 17:

Daniels' Orchestral Music David Daniels, David W. Oertel, David A. Rahbee, 2022-06-30 Daniels Orchestral Music is the gold standard for all orchestral professionals from conductors librarians programmers students administrators and publishers to even instructors seeking to research and plan an orchestral program whether for a single concert or a full season This sixth edition celebrating the fiftieth anniversary of the original edition has the largest increase in entries for a new edition of Orchestral Music 65% more works roughly 14 050 total and 85% more composers 2 202 total compared to the fifth edition Composition details are gleaned from personal inspection of scores by orchestral conductors making it a reliable one stop resource for repertoire Users will find all the familiar and useful features of the fifth edition as well as significant updates and corrections Works are organized alphabetically by composer and title containing information on duration instrumentation date of composition publication movements and special accommodations if any Individual appendices make it easy to browse works with chorus solo voices or solo instruments Other appendices list orchestral works by instrumentation and duration as well as works intended for youth concerts Also included are significant anniversaries of composers composer groups for thematic programming a title index an introduction to Nieweg charts essential bibliography internet sources institutions and organizations and a directory of publishers necessary for the orchestra professional This trusted work used around the globe is a must have for orchestral professionals whether conductors or orchestra librarians administrators involved in artistic planning music students considering orchestral conducting authors of program notes publishers and music dealers and instructors of conducting

Program Notes Chicago Symphony Orchestra, 1902 The volume for the 50th season 1940 41 includes Repertoire 1891 1941 62 p and Solists 1891 1941 5 p

Masterworks of the Orchestral Repertoire Donald N. Ferguson, 1968-03-04 Masterworks of the Orchestral Repertoire was first published in 1968 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The fullest enjoyment of an orchestral performance or a record concert comes with a background of knowledge about the music itself This handbook is designed to help music lovers get the ultimate pleasure from their listening by providing them with that background about a large portion of the orchestral repertoire Professor Ferguson analyzes and interprets the most important classical symphonies overtures and concertos as well as selected orchestral works of modern composers He goes beyond a conventional analysis of structure since he believes with a majority of the music loving public that great music is actually a communication that it expresses significant emotions The great composers on their own testimony have striven not merely to create perfect forms but to interpret human experience Mingled with the analyses then the reader will find comments on the expressive purport of the music For twenty five years Professor Ferguson has supplied the program notes for the subscription concerts of the Minneapolis Symphony Orchestra and this volume is an outgrowth of that activity In preparing the material for book publication however he studied

the musical compositions anew and the resulting chapters provide a much deeper exploration of the musical subjects than did the program notes The themes of important works are illustrated by musical notations and a brief glossary explains technical terms

Conducting Berlioz Norman Del Mar,1997 Berlioz the enfant terrible of music if ever there was one was always a favorite of the late Norman Del Mar In this volume seen through the press by his son Jonathan Norman Del Mar brings all his wide experience to the explanations and elucidation of the more difficult points of conducting these works The most imaginative orchestrator ever is treated with wisdom and perception and many doubtful technical points are clarified in this invaluable handbook Anyone wanting to know more about Berlioz s works be they student or music loving listener will find their enjoyment enhanced after reading this indispensable study The three extraordinary symphonies are considered in detail followed by six overtures and other important works The volume culminates in chapters on the Grande Messe des morts and Te Deum which give true insight into these major choral pieces Del Mar s writing style is easily approachable and carries the reader along in eager anticipation as understanding is assimilated from his own infectious enthusiasm

The Philharmonic Society of New York and Its Seventy-fifth Anniversary James Huneker,1842

Arturo Toscanini Mortimer H. Frank,2002 A detailed volume on Toscanini s heroic 17 years conducting the NBC Symphony Orchestra which he started at age 70 Includes archival broadcast recordings repertoire lists videography and a discography 34 photos

Descriptive Programs Los Angeles Philharmonic Orchestra,1929

Heinrich Wilhelm Ernst: Virtuoso Violinist Mark Rowe,2017-07-05 From 1840 57 Heinrich Ernst was one of the most famous and significant European musicians and performed on stage often many times with Berlioz Mendelssohn Chopin Liszt Wagner Alkan Clara Schumann and Joachim It is a sign of his importance that in 1863 Brahms gave two public performances in

Vienna of his own and Ernst's music to raise money for the now mortally ill violinist Berlioz described Ernst as one of the artists whom I love the most and with whose talent I am most sympathetic while Joachim was in no doubt that Ernst was the greatest violinist I ever heard he towered above the others Many felt that he surpassed the expressive and technical achievements of Paganini but Ernst unlike his great predecessor was also a tireless champion of public chamber music and did more than any other early nineteenth century violinist to make Beethoven's late quartets widely known and appreciated Ernst was not only a great virtuoso but also an accomplished composer He wrote two of the most popular pieces of the nineteenth century the Elegy and the Carnival of Venice and he is best known today for two solo pieces which represent the ne plus ultra of technical difficulty the transcription of Schubert's Erlking and the sixth of his Polyphonic Studies the variations on The Last Rose of Summer Perhaps he made his greatest contribution to music through his influence on Liszt's outstanding masterpiece the B minor piano sonata In 1849 Liszt conducted Ernst playing his own Concerto Pathétique a substantial single movement work in altered sonata form using thematic transformation Soon after this performance Liszt wrote his Grosses Konzertsolo 1849-50 his first extended single movement work using altered sonata form and thematic transformation This is now universally acknowledged to be the immediate forerunner of the sonata which refines and develops all these techniques Liszt made his debt clear when three years after completing First Musical Festival at Chicago, May 23d, 24th, 25th, and 26th, 1882 Chicago Musical Festival Association, 1882 *New York Magazine*, 1982-09-13 *New York Magazine* was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Encyclopaedic Dictionary of Music** Hugo Riemann, 1908 **Musical Courier and Review of Recorded Music**, 1913 **New York Musical Review and Choral Advocate**, 1864 Index to Record and Tape Reviews, 1982 Arthur Nikisch Roger Allen, 2025-04-15 Considers Nikisch as a primary link between the later nineteenth century performance practice and the twentieth century fetishisation of the superstar conductor as a commercially driven phenomenon The Hungarian born conductor Arthur Nikisch 1855-1922 was among the first of the new breed of virtuoso conductors who came to prominence in the immediate aftermath of Wagner As a youthful violinist in the Vienna Court Orchestra he played under Wagner Verdi and Brahms in 1895 he reached the pinnacle of German musical life as Chief Conductor of the Leipzig Gewandhaus and Berlin Philharmonic Orchestras His career was however by no means confined to Austro-German lands He spent four seasons in the USA as Director of the Boston Symphony Orchestra and travelled regularly to conduct in Imperial Russia His visits to Britain had a significant impact on London's concert life through his associations with the newly opened Queen's Hall the fledgling London Symphony Orchestra Covent Garden Opera House and even as piano accompanist at the Bechstein later Wigmore

Hall He was also a fervent champion of the music of non Austro German composers such as the Russian Pyotr Ilyich Tchaikovsky and the Englishman Edward Elgar This book considers Nikisch s role and influence as a leading musical executant within the declining Habsburg monarchy and the ascendant German Empire It also examines how the newly established phenomenon of the virtuoso conductor reached across international boundaries at a time when hardening ideologies and shifting political allegiances were leading towards the disintegration of the old Europe in the carnage of the First World War It considers Nikisch as a primary link between the later nineteenth century performance practice and aesthetics of Wagner and the twentieth century phenomenon of the all powerful superstar conductor who came to surpass even the composer in importance **Biennial Music Festival at Cincinnati** ,1890 *Western Magazine* ,1923
