Ronald Reagan's Reign Of Error An Instant Nostalgia Collectors Edition:

Ronald Reagan's Reign of Error Mark J. Green, Gail S. MacColl, 1987-10-12 Ronald W. Reagan, 1911- Irving J. Sloan, 1990 Dutch Edmund Morris, 2011-10-19 This book the only biography ever authorized by a sitting President yet written with complete interpretive freedom is as revolutionary in method as it is formidable in scholarship When Ronald Reagan moved into the White House in 1981 one of his first literary guests was Edmund Morris the Pulitzer Prize winning biographer of Theodore Roosevelt Morris developed a fascination for the genial yet inscrutable President and after Reagan's landslide reelection in 1984 put aside the second volume of his life of Roosevelt to become an observing eye and ear at the White House During thirteen years of obsessive archival research and interviews with Reagan and his family friends admirers and enemies the book's enormous dramatis personae includes such varied characters as Mikhail Gorbachev Michelangelo Antonioni Elie Wiesel Mario Savio François Mitterrand Grant Wood and Zippy the Pinhead Morris lived what amounted to a doppelgänger life studying the young Dutch the middle aged Ronnie and the septuagenarian Chief Executive with a closeness and dispassion not to mention alternations of amusement horror and amazed respect unmatched by any other presidential biographer This almost Boswellian closeness led to a unique literary method whereby in the earlier chapters of *Dutch* A Memoir of Ronald Reagan Morris's biographical mind becomes in effect another character in the narrative recording long ago events with the same eyewitness vividness and absolute documentary fidelity with which the author later describes the great dramas of Reagan's presidency and the tragedy of a noble life now darkened by dementia I quite understand the author has remarked that readers will have to adjust at first to what amounts to a new biographical style But the revelations of this style which derive directly from Ronald Reagan's own way of looking at his life are I think rewarding enough to convince them that one of the most interesting characters in recent American history looms here like a colossus *The Nation*, 1987-07 **The New York Times Book Review**, 1987-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Minnesota Law Review**, 2002 The Publishers' Trade List Annual, 1988 American History for Children and Young Adults Vandelia VanMeter, 1990 An index to recommended books about people and events in US history Books are included if they were reviewed between 1980 and 1988 in journals commonly available in small to medium sized public and school libraries Annotations provide complete bibliographic data recommended grade level and citations to the journal reviews The arrangement is by time period subdivided by subject Also available on disk for the Apple Mac and IBM Annotation copyrighted by Book News Inc Portland OR *Books in Print Supplement*, 2002 *Paperbound Books in Print*, 1991 **Subject Guide to Books in Print**, 1993 **Forthcoming Books** Rose Arny, 1988 The Cumulative Book Index, 1989 A world list of books in the English language *Reagan's Reign of Error* Mark J. Green, Gail MacColl, 1987 Quotations from Ronald Reagan on a variety of issues are accompanied by brief analyses of the accuracy of his statements

There He Goes Again Mark J. Green, Gail MacColl, 1983
