D. Callihan, 2013-05-22 *America One Nation Under Tyrants* is a timely book for the days in which we are living Based upon a comment attributed to early American Colonist William Penn who is quoted as saying Any people unwilling to be governed by God are destined to be governed by tyrants Will Mr Penn's warning come to pass What is America's destiny with the path she has chosen to travel on What must every patriotic American do to keep America out of the hands of Tyrants The answers to these and many more thought provoking questions can be found in *America One Nation Under Tyrants* be sure and get your copy today      **Reagan** Bob Spitz, 2019-10-01 From New York Times bestselling biographer Bob Spitz a full and rich biography of an epic American life capturing what made Ronald Reagan both so beloved and so transformational More than five years in the making based on hundreds of interviews and access to previously unavailable documents and infused with irresistible storytelling charm Bob Spitz's *REAGAN* stands fair to be the first truly post partisan biography of our 40th President and thus a balm for our own bitterly divided times It is the quintessential American triumph brought to life with cinematic vividness a young man is born into poverty and raised in a series of flyspeck towns in the Midwest by a pious mother and a reckless alcoholic largely absent father Severely near sighted the boy lives in his own world a world of the popular books of the day and finds his first brush with popularity even fame as a young lifeguard Thanks to his first great love he imagines a way out and makes the extraordinary leap to go to college a modest school by national standards but an audacious presumption in the context of his family's station From there the path is only very dimly lit but it leads him thanks to his great charm and greater luck to a solid career as a radio sportscaster and then astonishingly fatefully to Hollywood And the rest as they say is history Bob Spitz's *REAGAN* is an absorbing richly detailed even revelatory chronicle of the full arc of Ronald Reagan's epic life giving full weight to the Hollywood years his transition to politics and rocky but ultimately successful run as California governor and ultimately of course his iconic presidency filled with storm and stress but climaxing with his peace talks with the Soviet Union that would serve as his greatest legacy It is filled with fresh

assessments and shrewd judgments and doesn't flinch from a full reckoning with the man's strengths and limitations. This is no hagiography. Reagan was never a brilliant student of anything and his disinterest in hard-nosed political scheming while admirable meant that this side of things was left to the other people in his orbit, not least his wife Nancy. Sometimes this delegation could lead to chaos and worse. But what emerges as a powerful signal through all the noise is an honest inherent sweetness, a gentleness of nature and willingness to see the good in people and in this country that proved to be a tonic for America in his time and still is in ours. It was famously said that FDR had a first-rate disposition and a second-rate intellect. Perhaps it is no accident that only FDR had as high a public approval rating leaving office as Reagan did or that in the years since Reagan has been closing in on FDR on rankings of Presidential greatness. Written with love and irony, which in a great biography is arguably the same thing, Bob Spitz's masterpiece will give no comfort to partisans at either extreme; for the rest of us it is cause for celebration.

*Eternal Salvation In Christ* John Onyekachi Madu, 2024-12-10 Christianity is not a religion but a relationship. It makes claims of exclusivity over other religions. Liturgical drama and transactional gospel should cease. Now comes an era for revisit, revitalize and rejuvenate confidence in our God. There is a cogent need to preserve Bible fact. Apparently when Church fails to interpret Scriptures rightly and distinctly it compromises its mission, thus disenfranchised of its inalienable authority to witness. Scripture contains no error. Preachers shouldn't make it appear otherwise because they are not exhaustively accoutred in the word of God. And also perhaps have never allowed the Spirit of God work on them. We have evidently understood the truth is inviolable, absolutely timeless, and the only solution the world requires to survive. Consequently we must assist the present generation by presenting them with nothing else than the truth about God's good plan. Genuine Christian must show people the God of love, not of judgement, and proffer them Jesus Christ who is the way, the truth and the life.
