This is my true story** Jamie Foreman,2012-03-05 Jamie Foreman is one of Britain s most iconic actors He is also the son of Britain s most notorious gangster Freddie Foreman Jamie s life has been anything but ordinary Right from the start his world was one of contrast and contradiction he grew up surrounded by London s criminal elite living by their code of honour and respect yet he himself was brought up to be a straight goer The backdrop of his home life was to differ greatly from his time at school as at seven years old Jamie found himself in the unlikely

surroundings of a boarding school The happiness of his family and school life was snatched from Jamie when his father was sentenced to ten years in prison for his involvement in the killing of Jack The Hat McVitie The subsequent years saw Jamie without the father he adored and the whole family was put under enormous strain At 14 Jamie decided that his passion was for acting and having been encouraged by Barbara Windsor he discovered yet another new environment at the Italia Conti Stage School Jamie thrived in the acting world and was soon enjoying success on both stage and screen By the time of his dad s release from prison Jamie had carved a straight career for himself but after years apart there was plenty of lost time to make up for Soon he was dividing his time between acting and assisting with Freddie s business Before long though life took a surprising turn when a drug deal his father was heavily involved in went tragically wrong and he was forced to go on the run to America with his dad which marked the start of a whole new adventure A truly fascinating story of a unique life From being babysat by the Kray Twins to his life changing meeting with Lawrence Olivier Jamie s is a compelling tale of a boy becoming a man of a father lost and found and nearly lost again and of the adventure violence and tenderness that forged an unbreakable father son relationship
