Statistical Encyclopedia of North American Professional Sports K. Michael Gaschnitz, 2008-09-18 This reference work updated since the 1997 edition provides comprehensive information on the major professional leagues in North America baseball basketball football hockey and soccer Arranged chronologically the entries for each league in each sport include individual statistical leaders championship results major rules changes winners of major awards and hall of fame inductees *Basketball in Japan* Aaron L. Miller, 2024-08-20 Through a study of basketball in Japan this book aims to help readers better understand the historical formation and contemporary reformation of cultural identity in Japan This reformation includes the process of reconciling the perceived differences between basketball in Japan and basketball in the West the process of reconciling how perceptions of one s body are shaped in a globally interconnected society the process of reconciling what it means to be a modern man and the process of reconciling what it means to be Japanese in a nation that is increasingly multicultural In other words basketball in Japan matters not only because it has for too long been over simply labelled as a minor sport but also because it is much more than a game Examining the real and symbolic power which sport has on Japanese culture and even in some instances the state this book will be a valuable resource for scholars and students of Japanese culture and society and the sociology of sports *Basketball* David L. Porter, 2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball

history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game

LeBron James vs. the NBA Brendan Bowers,Ryan Jones,2017-11-15 Showcasing one of professional basketball s best players this book spotlights the life and career of hardcourt superstar LeBron James More than just a biography it relates James story while also establishing his prominent place in NBA history By examining his skills and statistics in a variety of categories and comparing him to other NBA legends including Magic Johnson Bill Russell Kareem Abdul Jabbar Michael Jordan and more the guide makes a strong case for James as basketball s greatest Along the way his best and most memorable moments are revisited from his days as a high school stand out in Akron to his first stint with the Cavaliers to The Decision to join the Miami Heat and the show stopping performance in the 2016 Finals to bring an NBA title back to Cleveland LeBron James vs The NBA is certain to stir up lively debate and is a must have for Cavs fans and basketball buffs alike

The Race Myth Joseph Graves,2005-06-28 Graves integration of science and objective analysis with popular biological assumptions of race makes this an enlightening and provocative work Booklist DOES RACE AS WE KNOW IT REALLY EXIST Preeminent evolutionary biologist Joseph Graves proves once and for all that it doesn t Through accessible and compelling language he makes the provocative argument that science cannot account for the radical categories used to classify people and debunks ancient race related fallacies that are still held as fact from damaging medical profiles to misconceptions about sports He explains why defining race according to skin tone or eye shape is woefully inaccurate and how making assumptions based on these false categories regarding IQ behavior or predisposition to disease has devastating effects Demonstrating that racial distinctions are in fact social inventions not biological truths The Race Myth brings much needed sound science to one of America s most emotionally charged debates
