Furman Kenney, 2008-07 The setting of this novel centers around the period of the Civil War It tells the story of a spoiled head strong young lady who was determined to have her way at all costs Her run away marriage was for the purpose of defying her mother rather than for true love It tells the high price that she Rosetta paid as a result of her defiance It describes life as lived in the south during that period of history It depicts the hardships suffered by both soldiers and civilians during the war between the states It tells of Rosetta s life and death struggle for the survival of herself and her children It describes the depth of poverty to which she sank in that struggle Finally when all hope for survival was gone she was literally brought to her knees Only then did she humble herself before her Creator and Lord and ask for His help God opened her eyes to an awareness that there was help all around her It recounts her near death experience at the hands of a person from her past It tells of happiness that came into her life because of another person from her past He referred to her as a lady of steel      *Room for Rent* Leah Goldberg, 1972 Nobody wants to live in the vacant room except a dove whose attitudes make her the best applicant anyway
