Rooster Prince

Mark Horn

Rooster Prince:

The Rooster Prince, 2000 Based on a story by Nachman of Bratslav who explained that in the same way as the hero pretends to become a rooster in order to show the prince how to become a man so too the teacher must go down to the spiritual level of the people to raise them to new heights *The Rooster Prince of Breslov* Ann Redisch Stampler, 2010-09-13 This picture book brings a light touch and engaging silliness to the story of a prince who rejects the lavish luxury of his upbringing in favor of a life as a rooster The only person who can persuade the prince to reconsider is neither a doctor nor a magician but a wise teacher who is willing to become a rooster too Told to the author by her grandmother who brought it from Eastern Europe a century ago this traditional tale is accompanied by strikingly witty and graceful illustrations that add their own folkloric flavor Author's note Stories from Child & Adolescent Psychotherapy Henry Kronengold, 2016-09-28 In *Stories from Child Adolescent Psychotherapy* author Henry Kronengold explores the unpredictable world of child and adolescent psychotherapy through a series of engaging and innovative clinical vignettes The ups downs and dilemmas of therapeutic work are considered in each realistic narrative as readers are offered a unique view of what happens between the therapist and child as well as the therapist's own process during the therapy This captivating new resource is intended to spark a conversation within the reader regardless of professional experience regarding which therapeutic factors are ultimately most helpful to children and adolescents **Three Times Chai** Laney Katz Becker, 2007 Fifty four rabbis from all branches of Judaism tell their favorite stories classic Bible stories rabbinic and modern commentaries folktales and legends Each story ranging in length from one to seven pages reflects a Jewish ideal or value and is told in the individual rabbi's unique speaking style Each concludes with a note from the contributor explaining the story's lesson and why it is the rabbi's favorite **CONTENTS** The book is divided into four sections Section One Community Stories about relationships tzedakah and tikun olam our responsibility to heal the world Section Two Religion Stories about Jewish identity practices and spirituality Section Three God's World Stories about the ways in which we relate to God and live according to God's plan Section Four Outlook Stories about our attitudes choices and quests for truth honesty wisdom and courage *Enduring Questions* David Bloome, Evelyn B. Freeman, Rosemary Horowitz, Laurie Katz, 2022-11-28 This accessible guide to Jewish children's literature explores many of the enduring questions of the Jewish tradition What is Jewish history What are love wisdom humor ritual evil and justice Jewish children's literature matters for all children and with this practical guide parents and teachers will be empowered to choose and discuss books and stories with Jewish or non Jewish children Jewish children's literature is often absent in school classrooms and when it is available it presents a picture to children of Jews as victims *Enduring Questions* provides teachers with guidance in the use of Jewish children's literature in the preschool and elementary school classroom *Enduring Questions* includes extensive bibliographies of Jewish children's literature digital resources for teachers and suggestions for further reading With summaries of suggested books and texts honest recommendations from teachers who

have used these texts in the classroom and practical curricular connections this comprehensive book is suited for those looking for an introduction to teaching Jewish children's literature and those familiar with it. The book provides a framework about the use of Jewish children's literature as an opportunity for all children both Jewish and non Jewish to be philosophers and engage in dialog and debate. The enduring questions thoughtfully explored through Jewish literature are important for all students growing up in a diverse multicultural world.

Tarot and the Gates of Light Mark Horn, 2020-01-07 An innovative spiritual workbook that integrates the Tarot and the Kabbalistic tradition of Counting the Omer. Explores the origins and meaning of the 49 day Kabbalistic meditative practice of Counting the Omer and how it can lead to spiritual revelation, personal insight and connection with the Divine. Reveals the correspondence of the Tarot's minor arcana with the Sephirot of the Tree of Life and explains how both relate to the Omer meditation. Provides a daily practice workbook that explores the related Sephirot and Tarot cards for each day, examines their Kabbalistic and spiritual meanings and provides questions for daily reflection and meditation guidance. The 49 day mystical practice known as Counting the Omer is an ancient Jewish ritual observed between the holidays of Passover and Shavuot, also known as Pentecost. As practiced by Kabbalists, it is designed to cleanse and purify the soul in preparation for spiritual revelation and a personal connection with God. The ritual creates a spiritual inner journey that follows the path of the ancient Israelites from the moment of their physical freedom from slavery in Egypt to the establishment of their spiritual freedom forty nine days later when they arrived at Mt Sinai. Adeptly integrating this mystical practice with the transformative symbolism of the Tarot, Mark Horn uses the ritual of Counting the Omer as a template for a guided meditative practice that gives readers insight into their personal life journey and help in overcoming the issues that hinder their growth and spiritual awakening. Examining the correspondence of the Tarot's minor arcana with the Sephirot of the Kabbalistic Tree of Life, he shows how using the cards in connection with Counting the Omer can unlock the gates to a deep experience of the sacred. In the detailed daily practice workbook section, Horn provides day by day descriptions of the 49 day meditative practice of Counting the Omer. He divides the journey into seven week long segments which in turn are broken down into seven daily practices. For each day, he explains the related Sephirot and Tarot cards and their Kabbalistic and spiritual meanings, providing the reader with questions for daily reflection, guidance for meditation and insight from traditional Jewish texts as well as teachings from Christian, Buddhist, Hindu and Muslim traditions. Unveiling the relationship between Tarot and the Kabbalah, Horn shows readers how uniting these two practices can open them to a deeper experience of the Divine.

Jewish Stories One Generation Tells Another Peninnah Schram, 1996-05-01 Peninnah Schram, widely regarded as one of the great Jewish storytellers of our generation, has collected and retold sixty-four delightful Jewish folktales to create *Jewish Stories One Generation Tells Another*. Ms. Schram, who believes that stories form the link between the generations, helps forge that link with this book, ensuring that these stories will continue to live and breathe in the modern world. The life force animating these tales is almost tangible. The printed

words seem to vibrate as if the author possessed the voices of various tellers and lent their lilting tones and ripe inflections to the printed page Furthermore the laughter sobs and delighted cries of countless listeners also echo in these pages Schram who has written a thoughtful informative introduction for each story demonstrates on every page her belief that the stories connect to our lives And when the lifelike characters woven into Schram s magic tapestry suffer or enjoy the fates they most deserve we rejoice secure in their storybook world a world where justice however incomprehensible is always done and where we attain happiness by living in accordance with Jewish law and in harmony with the world s natural order Jewish Stories One Generation Tells Another abounds in a gentle wisdom that presses itself upon our complex and often self contradictory lives infusing us with patience tolerance and hope We identify with the kings and princes fools and beggars heroes and leaders villains and witches of yesteryear because though our lives are vastly different from theirs we share their moral choices and experience their dilemmas Schram joins Jewish storytellers throughout the ages linking past to present and preserving an invaluable legacy for generations yet unborn

The Adventures of Rabbi Harvey Teacher's Guide Steve Sheinkin,2006-08-01 Insights Ideas and Activities for exploring the lessons and wisdom of Jewish folktales A step by step guide to creative use of The Adventures of Rabbi Harvey in the classroom Each lesson includes A clear summary of the story its origins and what it can teach us A series of thought provoking questions An engaging activity relating to the story s theme or the art of storytelling This comprehensive teaching tool will help you guide students toward understanding the timeless lessons of traditional Jewish folktales and their relevance to our lives today
