Traditional Witchcraft for the Woods and Forests Melusine Draco, 2012-03-16 *Witchcraft Wicca* *Traditional Witchcraft for Fields and Hedgerows* Melusine Draco, 2012-03-16 Both FieldCraft and its companion title WoodCraft assume a certain degree of magical understanding on the part of the reader with regard to routine divination spell and Circle casting For this reason the text does not include the basic elements of rudimentary witchcraft that can be found in titles similar to Mean Streets Witchcraft and Sea Change The books have been written in tandem to avoid any unnecessary repetition and to provide cross references where necessary The Dictionary of Magic & Mystery Melusine Draco, 2012-05-25 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic **Pagan Portals - Divination** Melusine Draco, 2018-08-31 Divination is only a small part of a witch's stock in trade and although a basic introduction to the subject can be learned from books proficiency will only come through vigorous practice This proficiency comes through the discovery of certain secret matters by a great variety of means correspondences signs and occult techniques Before a witch can perform any of these operations with any degree of success we need to develop the art of seeing and the ability to divine with rod fingers and birds Divination is what could be referred to as the practical element of Craft magic and we don't even have to be witches to be able to read the portents But it helps A companion volume to Pagan Portals By Spellbook Candle and Pagan Portals By Wolfsbane Mandrake Root from popular Moon Books author Melusine Draco **The Secret People** Melusine Draco, 2016-09-30 Much of what passes for witchcraft today was everyday knowledge to our forebears especially those who lived and worked in the countryside Here were to be found practical household hints remedies and family recipes that had been handed down from generation to generation some still existing in the form of treasured journals and notebooks There is however nothing fanciful or far fetched about this information in fact The Secret People is a remembrance of times past and a preservation of parish pump witchcraft wise women and cunning ways adapted for use in the 21st century It may also go a long way in helping those present generation pagans in search of an identity and answer the questions Who what am I *Folk-lore in the Old Testament* James George Frazer, 1919 *The British Cyclopaedia of Natural History* Charles Frederick Partington, 1835 *Pagan Portals - Pan* Melusine Draco, 2016-11-25 Those who have grown up with Pan as a playmate remember how back in the day it would be possible for a young child to disappear into the woods with only a dog for company for hours on end without there being a hue and cry raised in its absence and it was on those woodland rides and pathways summer or winter that Melusine Draco often encountered Pan **The British Cyclopaedia of the Arts, Sciences, History, Geography, Literature, Natural History, and Biography ...**, 1838 **The History of Great Britain** James Pettit Andrews, 1795
