Roots Of Tragedy The United States And The Struggle For Asia 1945 1953:

Roots of Tragedy Lisle Rose,1976-08-18 **The War for Korea, 1945-1950** Allan R. Millett,2015-02-27 When the major powers sent troops to the Korean peninsula in June of 1950 it supposedly marked the start of one of the last century's bloodiest conflicts Allan Millett however reveals that the Korean War actually began with partisan clashes two years earlier and had roots in the political history of Korea under Japanese rule 1910 1945 The first in a new two volume history of the Korean War Millett's study offers the most comprehensive account of its causes and early military operations Millett traces the war's origins to the post liberation conflict between two revolutionary movements the Marxist Leninists and the Nationalist capitalists With the U S Soviet partition of Korea following World War II each movement now with foreign patrons asserted its right to govern the peninsula leading directly to the guerrilla warfare and terrorism in which more than 30 000 Koreans died Millett argues that this civil strife fought mostly in the South was not so much the cause of the Korean War as its actual beginning Millett describes two revolutions locked in irreconcilable conflict offering an even handed treatment of both Communists and capitalists nationalists Neither movement was a model of democracy He includes Korean Chinese and Russian perspectives on this era provides the most complete account of the formation of the South Korean army and offers new interpretations of the U S occupation of Korea 1945 1948 Millett's history redefines the initial phase of the war in Asian terms His book shows how both internal forces and international pressures converged to create the Korean War a conflict that still shapes the politics of Asia *George F. Kennan and the Making of American Foreign Policy, 1947-1950* Wilson D. Miscamble, C.S.C.,2021-04-13 When George C Marshall became Secretary of State in January of 1947 he faced not only a staggering array of serious foreign policy questions but also a State Department rendered ineffective by neglect maladministration and low morale Soon after his arrival Marshall asked George F Kennan to head a new component in the department's structure the Policy Planning Staff Here Wilson Miscamble scrutinizes Kennan's subsequent influence over foreign policymaking during the crucial years from 1947 to 1950 **Special Bibliography Series** ,1957 *Living with War* Robert Teigrob,2016-01-01 In *Living with War* Robert Teigrob examines how war is experienced and remembered on both sides of the 49th parallel Military Review ,1977 **Chronology of Wars** John S. Bowman,2009 Presents a chronology of major wars in U S history discussing why and how each war began key battles and the results of the war *The Eagle and the Peacock* Srinivas M. Chary,1995-03-21 This work is a study of American foreign policy toward India since 1947 It examines the roles that the United States has played on the South Asian stage during the 45 years that constitute the history of the Cold War In contrast to the interest that Cold War historians have displayed toward such areas as Europe and the Far East little has been done with regard to India Many Indian analyses consist largely of clichés and stereotypes and adopt an intensive tone of moral judgement With the end of the Cold War in the 1990s the need for this study is more compelling since the politics of the Cold War had so greatly shaped Indo American relations from the beginning of

modern India's independence

Myths of Empire Jack L. Snyder, 2013-05-21 Overextension is the common pitfall of empires. Why does it occur? What are the forces that cause the great powers of the industrial era to pursue aggressive foreign policies? Jack Snyder identifies recurrent myths of empire, describes the varieties of overextension to which they lead, and criticizes the traditional explanations offered by historians and political scientists. He tests three competing theories: realism, misperception, and domestic coalition politics against five detailed case studies: early twentieth-century Germany, Japan in the interwar period, Great Britain in the Victorian era, the Soviet Union after World War II, and the United States during the Cold War. The resulting insights run counter to much that has been written about these apparently familiar instances of empire building. Quarterly Review of Military Literature, 1977

Korea and the Evolution of the American-Australian Relationship, 1947-53 Daniel Fazio, 2023-09-29 Fazio examines the significance of the US-Australian-Korean engagement 1947-53 in the evolution of the relationship between the two nations in the formative years of the Cold War. In the aftermath of World War Two, divergent American and Australian strategic and security interests converged and then aligned on the Korean peninsula. Fazio argues that the interactions between key US and Australian officials throughout their Korean engagement were crucial to shaping the nature of the evolving relationship and the making of the alliance between the two nations. The diplomacy of Percy Spender, John Foster Dulles, and James Plimssoll was particularly crucial. He demonstrates that the American evaluation of the geo-strategic significance of Korea was a significant factor in the making of the ANZUS alliance, and events in Korea remained central to the evolving US-Australian relationship. Their Korean engagement showed the US and Australia had similar and overlapping rather than identical interests, and that their relationship was much more nuanced and problematic than commonly perceived. Fazio challenges the Australian mythology on the origins of the ANZUS Treaty and presents a cautionary insight into the limits of Australia's capacity to influence US policy to benefit its interests. An insightful read for diplomatic historians providing greater depth to understanding the broader historical context of the trajectory of the US-Australian relationship and alliance since the beginning of the Cold War.

The American Military and the Far East Mary Ann Robinson, 1980

Embers of War Fredrik Logevall, 2014-01-14 WINNER OF THE PULITZER PRIZE. Written with the style of a great novelist and the intrigue of a Cold War thriller, *Embers of War* is a landmark work that will forever change your understanding of how and why America went to war in Vietnam. Tapping newly accessible diplomatic archives in several nations, Fredrik Logevall traces the path that led two Western nations to tragically lose their way in the jungles of Southeast Asia. He brings to life the bloodiest battles of France's final years in Indochina and shows how, from an early point, a succession of American leaders made disastrous policy choices that put America on its own collision course with history. An epic story of wasted opportunities and deadly miscalculations, *Embers of War* delves deep into the historical record to provide hard answers to the unanswered questions surrounding the demise of one Western power in Vietnam and the arrival of another. Eye-opening and compulsively readable, *Embers of War* is a gripping, heralded work that illuminates the

hidden history of the French and American experiences in Vietnam ONE OF THE MOST ACCLAIMED WORKS OF HISTORY IN RECENT YEARS Winner of the Francis Parkman Prize from the Society of American Historians Winner of the American Library in Paris Book Award Winner of the Council on Foreign Relations Arthur Ross Book Award Finalist for the Cundill Prize in Historical Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post The Christian Science Monitor The Globe and Mail A balanced deeply researched history of how as French colonial rule faltered a succession of American leaders moved step by step down a road toward full blown war Pulitzer Prize citation This extraordinary work of modern history combines powerful narrative thrust deep scholarly authority and quiet interpretive confidence Francis Parkman Prize citation A monumental history a widely researched and eloquently written account of how the U S came to be involved in Vietnam certainly the most comprehensive review of this period to date The Wall Street Journal Superb a product of formidable international research The Washington Post Lucid and vivid a definitive history San Francisco Chronicle An essential work for those seeking to understand the worst foreign policy adventure in American history Even though readers know how the story ends as with The Iliad they will be as riveted by the tale as if they were hearing it for the first time The Christian Science Monitor

The Korean War Stanley Sandler, 2014-01-14 First major clash with a communist army The Korean War was America's first ideological conflict and the first large scale clash between U S UN forces and a Communist army More than any other event it signaled the beginning of Cold War mobilization for the U S and NATO and even though the specter of international communism had since faded away the animosities of The Forgotten War threaten to flare up even today Focuses on military topics The Korean War contains articles of varying lengths on key topics that range from the origins of the conflict ground naval and air operations and tactical planning to the Truman MacArthur face off the POW issue and armistice negotiations The bulk of the Encyclopedia focuses on such military topics as the use of artillery the pioneering concept of helicopter evacuation of wounded new infantry tactics dictated by Communist POW riots civil affairs larger military units and communications There are also articles on civilian and military leaders including President Eisenhower General Ridgeway Kim Il Sung Chou En lai Syngman Rhee and others Special features Articles written by experts in the field Useful to librarians scholars researchers and students alike Includes 48 maps and photographs Covers an extraordinary range of key topics A chronology extensive bibliography and a subject index are included

The Cold War Begins in Asia Marc S. Gallicchio, 1988 The summation of more than two thousand years of one of the world's most august literary traditions this volume also represents the achievements of four hundred years of Western scholarship on China The selections include poetry drama fiction songs biographies and works of early Chinese philosophy and history rendered in English by the most renowned translators of classical Chinese literature Arthur Waley Ezra Pound David Hawkes James Legge Burton Watson Stephen Owen Cyril Birch A C Graham Witter Bynner Kenneth Rexroth and others Arranged chronologically and by genre each chapter is introduced by definitive quotes and brief introductions chosen

from classic Western sinological treatises Beginning with discussions of the origins of the Chinese writing system and selections from the earliest genre of Chinese literature the Oracle Bone inscriptions the book then proceeds with selections from early myths and legends the earliest anthology of Chinese poetry the Book of Songs early narrative and philosophy including the I Ching Tao te Ching and the Analects of Confucius rhapsodies historical writings magical biographies ballads poetry and miscellaneous prose from the Han and Six Dynasties period the court poetry of the Southern Dynasties the finest gems of Tang poetry and lyrics stories and tales of the Sui Tang and Five Dynasties eras Special highlights include individual chapters covering each of the luminaries of Tang poetry Wang Wei Li Bo Du Fu and Bo Juyi early literary criticism women poets from the first to the tenth century C E and the poetry of Zen and the Tao Bibliographies explanatory notes copious illustrations a chronology of major dynasties and two way romanization tables coordinating the Wade Giles and pinyin transliteration systems provide helpful tools to aid students teachers and general readers in exploring this rich tradition of world literature

The Encyclopedia of the Korean War Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC CLIO's distinguished list of reference works on military history The Encyclopedia of the Korean War A Political Social and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U S involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume
