**Practical MATLAB for Engineers - 2 Volume Set** Misza Kalechman, 2018-10-08. A comprehensive and accessible primer, this two-volume tutorial immerses engineers and engineering students in the essential technical skills that will allow them to put Matlab to immediate use. The first volume covers concepts such as functions, algebra, geometry, arrays, vectors, matrices, trigonometry, graphs, pre-calculus and calculus. It then delves into the Matlab language, covering syntax, rules, notation, operations, computational programming. The second volume illustrates the direct connection between theory and real applications. Each chapter reviews basic concepts and then explores those concepts with a number of worked-out examples.

**CFA Program Curriculum 2020 Level II, Volumes 1-6 Box Set** CFA Institute, 2019-08-13. All CFA Program exams through November 2021 will reflect the 2020 curriculum. Purchase your copy and begin studying for Level II now. The CFA Program Curriculum 2020 Level II Box Set provides candidates and other motivated investment professionals with the official curriculum tested on the Level II CFA exam. This set includes practical instruction on the 10 core topics covered in the Candidate Body of Knowledge (CBOK) to prepare readers for their 2020 or 2021 Level II exam windows. Beyond the fundamentals, this set also offers expert guidance on how the CBOK is applied in practice. The Level II CFA Program Curriculum focuses on complex analysis and asset valuation; it is designed to help candidates use essential investment concepts in real-world situations analysts encounter in the field. Topics explored in this box set include ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments and portfolio management. Visuals like charts, graphs, figures and diagrams illustrate complex material covered on the Level II exam, and practice questions with answers help you understand your study progress while reinforcing important content. The CFA Program Curriculum 2020 Level II Box Set builds from the foundational investment skills covered in Level I. This set helps you incorporate analysis skills into case evaluations, master complex calculations and quantitative techniques, understand the international standards used for valuation and analysis, gauge your skills and understanding against each Learning Outcome Statement. Perfect for anyone considering the CFA designation or currently preparing for a 2021 exam window, the 2020 Level II Box Set is a must-have resource for applying the skills required to become a Chartered Financial Analyst.

Level II focuses on complex analysis with an emphasis on asset valuation and is designed to help you use investment concepts appropriately in situations analysts commonly face. Coverage includes ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments, and portfolio management, organized into individual study sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams, and financial statements illustrate complex concepts to facilitate retention, and practice questions with answers allow you to gauge your understanding while reinforcing important concepts. While Level I introduced you to basic foundational investment skills, Level II requires more complex techniques and a strong grasp of valuation methods. This set dives deep into practical application, explaining complex topics to help you understand and retain critical concepts and processes. Incorporate analysis skills into case evaluations. Master complex calculations and quantitative techniques. Understand the international standards used for valuation and analysis. Gauge your skills and understanding against each Learning Outcome Statement. CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools. Level II focuses on application of concepts and analysis, particularly in the valuation of assets, and Level III builds toward synthesis across topics with an emphasis on portfolio management.

**Cities in a World Economy** Saskia Sassen, 2018-05-30. Cities in a World Economy examines the emergence of global cities as a new social formation. As sites of rapid and widespread developments in the areas of finance, information, and people, global cities lie at the core of the major processes of globalization. The book features a cross-disciplinary approach to urban sociology using global examples and discusses the impact of global processes on the social structure of cities. The Fifth Edition reflects the most current data available and explores recent debates such as the role of cities in mitigating environmental problems, the global refugee crisis, Brexit, and the rise of Donald Trump in the United States.
