Serving The Nation Cultures Of Service Association Citizenship:

Serving the Nation Carey Anthony Watt, 2005 This title examines the social and political impact of philanthropical work carried out in the early 1900s by Hindu organisations in North India It charts the emergence of a culture of service challenging concepts of the Indian nation state and its relationship to civil society **Citizen Refugee** Udit Sen, 2018-08-30 Explores how refugees were used as agents of nation building in India leading to gendered and caste ridden policies of rehabilitation **Becoming Imperial Citizens** Sukanya Banerjee, 2010-06-17 By examining how Indians formulated notions of citizenship across the British empire from the late nineteenth century through the early twentieth Sujatha Banerjee theorizes modes of citizenship decoupled from the rights conferring nation state **Serving the Nation** Carey Anthony Watt, 2005 The Book Is An Innovative Analysis Of Social Service And Philanthropic Efforts In Late Colonial India In The Context Of Broader Social Cultural And Political Developments The Book Also Demonstration How Organizations Such As The Servants Of India Society Contributed To The Emergence Of A Vibrant Network Of Associations And The Invigoration Of India S Public Life Rethinking Popular Representation O. Törnquist, N. Webster, K. Stokke, 2009-12-21 This book starts out from the deep concern with contemporary tendencies towards depoliticisation of public issues and popular interests and makes a case for rethinking more democratic popular representation It outlines a framework for popular representation examines key issues and experiences and provides a policy oriented conclusion **Civilizing Missions in Colonial and Postcolonial South Asia** Carey A. Watt, Michael Mann, 2011-03-15 Civilizing Missions in Colonial and Postcolonial South Asia offers a series of analyses that highlights the complexities of British and Indian civilizing missions in original ways and through various historiographical approaches The book applies the concept of the civilizing mission to a number of issues in the colonial and postcolonial eras in South Asia economic development state building pacification nationalism cultural improvement gender and generational relations caste and untouchability religion and missionaries class relations urbanization NGOs and civil society **History, Historians and Development Policy** C.A. Bayly, Vijayendra Rao, Simon Szreter, Michael Woolcock, 2020-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license If history matters for understanding key development outcomes then surely historians should be active contributors to the debates informing these understandings This volume integrates for the first time contributions from ten leading historians and seven policy advisors around the central development issues of social protection public health public education and natural resource management How did certain ideas and not others gain traction in shaping particular policy responses How did the content and effectiveness of these responses vary across different countries and indeed within them Achieving this is not merely a matter of seeking to know more about specific times places and issues but recognising the distinctive ways in which historians rigorously assemble analyse and interpret diverse forms of evidence This book will appeal to students and scholars in development studies history international relations politics and geography as well as

policy makers and those working for or studying NGOs **Affective Trajectories** Hansjörg Dilger,Astrid Bochow,Marian Burchardt,Matthew Wilhelm-Solomon,2020-02-28 The contributors to Affective Trajectories examine the mutual and highly complex entwinements between religion and affect in urban Africa in the early twenty first century tracing the myriad ways religious ideas practices and materialities interact with affect to configure life in urban African spaces Imagining Childhood, Improving Children Catriona Ellis,2023-08-24 This book considers the history of children and childhood in late colonial south India Juvenile Nation Stephanie Olsen,2014-01-16 In the first five months of the Great War one million men volunteered to fight Yet by the end of 1915 the British government realized that conscription would be required Why did so many enlist and conversely why so few Focusing on analyses of widely felt emotions related to moral and domestic duty Juvenile Nation broaches these questions in new ways Juvenile Nation examines how religious and secular youth groups the juvenile periodical press and a burgeoning new group of child psychologists social workers and other experts affected society s perception of a new problem character the adolescent By what means should this character be turned into a fit citizen Considering qualities such as loyalty character temperance manliness fatherhood and piety Stephanie Olsen discusses the idea of an informal education focused on building character through emotional control and how this education was seen as key to shaping the future citizenry of Britain and the Empire Juvenile Nation recasts the militarism of the 1880s onwards as part of an emotional outpouring based on association to family to community and to Christian cultural continuity Significantly the same emotional responses explain why so many men turned away from active militarism with duty to family and community perhaps thought to have been best carried out at home By linking the historical study of the emotions with an examination of the individual s place in society Olsen provides an important new insight on how a generation of young men was formed **The Making of an Indian Metropolis** Prashant Kidambi,2016-12-05 This book explores the social history of colonial Bombay in the late Victorian and Edwardian eras a pivotal time in its emergence as a modern metropolis Drawing together strands that hitherto have been treated in a piecemeal fashion and based on a variety of archival sources the book offers a systematic analytical account of historical change in a premier colonial city In particular it considers the ways in which the turbulent changes unleashed by European modernity were negotiated appropriated or resisted by the colonised in one of the major cities of the Indian Ocean region A series of crises in the 1890s triggered far reaching changes in the relationship between state and society in Bombay The city s colonial rulers responded to the upheavals of this decade by adopting a more interventionist approach to urban governance The book shows how these new strategies and mechanisms of rule ensnared colonial authorities in contradictions that they were unable to resolve easily and rendered their relationship with local society increasingly fractious The study also explores important developments within an emergent Indian civil society It charts the density and diversity of the city s expanding associational culture and shows how educated Indians embraced a new ethic of social service that sought to improve and uplift the urban poor In conclusion the book reflects on

the historical legacy of these developments for urban society and politics in postcolonial Bombay This wide ranging work will be essential reading for specialists in British imperial history postcolonial studies and urban social history It will also be of interest to all those concerned with the comparative history of governance and public culture in the modern city

Citizenship and Its Discontents Niraja Gopal Jayal, 2013-02-15 The idea of citizenship in India has evolved from legal status to rights to identity over the past century Early optimism for a true republic of equals is challenged today Once seen as an anomaly India is where every major theoretical debate about citizenship is being enacted and a place no global discussion of citizenship can afford to ignore

Reading with Allah Nilanjana Gupta, 2012-03-15 This book traces the emergence and flourishing of madrasas and the myriad ways in which they impact upon local Muslim communities especially in West Bengal It also addresses identity secular education and gender in this context while exploring the myths that surround these institutions

Debating Women's Citizenship in India, 1930-1960 Annie Devenish, 2021-12-30 Debating Women's Citizenship 1930-1960 is about the agency of Indian feminists and nationalists whose careers straddle the transition of colonial India to an independent India It addresses some of the critical aspects of the encounter engagement and dialogue between the Indian state and its women citizens in particular how this generation conceptualised the relationship between citizenship equality and gender justice and the various spheres in which the meaning and application of this citizenship was both broadened and narrowed renegotiated and pursued The book focuses on a cohort of nationalists and feminists who were leading members of the All India Women's Conference AIWC and the National Federation of Indian Women NFIW Drawing on the richness and depth of life histories through autobiography and oral interviews together with archival research this book excavates the mental products of these women's lives their ideas their writings and their discourse to develop a deeper and more nuanced understanding of the feminist political personas of this generation and how these personas negotiated the political and social terrains of their time The book attempts to produce a new picture of this era one in which there was far more activity and engagement with the state and with civil society on the part of this generation than previously acknowledged

Scouting Frontiers Nelson R. Block, Tammy M. Proctor, 2009-01-23 Despite the fact that Scouting has touched the lives of a quarter of a billion boys and girls and their leaders around the world in the past century its history has been largely ignored Scouting Frontiers Youth and the Scout Movement's First Century is the first book to discuss the history and principal themes of the Boy Scout and Girl Guide movements on an international scale Inspired by presentations at the ground breaking 2008 Johns Hopkins University symposium Scouting A Centennial History the authors examine the world's greatest youth movement through the diverse experiences of its members and their organizations From Muslim Scouts in Wales to French Scouts in Syria to Girl Guides in colonial Kenya Scouting has responded to the challenges of international expansion and transformed itself to address cultural political and social diversity Scouting Frontiers focuses particularly on the intersections between Scouting's origins and its transformations over the last century as it faced frontiers of nation

empire religion race class and gender Recovering Liberties C. A. Bayly, 2011-11-10 One of the world's leading historians examines the great Indian liberal tradition stretching from Rammohan Roy in the 1820s through Dadabhai Naoroji in the 1880s to G K Gokhale in the 1900s This powerful new study shows how the ideas of constitutional and later communitarian liberals influenced but were also rejected by their opponents and successors including Nehru Gandhi Indian socialists radical democrats and proponents of Hindu nationalism Equally Recovering Liberties contributes to the rapidly developing field of global intellectual history demonstrating that the ideas we associate with major Western thinkers Mills Comte Spencer and Marx were received and transformed by Indian intellectuals in the light of their own traditions to demand justice racial equality and political representation In doing so Christopher Bayly throws fresh light on the nature and limitations of European political thought and re-examines the origins of Indian democracy **Uncivil Liberalism** Vikram Visana, 2022-11-10 Uncivil Liberalism studies how ideas of liberty from the colonized South claimed universality in the North Recovering the political theory of Dadabhai Naoroji India's pre-eminent liberal this book offers an original global history of this process by focussing on Naoroji's pre-occupation with social interdependence and civil peace in an age of growing cultural diversity and economic inequality It shows how Naoroji used political economy to critique British liberalism's incapacity for civil peace by linking periods of communal rioting in colonial Bombay with the Parsi minority's economic decline He responded by innovating his own liberalism characterized by labour rights economic republicanism and social interdependence maintained by freely contracting workers Significantly the author draws attention to how Naoroji seeded Western thinkers with his ideas as well as influencing numerous ideologies in colonial and post-colonial India In doing so the book offers a compelling argument which reframes Indian nationalists as global thinkers **In the club** Benjamin B Cohen, 2015-05-01 In the club presents a comprehensive examination of social clubs across South Asia arguing for clubs as key contributors to South Asia's colonial associational life and civil society Using government records personal memoirs private club records and club histories themselves In the club explores colonial club life with chapters arranged thematically the legal underpinnings of clubs their physical locations and compositions their financial health the role of servants and staff as employees of clubs issues of race and class in clubs women's clubs and finally clubs in their postcolonial milieus This book will be critical reading for scholars of South Asia graduate students and intellectually engaged club members alike India Today Stuart Corbridge, John Harriss, Craig Jeffrey, 2013-04-03 Twenty years ago India was still generally thought of as an archetypal developing country home to the largest number of poor people of any country in the world and beset by problems of low economic growth casteism and violent religious conflict Now India is being feted as an economic power house which might well become the second largest economy in the world before the middle of this century Its democratic traditions moreover remain broadly intact How and why has this historic transformation come about And what are its implications for the people of India for Indian society and politics These are the big questions addressed in this book by three scholars who

have lived and researched in different parts of India during the period of this great transformation Each of the 13 chapters seeks to answer a particular question When and why did India take off How did a weak state promote audacious reform Is government in India becoming more responsive and to whom Does India have a civil society Does caste still matter Why is India threatened by a Maoist insurgency In addressing these and other pressing questions the authors take full account of vibrant new scholarship that has emerged over the past decade or so both from Indian writers and India specialists and from social scientists who have studied India in a comparative context India Today is a comprehensive and compelling text for students of South Asia political economy development and comparative politics as well as anyone interested in the future of the world s largest democracy

Planting Empire, Cultivating Subjects Lynn Hollen Lees, 2017-12-21 Planting Empire Cultivating Subjects examines the stories of ordinary people to explore the internal workings of colonial rule Chinese Indians and Malays learned about being British through the plantations towns schools and newspapers of a modernizing colony Yet they got mixed messages from the harsh racial hierarchies of sugar and rubber estates and cosmopolitan urban societies Empire meant mobility fluidity and hybridity as well as the enactment of racial privilege and rigid ethnic differences Using sources ranging from administrative files court transcripts and oral interviews to periodicals and material culture Professor Lees explores the nature and development of colonial governance and the ways in which Malayan residents experienced British rule in towns and plantations This is an innovative study demonstrating how empire brought with it both oppression and economic opportunity shedding new light on the shifting nature of colonial subjecthood and identity as well as the memory and afterlife of empire

Serving The Nation Cultures Of Service Association Citizenship Introduction

In today's digital age, the availability of Serving The Nation Cultures Of Service Association Citizenship books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Serving The Nation Cultures Of Service Association Citizenship books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Serving The Nation Cultures Of Service Association Citizenship books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Serving The Nation Cultures Of Service Association Citizenship versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Serving The Nation Cultures Of Service Association Citizenship books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Serving The Nation Cultures Of Service Association Citizenship books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Serving The Nation Cultures Of Service Association Citizenship books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Serving The Nation Cultures Of Service Association Citizenship books and manuals for download have transformed the way we access information.
