A Family Outing Ruby Remenda Swanson,2016-09-15 Ruby Swanson's life changed when her sixteen year old son walked to her office closed the door and with his hand still on the doorknob said I m gay Despite her initial reaction of shock fear and denial Ruby became a public advocate for equality and acceptance of the LGBT community A Family Outing is the story of Ruby's experiences She addresses the deeply homophobic time in which baby boomers grew up the emergence of the gay rights movement and how the AIDS epidemic transformed the LGBT landscape A Family Outing is a memoir about discovering gay great uncles and learning about their lives It is about operating spotlights at a drag queen show and about marching in Pride Parades It is about the discrimination that gay people continue to face today and what emerges from the direct clear eyed prose Finally it is the picture of a woman who endured taunts from religious fundamentalists and political protestors to become an LGBT advocate

Z. Mindich,2019-08-15 Today s students have a world of knowledge at their fingertips and no longer need textbooks filled with names and dates crammed into a single volume The Mediated World takes as its starting point the understanding that readers want a compelling story a good read an intelligent analysis and a new way of looking at the media revolutions around us It is designed as a life line to help students understand and interpret the sea of media washing over us all In this text David Mindich writes for students who want to understand how we communicate to one another how we process our world and how the media shapes us His engaging and narrative style focuses on concepts and real world contexts he avoids a dry recitation of facts that helps students understand their own personal relationship with media and gives them the tools to push back against the media forces One of the primary goals of The Mediated World is to empower readers by giving them a thorough understanding of the media and by teaching them how to counter the force of the media and at the same time use this force for their own ends Readers of this book come to recognize that they have the potential to be not only active consumers of media but producers of it on a scale never seen before Visit www.themediatedworld.com to learn more about this book *It's Not Easy Being Green* Jim Henson,2011-11-08 A collection of wise and witty quotes from and inspired by Jim Henson similar in format to The World According to Mister Rogers When I was young it was my ambition to be one of the people who made a difference in this world My hope is to leave the world a little better for my having been there It s a wonderful life and I love it Jim Henson Yeah well I ve got a dream too But it s about singing and dancing and making people happy That s the kind of dream that gets better the more people you share it with And well I ve found a whole bunch of friends who have the same dream And it kind of makes us like a family Kermit the Frog The Muppet Movie *The Horse That Won't Go Away* Thomas Heinzen,Scott Lilienfeld,Susan A. Nolan,2014-12-30 Can a horse really do arithmetic For a time a great many people thought so enthralled by the exploits of Clever Hans a horse that could seemingly answer any question about mathematics language and music with stomps of his hoof Even as celebrated scientists endeavored to discover Hans s secret people were perfectly comfortable believing something no rational mind should have accepted How is that possible In The Horse That Won t Go Away Tom Heinzen Scott Lilienfeld and Susan Nolan explore the confounding story of Clever Hans and how we continue to be deceived by beliefs for which there is no supporting logic or evidence From Clever Hans to the unsupported claims that facilitated communication could allow persons with autism to communicate to the exaggerated fear of many parents that their child may be kidnapped the odds of such an event are astronomical the authors show just how important it is to rely on the scientific method as we

navigate our way through everyday life
