Hollyworld Aida Hozic, 2018-10-18

Hollywood is currently one of the largest and most profitable sectors of the U S economy In just a few decades it has transformed itself from a dying company town into a merchandising emporium of movies games and licensed characters It is quickly moving even further into cyberspace virtual reality and digital imaging Aida Hozic writes of these enormous changes in the film industry from a novel perspective by tracing shifts in spatial organization of film production from the enclosed worlds of old Hollywood studios through globally dispersed location shooting to digital production and distribution Hozic's fascinating tale

of latter day capitalism suggests that the physical reorganization of production across the American economy but in Hollywood in particular alters material and conceptual boundaries between work and leisure public and private reality and fantasy Particular economic regimes and forms of spatial organization have specific moral implications and so the story of Hollywood's cultural production is partly a story of censorship and moral surveillance Hozic's account of industrial change in Hollywood and of its attempts at moral control over the production of fantasy is an illuminating confrontation with the peculiar nature of Hollywood's political authority and of its complex power

Film William H. Phillips, 2009-01-02 This clear well illustrated text takes the reader through the basics of film analysis drawing on a wide range of film for discussion Questions of genre and the contexts and meanings of film are considered The Movies as a World Force Ryan Jay Friedman, 2019-02-04 Throughout the silent feature era American artists and intellectuals routinely described cinema as a force of global communion a universal language promoting mutual understanding and harmonious coexistence amongst disparate groups of people In the early 1920s film industry leaders began to espouse this utopian view in order to claim for motion pictures an essentially uplifting social function The Movies as a World Force examines the body of writing in which this understanding of cinema emerged and explores how it shaped particular silent films and their marketing campaigns The utopian and universalist view of cinema the book shows represents a synthesis of New Age spirituality and the new liberalism It provided a framework for the first official written histories of American cinema and persisted as an advertising trope even after the transition to sound made movies reliant on specific national languages

Born to Be Hurt Sam Staggs, 2024-06-04 In a passionate and witty behind the scenes expose the author of All About All About Eve takes on the classic 1959 Douglas Sirk film starring Lana Turner Few films inspire the devotion of Imitation of Life one of the most popular films of the 50s a split personality drama that's both an irresistible women's picture and a dark commentary on ambition motherhood racial identity and hope lost and found Born to be Hurt is the first in depth account of director Sirk's masterpiece Lana Turner on the brink of personal and professional ruin starred as Lora Meredith African American actress Juanita Moore played her servant and dearest friend and Sandra Dee and Susan Kohner their respective daughters caught up in the heartbreak of the black passing for white daughter in the 1950s Both Moore and Kohner were Oscar nominated as Best Supporting Actress Sam Staggs combines vast research extensive interviews with surviving cast members and superb storytelling into a masterpiece of film writing Entertaining saucy and incisive this is irresistible reading for every film fan

The Wrong House Steven Jacobs, 2007 Architecture plays an important role In the films of Alfred Hitchcock Steven Jacobs devotes lengthy discussion to a series of domestic buildings with the help of a number of reconstructed floor plans made specially for this book

When Blanche Met Brando Sam Staggs, 2006-07-25 Exhaustively researched and almost flirtatiously opinionated When Blanche Met Brando is everything a fan needs to know about the ground breaking New York and London stage productions of Williams Streetcar as well as the classic Brando Leigh film Sam Staggs interviews with all the living cast

members of each production will enhance what's known about the play and movie and help make this book satisfying as both a pop culture read and as a deeper piece of thinking about a well known story. Readers will come away from this book delighted with the juicy behind-the-scenes stories about cast, director, playwright and the various productions and will also renew their curiosity about the connection between the role of Blanche and Vivien Leigh's insatiable sexual appetite and later descent into breakdown. They may also for the first time question whether the character of Blanche was actually mad or whether her anxiousness was symptomatic of another disorder. *A Streetcar Named Desire* is one of the most haunting and most studied modern plays. Staggs' new book will fascinate fans and enrich newcomers' understanding of its importance in American theater and movie history.

[A Comprehensive Encyclopedia of Film Noir](#) John Grant, 2023-09-21. Featuring rumpled PIs, shyster lawyers, corrupt politicians, double crossers, femmes fatales and of course losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days and even before looking at some of noir's ancestors in US and European cinema as well as noir's more recent offshoots from neonoirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world from every continent save Antarctica, with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors and writers. With coverage of blockbusters and program fillers from *Going Straight* (US, 1916) to *Broken City* (US, 2013), via *Nora Inu* (Japan, 1949), *O Anthropos tou Trainou* (Greece, 1958), *El Less Wal Kilab* (Egypt, 1962), *Reportaje a la Muerte* (Peru, 1993), *Zift* (Bulgaria, 2008) and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile.

Martin Scorsese Vincent LoBrutto, 2007-11-30. Martin Scorsese's current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence. He is widely considered America's best living film director and his *Taxi Driver* and *Raging Bull* appear frequently on worldwide surveys of the best films of all time. Here, in the first biographical account of this artist's life, Vincent LoBrutto traces Scorsese's Italian American heritage, his strict Catholic upbringing, the continuing role of religion in his life and art, his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career. Meanwhile, the filmmaker's humble, soft-spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality. Scorsese's intense passion, his private relationships, his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time. In addition, the book includes an interview with the director as well as filmographies cataloging his work as a director, producer, actor and presenter. As his Best Director award at the 2007 Oscars clearly demonstrated, Scorsese has become something like Hollywood royalty in recent years, finally enjoying the insider status and favor that eluded him for most of his career. But these recent developments aside, Scorsese is also notable as a distinctly American type of artist, one whose work created in a

medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In Martin Scorsese A Biography readers can examine not only the work of one of the form s genuine artists but also the forces that have propelled the man behind it **Film - An International**
