James, 2007-10-01 What is the relationship between poetry and power Should poetry be considered a mode of authority or an
impotent medium And why is it that the modern poets most commonly regarded as authoritative are precisely those whose
works wrestle with a sense of artistic inadequacy Such questions lie at the heart of this study prompting fresh insights into
three of the most important poets of recent decades Robert Lowell Geoffrey Hill and Seamus Heaney Through attentive close
reading and the tracing of dominant motifs in each writer's works James shows how their responsiveness to matters of
political and cultural import lends weight to the idea of poetry as authoritative utterance as a medium for speaking of and to
the world in a persuasive memorable manner And yet as James demonstrates each poet is exercised by an awareness of his
own cultural marginality even by a sense of the limitations and liabilities of language itself *Catalog of Copyright Entries.*
