Silent Invaders Gary A. Best,2017-05-17 The guys would come into the glider like a bunch of piss ants skittering around real cocky like But they settled down in the glider Some got airsick and they began thinking about what was ahead One time we were fired on just as we were landing and exiting the glider and one of the boys was hit His friends dragged him to cover beneath a tree He looked up at me and said Take my rifle I m dying I reached down and took his weapon and he slumped back and died That was pretty tough Combat gliders were called by some as Death Crates Purple Heart Boxes Flying Coffins and Tow Targets They were not pretty and had no graceful lines Viewed from the front they had a pug nose and a sloping Neanderthal forehead Their wings looked like the heavily starched ears of a jackrabbit placed at right angles on a canvas covered frame Twice the length of the body these wings were eighty four feet in length 70 per cent as long as the Wright Brothers first powered flight at Kitty Hawk They could not become airborne let alone fly unless assisted by an engine powered tow plane And for those riding in the back it was like flying through the gates of hell The men who were trained and assigned to guide gliders into battle were said to be the only pilots who had no motors armament parachutes and no second chances Like the aircraft they commanded they were called inglorious names such as The Bastards Nobody Wanted Glider Gladiators in Wooden Chariots Hybrid Jackasses and Glory Boys Beautifully written profoundly illustrated and researched Silent Invaders Combat Gliders of the Second World War is a work that is dedicated to those brave men under impossible odds from the British and American servicemen on D Day the doomed Operation Market Garden in Holland and Hitler s radical commando raid to rescue Mussolini Illustrations 80 black and white photographs

One Nation Under God James P. Moore, Jr.,2007-12-18 In this highly original approach to the history of the United States James Moore focuses on the extraordinary role that prayer has played in every area of American life from the time of the first settlers to the present day and beyond A stirring chronicle of the spiritual life of a nation One Nation Under God shows how the faith of Americans from the founding fathers to corporate tycoons from composers to social reformers from generals to slaves was an essential ingredient in the formation of American culture character commerce and creed One Nation Under God brings together the country s hymns patriotic anthems arts and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today Beginning with Native Americans One Nation Under God traces the prayer lives of Quakers and Shakers Sikhs and Muslims Catholics and Jews from their earliest days in the United States through the advent of cyberspace the aftermath of 9 11 and the 2004 presidential election It probes the approach to prayer by such diverse individuals as Benjamin Franklin Elvis Presley Frank Lloyd Wright Martha Graham J C Penney Mary Pickford Cesar Chavez P T Barnum Jackie Robinson and Christopher Columbus It includes every president of the United States as well as America s farmers clergy immigrants industrialists miners sports heroes and scientists One Nation Under God shows that without prayer the political cultural social and even economic and military history of the United States would be vastly different from what it is today It engages in a thoughtful timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country s founding fathers a subject which remains distinct from the debate over church and state

South Pacific Diary, 1942-1943 Mack Morriss,2021-12-14 A unique chronicle of the war from the perspective of a sensitive twenty four year old sergeant who wrote for the Army s in house paper Yank the Army Weekly and a tale of the South Pacific that will not soon be forgotten Correspondent Mack Morriss reluctantly left his diary in the Honolulu Yank office in July 1943 Here is contained an account of the past eight and one half months he wrote in his last entry a period which I shall never forget The next morning he was on a plane headed back to the South Pacific and the New Georgia battleground Morriss was working out of the press camp at Spa Belgium in January 1945 when he learned that the diary he had kept in the South Pacific had arrived in a plain brown wrapper at the New York office He was so happy to know that this impossible thing had happened he wrote to his wife that he helped two friends murder a quart of scotch What was preserved and appears in print here for the first time is a unique chronicle of the war in the South Pacific from the perspective of a sensitive twenty four year old sergeant This is an intensely personal account reporting the war from the

ridge known as the Sea Horse on Guadalcanal from the bars and dance halls of Auckland to a B 17 flying through the moonlit night to bomb Japanese installations on Bougainville Morriss thought deeply and wrote movingly about everything connected with the war the sordiness and heroism the competence and ineptitude of leaders the strange mixture of constant complaint and steady courage of ordinary GIs friendships formed under combat stress and above all what he perceived to be his own indecisiveness and weaknesses Ronnie Day introduces Morriss s diary and illuminates the work with extensive notes based on private papers government documents travel in the Solomon Islands and the recollections of men mentioned in the diary
