## Seven Days:

**Seven Days of Creation** Donna Russell, 2024-08-06 The Seven Days of Creation teaches us that God is the creator of this world He puts everything in it for us Do you know what God made each day This interactive book will give you the tools to memorize each day that will last a lifetime *Seven Days of Nectar* McComas Taylor, 2016-07-01 The thousand year old Sanskrit classic the Bhagavatapurana or Stories of the Lord is the foundational source of narratives concerning the beloved Hindu deity Krishna For centuries pious individuals families and community groups have engaged specialist scholar orators to give week long oral performances based on this text Seated on a dais in front of the audience the orator intones selected Sanskrit verses from the text and narrates the story of Krishna in the local language These sacred performances are thought to bring blessings and good fortune to those who sponsor perform or attend them Devotees believe that the narratives of Krishna are like the nectar of immortality for those who can appreciate them In recent years these events have grown in number scale and popularity Once confined to private homes or temple spaces contemporary performances now fill vast public arenas such as sports stadiums and attract live audiences in the tens of thousands while being simulcast around the world In *Seven Days of Nectar* McComas Taylor applies the tools of performance theory to uncover the factors that contribute to the explosive growth of this tradition His innovative approach which draws on close textual reading philology and ethnography casts new light on the ways in which narratives are experienced as authentic and transformative and more broadly how texts shape societies *Seven Days that Divide the World, 10th Anniversary Edition* John C. Lennox, 2021-10-12 Now revised and updated John Lennox's acclaimed method of reading and interpreting the first chapters of Genesis without discounting either science or Scripture What did the writer of Genesis mean by the first day Are the seven days in Genesis 1 a literal week or a series of time periods If I believe that the earth is 4.5 billion years old as cosmologists believe am I denying the authority of Scripture With examples from history a brief but thorough exploration of the major interpretations and a look into the particular significance of the creation of human beings Lennox suggests that Christians can heed modern scientific knowledge while staying faithful to the biblical narrative He moves beyond a simple response to the controversy insisting that Genesis teaches us far more about the God of Jesus Christ and about God's intention for creation than it does about the age of the earth With this book Lennox offers a careful and accessible introduction to a scientifically savvy theologically astute and Scripturally faithful interpretation of Genesis Since its publication in 2011 this book has enabled many readers to see that the major controversy with which it engages can be resolved without compromising commitment to the authority of Scripture In this newly revised and expanded edition John clarifies his arguments responds to comments and critiques of the past decade since its first publication In particular he describes some of the history up to modern times of Jewish scholarly interpretation of the Genesis creation narrative as well as spelling out in more detail the breadth of views in the Great Tradition of interpretation due to the early Church Fathers He shows that contrary to what many people think

much of the difficulty with understanding the biblical texts does not arise from modern science but from attempting to elucidate the texts in their own right

**Decisions of the Seven Days** Matt Spruill, 2023-09-29 From June 25 to July 1 1862 Gen Robert E Lee's Army of Northern Virginia engaged Maj Gen George B McClellan's Army of the Potomac in a series of battles at the end of the Peninsula Campaign that would collectively become known as the Seven Days Battles Beginning with the fighting at the Battle of Beaver Dam Creek Lee consistently maneuvered against and attacked McClellan's Army of the Potomac as it retreated south across the Virginia Peninsula to the James River At the conclusion of the Battle of Malvern Hill Lee's second most costly battle where McClellan's strong defensive position of infantry and artillery repelled multiple frontal assaults by Lee's troops the Federal army slipped from Lee's grasp and brought the Seven Days to an end The Seven Days was a clear Confederate victory that drove the Union army away from the capital at Richmond began the ascendancy of Robert E Lee and commenced a change in the war in the Eastern Theater It set the stage for the Second Manassas Campaign followed by the Maryland Campaign of 1862 *Decisions of the Seven Days* explores the critical decisions made by Confederate and Union commanders during the Seven Days Battles and how these decisions shaped the outcome Rather than offering a history of the battles Matt Spruill hones in on a sequence of critical decisions made by commanders on both sides of the contests to provide a blueprint of the Seven Days at its tactical core Identifying and exploring the critical decisions in this way allows students of the battles to progress from knowledge of what happened to a mature grasp of why events happened Complete with maps and a driving tour *Decisions of the Seven Days* is an indispensable primer and readers looking for a concise introduction to the battles can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself *Decisions of the Seven Days* is the tenth in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War

**Seven Days of Us** Francesca Hornak, 2017-10-17 A family can't escape their secrets when they're forced to spend a week in quarantine in this sharply funny People novel an Indie Next and 1 Library Reads Pick It's Christmas and for the first time in years the entire Birch family will be under one roof Even Emma and Andrew's elder daughter who is usually off saving the world will be joining them at Weyfield Hall But Olivia a doctor is only coming home because she has to She's just returned from treating an epidemic abroad and has been told she must stay in quarantine for a week and so too should her family For the next seven days the Birches are locked down cut off from the rest of humanity and forced into each other's orbits Younger unabashedly frivolous daughter Phoebe is fixated on her upcoming wedding while Olivia deals with the culture shock of first world problems As Andrew sequesters himself in his study writing scathing restaurant reviews and remembering his glory days as a war correspondent Emma hides a secret that will turn the whole family upside down In close proximity not much can stay hidden for long and as revelations and long held tensions come to light nothing is more shocking than the unexpected guest who's about to arrive
