7 Days of Pain Marland May, 2011-10-18 7 days of pain is a biblical principle that I discovered through an intensely difficult time in my life I gravitated toward the stories of David and Job because in a week they both seemed to have endured the impossible and were healed through it I wanted desperately to recover and move past the dark years I had to ask myself extremely difficult questions in order to heal Why did this happen to me What is it going to take for

me to be free Is God torturing me Why won't He make it stop David's suffering was brought about by his pride much like my own God had to work hard in breaking him down because his pride had crept into every corner of his being Job took comfort in his unblemished relationship with God much like I did He questioned God's judicial right to cause him this pain All he wanted was for God to explain Himself just like we do There are two types of spiritual pain self-inflicted brought about by our own mistakes and growing pains brought about by God We can examine the biblical stories of King David and Job as models for reacting to suffering I want this to be as much of a sensory experience as possible I want you to connect with the Bible characters and get lost in their stories I want you to be able to overlay their stories with your experiences and find common ground As you read through this book you'll notice an uplifting song is linked with each chapter If you are struggling right now take the time to listen to each song as you read through each chapter Read the lyrics to the song and play them at least twice before moving on Allow the Spirit of God to seep in and scrub away what doesn't belong The objective isn't for you to be pain free at the end of this book although I believe God can do that The intent is to peel you off the ground and get you up onto your knees in seven days My pain was still present but I could feel the warmth of the sun at the end of my tunnel I would love to hear how God has brought you through your dark shadows

[The Framework of the Story of Jesus](#) Karl Ludwig Schmidt,2021-04-14 Now available for the first time in English Karl Ludwig Schmidt s The Framework of the Story of Jesus Der Rahmen der Geschichte Jesu has been a foundation of New Testament studies Through meticulous analysis Schmidt demonstrates that the Synoptic Gospels are collections of individual stories that circulated orally and independently in the earliest Christian communities In their oral forms most of these traditions existed apart from any sequence or specific temporal or geographic location The chronology and locations now evident in the Gospels Schmidt argues are frameworks that the evangelists applied to the stories while collecting and recording the oral traditions Across much of the twentieth century and even into the present day this argument has undergirded Gospel interpretation But given that The Framework of the Story of Jesus remained untranslated Schmidt s ideas have been sometimes ignored and often misunderstood Synoptic Gospels discussion and study will surely be enriched by engagement with the evidence and argument of this classic
