M. Simataa, 2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore The Seven Days Claire Wilcox, 2021-12-15 Anyone who has ever found the configuration of the Bible to be confusing will enjoy The Seven Days Making Sense of the Bible's Structure Claire Wilcox asks If all Scripture is God breathed then wouldn't the Bible's structure also be divinely inspired For both veteran and new readers of the Bible this book provides a thought provoking look at the creation that reveals God's plan for salvation woven throughout the structure of the Bible Its canonical sequence of sixty six books finally makes sense Rather than a stand alone narrative the first creation story of Genesis can be read as the thematic key to the God breathed structural organization of the Bible By correlating sense and structure to the entire biblical canon for each of the seven days of creation the author breaks new ground Discover great and hidden things that go far beyond anything you ve ever known by using structural analysis to understand the Bible The Seven Angels of Peace Sarah Anne Barker, 2019-12-05 The 7 Angels of Peace is a living breathing teaching from the heart This book lifts the veil on the world of the Essenes and their angels and the gifts of peace they have to offer us A complete peace which embraces the seven aspects of our lives our body and mind relationships work beliefs the Earth and our Divinity Sarah Anne Barker brings to life this ancient teaching from the fresh perspective of the angels As a spiritual teaching which is relevant for the modern world.
