Nienhauser, 1986 A veritable feast of concise useful reliable and up to date information all prepared by top scholars in the field Nienhauser's now two volume title stands alone as THE standard reference work for the study of traditional Chinese literature Nothing like it has ever been published Choice The second volume to The Indiana Companion to Traditional Chinese Literature is both a supplement and an update to the original volume Volume II includes over 60 new entries on famous writers works and genres of traditional Chinese literature followed by an extensive bibliographic update 1985 1997 of editions translations and studies primarily in English Chinese Japanese French and German for the 500 entries of Volume I      Lu Hsün and his Predecessors V. I. Semanov, 2018-10-24 Originally published in 1980 Alber's translation of Semanov's study aimed to contribute to the studies of Chinese literature and the knowledge of Lu Hsün's work to an English speaking reader Lu Hsün was an influential democrat and humanist in early twentieth Century China and his work had a great influence on literature in China Semanov therefore attempted to place his life and work in the context of his literary predecessors as well as commenting on his world view his teaching and place in history This title will be of interest to students of Asian studies and Literature      **Tales of Magistrate Bao and His Valiant Lieutenants** Yukun Shi, Susan Blader, 1998 Murder mystery and courtroom drama Chinese style Sanxia wuyi later revised and called Qixia wuyi is a semi historical narrative of adventure crime detection and courtroom drama It revolves around the famed Song dynasty magistrate Bao Zheng 999 1072 who is more commonly known as Magistrate Bao Bao Gong and is the quintessential incorruptible government official This novel derived from the oral narrative attributed to the Qing storyteller Shi Yukun fl 1870s was first published in 1879 after undergoing a complex and fascinating textual evolution The non historical component of narrative which represents the creative genius of the storyteller and his tradition revolves around a group of compelling heroes and gallants foremost among them are Zhan Zhao Hero Par Excellence Jiang Ping Diplomat Supreme and Unparalleled Underwater Genius Ai Hu Youngest of the Tried and True and the beloved Bai Yutang Gallant of Incomparable Elegance and Passion      Mouse vs. Cat in Chinese Literature , 2019-03-18 In literatures

worldwide animal fables have been analyzed for their revealingly anthropomorphic views but until now little attention has been given to the animal tales of China The complex competitive relationship between rodents vilified as thieves of grain and the felines with whom they are perennially at war is explored in this presentation of Chinese tales about cats and mice Master translator Wilt Idema situates them in an overview of animal tales in world literature in the Chinese literary tradition as a whole and within Chinese imaginative depictions of animals The tales demonstrate the animals symbolism and their unusually prominent and verbal role in the stories These readings depict cats and mice in conflict in marital bonds and in litigation most centrally in a legal case of a mouse against a cat in the underworld court of King Yama Many of the stories adopt the perspective of the mice as animals merely trying to survive while also recognizing that cats are natural hunters This entertaining volume will appeal to readers interested in Chinese literature and society comparative literature and posthumanist consideration of human animal relations

**Crazy Ji** Meir Shahar, 2020-10-26 Crazy Ji Chinese Religion and Popular Literature is the first study in any language of one of the most colorful deities in the pantheon of late imperial and modern China Sire Ji or as he is better known Crazy Ji The author uses the evolution of the cult of this eccentric deity to address central questions regarding the nature of the Chinese religion tradition its relation to the Chinese social structure and the role of vernacular fiction and popular media in shaping religious beliefs in China Meir Shara demonstrates that vernacular novels and oral literature played a major role in the dissemination of knowledge about deities and the growth of cults and argues that the body of religious beliefs and practices we call Chinese religion is inseparable from the works of fiction and drama that have served as vehicles for its transmission His analysis of the cult of Crazy Ji shows that far from being as is often argued a mirror of the Chinese bureaucratic order Chinese religion offers a means of liberation from it Finally this study of the cult of Crzy Ji illustrates how lay believers influenced the practices of organized religion in this case monastic Buddhism This study employs the analytical concepts of anthropology and literary criticism and is based on literary historical and ethnographic sources ranging from oral literature vernacular novels puppet plays television serials movies local gazetteers to monastic histories

portrait of modern China The Barefoot Lawyer tells the story of a man who has never accepted limits and always believed in the power of the human spirit to overcome any obstacle It is remarkable how Chen s lone voice was able to shake the state to its foundations Poignant and inspiring The Washington Post Riveting an eminently readable albeit chilling memoir that will grip the attention of readers everywhere Publishers Weekly Tense and tightly written a moving call to arms for the ideas of human dignity and the rule of law Kirkus Reviews An astonishing story Booklist      **Plantain Valley** Ai Wu,2013-06 Plantain Valley is a collection of short stories by the master storyteller Ai Wu Mrs Jiang in Plantain Valley Mrs Zhou in A Woman s Tragedy and Mrs Shiqing in Mrs Shiqing are all workwomen of the underclass in the border area They live in endurance and diligence with the mere hope of rudimentary living and that their family members will remain safe However in the Ghostlike World of the old days the ubiquitous darkness suffocates them so they cannot escape from all this even though they bear a strong desire for living and show obscure actions of resistance Readers see a series of tragedies and suffering in that society and no matter if alive or dead people are better dead than alive due to these tragedies      Scotland and China ,2025-02-20 This volume written by young and established scholars surveys the role of China in Scottish literature and the translation and reception of Scottish literature in China Part 1 considers how the image of China has been constructed by Scottish writers Topics include the translation of classical and contemporary Chinese literature into both Scots and English and orientalist tropes in Scottish fiction Part 2 discusses how Chinese translators over a turbulent century have rendered into Chinese the work of writers from Robert Burns to David Greig It also shows how commercial success in today s China can shape a writer s career      **Judge Bao and the Rule of Law** Wilt L.
