Seven Letters To Seven Churches Breaking The Bread Of Revelation:

Seven Letters to Seven Churches Brian K. McCallum,1989-07 *Seven Letters to Seven Churches* Brian McCallum,1989

Seven Letters to Seven Churches is the second volume in Brian McCallum's Breaking the Bread of Revelation series. In it, he focuses on the brief letters recorded in Revelation chapters 2 and 3. These two chapters of Revelation provide a picture of Jesus Christ, the Head of the Church, ministering to His Body today. Author Brian McCallum says, "My heart's desire is that pastors and teachers everywhere in Christendom will preach and teach these truths to their local congregations, thus emphasizing by the anointing of the Holy Spirit things which are essential to the Church's overcoming in our day and fulfilling her Great Commission." Although written to first-century Christians, the letters commend, warn, and encourage all overcomers: believers who are living and growing in Christ and obeying His commands. Questions addressed include: What is a Christian's first love and how can it be maintained? What sin, when tolerated, weakens the Church the most? How can we live so the Lord has no need to rebuke us? God doesn't want us to wait until we get to Heaven to be overcomers. He has made it possible for us to live now in the privileges He gives us. **Breaking the Bread of Revelation** Brian K. McCallum,1988-09

Here, he pens down heaven-bound guarantee and mind-blowing reward for all believers who have been called to carry their crosses and follow him. He highlights that God is the highest and most faithful boss who lives; a paymaster who pays more than any multinational a hundred percent here on earth and in the life after. He expresses inexplicable passion and comfort for ministers and missionaries the world over for laying down their lives for the Word of God and the testimony of Jesus Christ who was, and is, and is to come. Revelation For the Final Generation Dr. Tim Piland,2025-03-11 All around us, things seem to be falling apart. Partisan politics have divided us; international conflicts threaten us; and inflation has all but eradicated the American dream. Where is all this headed? Is there any hope for the future? Two thousand years ago, a man named John became a heavenly appointed stenographer, commissioned to transcribe a letter directly from the Lord Jesus Christ to His church. That letter became the final book in the Bible and still contains the information the church needs to hear.

There will be a final generation and those people will live or die during the most challenging and tragic times this world has ever experienced That could include you and this book is intended to help you get ready to meet what the Bible calls the last days 84 The Seven Mountain Prophecy Johnny Enlow,2008 God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ says author Johnny Enlow He describes seven culture shaping areas of influence over each society media government education economy family religion and celebration arts and entertainment that are the keys to taking a nation for the kingdom of God The purpose of this book is to draw the church s attention to these areas help each individual determine his or her specific assignment in this mission and then to offer insight into the nature of the battles involved in this spiritual tsunami as the author calls it Many Christians do not grasp that God s favor for us to succeed is already upon us and is part of His end time strategy to establish Jesus as Ruler of the Nations before His return Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person s ministry assignment Many have a spiritual poverty vision and poor eschatology two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ The book is laid out to address these two misunderstandings with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times Each chapter that follows provides intensive detailed study of each mountain of influence how it will be taken and by whom and what resistance will be encountered by individuals assigned to claim this mountain **Windows to the Word** Rhonda K. Kindig,2019-06-04 Have you ever noticed that particular images such as bread or breath seem to recur throughout the Bible The more you read the Bible the more you hear these echoes Windows to the Word explores seven Biblical metaphors based on the I am the sayings in John s Gospel I am the bread of life I am the light of the world I am the gate for the sheep I am the good shepherd I am the resurrection and the life I am the way the truth and the life I am the vine When compared to the full scope of scripture we find that these metaphors have long been used to explain the mystery of the Divine Windows to the Word will provide structure and insights to these symbols to give you fresh perspective for your own understanding of the Divine Two additional essays explore the great marriage metaphor that also pervades the Bible and the possibility that John s Gospel was an early catechism or teaching text for Followers of the Way *The Seven Letters to the Seven Churches in Revelation* James Thomas Lee, Jr.,2014-04-15 The Apostle John had been exiled to the isle of Patmos because of his stand for Christ So on the Lord s Day Jesus had come to him and had commanded him to write the words that appear in the book of Revelation Revelation 1 10 11 says I was in the Spirit on the Lord s day and heard behind me a great voice as of a trumpet Saying I am Alpha and Omega the first and the last and What thou seest write in a book and send it unto the seven churches which are in Asia unto Ephesus and unto Smyrna and unto Pergamos and unto Thyatira and unto Sardis and unto Philadelphia and unto Laodicea Each of the seven letters had followed a simple but consistent pattern They had begun with a simple greeting that had stated specific characteristics of Jesus Those characteristics had been indicated to the specific church based upon what

the Lord through John would be saying to the church Following that opening characteristic Jesus had reported to each church an assessment of where they had been spiritually He had then given them a prescription for fixing their problems Lastly He had concluded each letter by giving the people in each church a promise to those that HAVE overcome In chapter one of this book the author date and occasion for the writing of the book of Revelation will be given What evidence exists to actually show that the Apostle John had written the book The four most popular approaches for understanding the book of Revelation will also be discussed Had the seven letters just been written to the seven churches or is there an expanded viewpoint about their applicability In chapter two a consideration of Proconsular Asia will be provided That is the area where the seven churches had been located So in looking at it one can better understand when the seven churches had been established One can also better understand the spiritual problems that had been prevalent in that region In chapters three through nine each of the seven letters will be carefully examined Then chapter ten will present any final thoughts and conclusions that one might draw from this kind of study As always the purpose of this book is to honor and glorify the Lord He is the beginning and the end the Alpha and the Omega He is worthy of ALL honor and glory Subject Guide to Books in Print ,1997 *The Collected Works of Witness Lee, 1988, volume 4* Witness Lee,2021-05-28 The Collected Works of Witness Lee 1988 volume 4 contains messages given by Brother Witness Lee from October 8 1988 through January 29 1989 In early October 1988 Brother Lee visited Taipei Taiwan for one month before traveling to Seoul South Korea and then back to Taipei where he remained until the middle of November He then returned to Anaheim California and remained there until the middle of December During his time in Anaheim he also ministered in Pasadena San Gabriel and Monterey Park California In mid December he traveled to Irving Texas and remained there through the early days of January 1989 The contents of this volume are divided into seventeen sections as follows 1 Four messages given in Taipei Taiwan on October 8 through 10 1988 These messages were previously published in Chinese and English in a book entitled A Timely Trumpeting and the Present Need and are included in this volume under the same title 2 Five messages given in Taipei Taiwan on October 14 through November 12 1988 These messages are included in this volume under the title The Goal and Learning for the Service in the New Way 3 Four messages given in Taipei Taiwan on October 16 through November 13 1988 These messages were previously published in Chinese and English in a book entitled The Perfecting of the Saints and the Building Up of the Body of Christ and are included in this volume under the same title 4 Four messages given in Taipei Taiwan on October 17 through November 14 1988 These messages are included in this volume under the title The Practice of the New Way and the Organic Building Up of the Body of Christ 5 Four messages given in Taipei Taiwan on October 19 through November 16 1988 These messages are included in this volume under the title Becoming Patterns of the Flock in Practicing the New Way for the Building Up of the Body of Christ 6 Seven messages given in Taipei Taiwan on October 20 through November 17 1988 These messages were previously published in Chinese and English in a book entitled Messages in Preparation for the Spread of the
