Seven Navy Subchaser:

The Seven William Edward Syers,1960 **Our Navy** ,1928 *Splinter Fleet* Theodore R Treadwell,2013-11-12 Hastily built at the onset of World War II to stop German U boats from taking their toll on Allied shipping the 110 foot wooden subchasers were the smallest commissioned warships in the U S Navy yet they saw as much action as ships ten times their size In every theater of war these expendable workhorses of the fleet escorted countless convoys of slow moving ships through submarine infested waters conducted endless mind numbing antisubmarine patrols and were used in hundreds of amphibious operations Some subchasers worked as gunboats to search for and destroy enemy barges Others rescued downed airmen and retrieved drowning soldiers under heavy enemy fire During the German occupation of Norway three American built subchasers and their Norwegian crews came to be known as The Shetlands Bus for their clandestine work as ferries the only link between Norway and the free world This book written by the commander of one of the subchasers defines their place in naval history and gives readers a taste of life on board the wooden warships Ringing with authenticity it describes the cramped quarters and unforgiving seas as well as the tenacious courage and close bonds formed by the men as they sought out the enemy and confronted nature Long overshadowed by the larger faster warships and more glamorous PT boats of World War II subchasers have been mostly forgotten This work restores the plucky little ships to their hard earned status as significant members of the fleet Congressional Record United States. Congress,1960 **The Alcalde** ,1960-11 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde Subchaser Edward Stafford,2012-10-11 In a wartime Navy of giant carriers and battleships tiny wooden subchasers did not command much attention Yet these 110 foot warships manned mostly by inexperienced reservists performed vital chores for the fleet everywhere there was action in World War II They led landing craft right up to the assault beaches protected them from fire fought off air attacks swept for mines laid down smoke screens and patrolled the sea for killer submarines One such doughty little ship subchaser 692 is the subject of this book Told by 692 s commanding officer Ed Stafford then a twenty four year old lieutenant jg on his first warship the story follows the thirty man crew as they scrapped their way through the war including action during the July 1943 invasion of Sicily Filled with humor tension poignancy and moments of high drama this volume leaves today s readers with a vivid image of life on a very small ship in a very big war **Merchant Vessels of the United States** ,1932 From 1894 95 1935 36 pt 6 of each volume is issued separately with titles 1894 95 1902 03 Code list of merchant vessels of the United States 1903 04 1935 36 Seagoing vessels of the United States Sub Chaser, the Story of a

The Curious Case of Commander Cole Jack Williams,2023-06-05 Through a clerical error superintendent of schools Jack Cole finds himself called to active duty in the United States Navy at the beginning of WWII Cole was never in the Navy and responds accordingly Thinking he is trying to avoid military service the Bureau of Naval Personnel has him apprehended and flown to Washington DC where he is given the choice of active duty or Portsmouth Naval Prison Cole accepts active duty and finds himself stumbling from one hilarious situation after another completely out of his element and totally unprepared to deal with Naval policy and procedures Aided by the misinterpretation of his actions by his crew and his unusual leadership style Cole succeeds far beyond his abilities and becomes a valuable asset to naval operations in the Mediterranean Along the way he encounters several love interests and quite by accident is able to prevent some top brass from falling victim to embarrassing incidents When the Bureau of Naval Personnel discovers their clerical error they realize it would be an embarrassment if the public was to find out To prevent this from reaching the public a bloodhound Navy captain is sent to apprehend Cole and remove him from duty without disclosing the Navy's mistake As the Navy captain tries to close in on Cole Cole's crew and superiors do everything they can to keep the Bureau of Naval Personnel from finding him However after being recognized for heroic actions during the invasion of Sicily the Navy captain finds Cole and he is put on trial Things look dire for Cole but through the intervention of his loyal crew his superiors and his love interest's uncle Lyon who turns out to be Canadian Prime Minister Lyon Mackenzie King Cole is exonerated Though fraught with potential peril at every turn the misunderstandings and outlandish actions of Cole and his crew are one hilarious adventure after another which epitomize the nature of every American who when faced with a challenge rolls up his or her sleeves and gets the job done You will laugh and cry as you ride along with Cole and his crew in this adventure but for everyone who has ever seen military duty or who has been placed in a situation far beyond their abilities and training you should find kindred spirits in this tale to enjoy as they fumble their way to success The Curious Case of Commander Cole offers readers a unique twist In addition to the humor that arises from a fish out of water story it is set against a backdrop of the author's detailed research into real places real events and real ships and aircraft of the WWII Mediterranean theater It was an educational adventure that often had me laughing out loud Mike Faust Omaha NE I really enjoyed reading this book It was well written and Jack had done a lot of research and had talked to the men that were there and lived it which made it more interesting I am recommending it to my book club Lynette Nuehring Cedar Rapids IA A book I am glad to recommend and it's by a nearby neighbor and author Jack Williams Jack congratulations Readers will laugh but also learn a lot about the LSTs and their important role in WW II That Commander Cole he was some guy Very inventive and the friends he made along the way all came thru for him when he needed a hand Dick Williams Lake Waukomis MO I was delighted to read this tale of a man determined to do the best he could under the circumstances I was impressed by the amount of detail for this time period in

the military especially the navy Great read for anyone interested in WW2 or just wants some historical fiction Surprisingly fun and respectful for a book on the military during WW2 Dr Elizabeth Campbell Kansas City MO Mr Williams writing reminded me of William Kent Krueger s This Tender Land Each turn of the page was a new adventure His character embodies the values associated with rural or mid western upbringing The first 17 chapters for sure and the book as a whole could be used as a discussion platform for qualities and characteristics of effective leadership I can envision a seminar setting where students use this book as a case study in leadership I grew up with the TV shows and movies like McHale s Navy Hogan s Heroes Down Periscope etc This book could easily serve as a series of TV episodes or a movie plot In each of these examples individuals were cast in serious situations and survived using common sense and ingenuity Throughout it all they maintained a healthy sense of humor Mr Williams characters are believable and endearing I was impressed with the technical knowledge of the unsung hero of this book the USS LST 121 The details provided about the vessel allowed me to connect with the setting and made the ship s adventures come to life The boats LST s and their commanders had much in common They each played a major role in the war effort but without much recognition It is easy to admire and become attracted to humility This was a very engaging read I found it hard to put the book down The pace was excellent I was smiling the whole time I was reading this book Mike Ruffing Carl Junction MO
