The Seven Sayings of the Savior on the Cross Arthur Walkington Pink, 2012-03-17 **The Seven Sayings of the Saviour on the Cross** Arthur Walkington Pink, 1964 *Last Words* Robert J. Nash, 2020-01-27 Jesus s words in Scripture capture who he was and what he was about His last words on the cross over two thousand years ago offer gospel hope for our spiritual journeys today In this powerful moving book author Robert J Nash explores a fresh perspective on a familiar event guiding readers into the forgiveness hope comfort and compassion of Christ s words in his final moments on earth While pivoting history Jesus graciously offers encouragement for Christians today and hope for seekers looking for significance in his death In this glimpse into the heart of Jesus Nash helps men and women find historical truths about Jesus s love for the church in his death and resurrection *Last Words* includes a reflection section for small groups and a devotional prayer at the end of each chapter to help readers relate to God For easy reference men and women can find a Scripture index in the back of the book Come and ponder the wisdom of Christ and see for yourself a new view of the cross **The Murder of Jesus** John F. MacArthur, 2004-03-30 The pieces are in place The curtain rises for the final act God is about to die An unprecedented conspiracy of injustice cruelty and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised The victim was no mere man Jesus was God in the flesh The Creator of life died How did such a thing come to be Who were the onlookers the players the fakes frauds and heroes What was it like in the Upper Room that night in the shadows of Gethsemane or in the Praetorium awaiting Pilate s verdict What is the meaning of the last words Jesus uttered as He gasped for breath on the cross What if all the facts you now so well could come alive in your mind and heart as a living story rather than as a 2000 year old ancient account By piecing together the narrative from the perspective of the participants John MacArthur invites you to relive the most awesome injustice in the history of man the unparalleled triumph of the sovereignty of God and the passion of Christ *Johannine Portrayal of Jesus* Yan Ma, 2024-12-02 This book introduces a new methodological framework based on the theory of Systemic Functional Linguistics which can examine the linguistic features of the New Testament text By applying a two step discourse analysis model that includes a functional semantic analysis and a rhetorical relational analysis this book argues that the twenty eight occurrences of I am in Jesus s utterances throughout the Gospel of John reinforce John s portrayal of Jesus s divinity In the light of John s construing of Jesus s divinity this new analysis of the Johannine I am phrases demonstrates how Johannine Christology is expressed

through the narrative of John's Gospel with various textual characteristics **Seven Words of Hope** Frank Gonzalez, 2015-06-01 Seven Words of Hope captures the seven last sayings of Jesus as He hung on Calvary's cross Father forgive them for they know not what they do Luke 23:34 Verily I say unto thee today thou shalt be with me in paradise Luke 23:43 Woman behold the son John 19:26 My God My God why hast thou forsaken me Matthew 27:46 I thirst John 19:28 It is finished John 19:30 Father into thy hands I commend my spirit Luke 23:46 Each phrase echoing through the centuries from a dying Savior contains a message of hope for you and me Listen as Christ cries out with a passionate yearning for He longs to unite His children with their heavenly Father so He can come and take us home Book jacket *The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean* Michael Southard, 2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians' writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth

The Last Word on the Cross Gary Click, 2017-02-21 The last words of a dying man reveal the innermost thoughts of his heart This was no different with our Savior as He endured the suffering of the cross During that six hour period of torment Jesus said seven things that the Scriptures have preserved for this generation This work breaks open those dying words of our Lord and reveals just what they mean for us today Preaching the Seven Last Sayings of Jesus Christ on the Cross Vincent P. Taylor, 2008-06 aAn extremely well documented book Preaching the Seven Last Sayings of Jesus Christ on the Cross addresses the historical and spiritual significances of the seven last sayings of our Lord uttered from the Cross Dr Taylor makes a bold and daring attempt to show the relevance of the seven last sayings to the Christian church From the beginning chapter aThe First Word A Lesson on Forgiveness from the King of Kingsa to the ending chapter aThe Seventh

Word The Hands of God a readers will be drawn through the pages by Dr Tayloras easygoing style that allows one to leap from the concept on the page into life changing understanding of what our Lord endured on our behalf but more importantly the riches He left for us in the seven last sayings a Deacon William Pinkston III Deputy Director of News Technology The Atlanta Journal Constitution Atlanta GA **What Did Jesus Do?** F. Scott Spencer,2003-08-01 What Would Jesus Do is a popular phrase in Christian circles but answers to that question might be more on target if we spent more time exploring as Scott Spencer has What Did Jesus Do Spencer examines both the Synoptics and the Gospel of John as he tries to catch a wide angled vision of Jesus behavior in the gospels Rather than focus on sayings or pronouncements as an authoritative code of conduct he studies Jesus deeds or actions as keys to his identity and vocation While not ignoring Jesus teaching this study is more interested in discovering how Jesus personally lived up to his own moral instruction his personal conduct Chapters are devoted to Jesus actions with respect to his family his friends his body his possessions his work his reputation and the environment Spencer suggests paths and pitfalls for relating Jesus personal conduct to individual behavior how we might move from what Jesus did in the New Testament to what we should do today F Scott Spencer is Professor of New Testament at Baptist Theological Seminary at Richmond Virginia and is the author of The Portrait of Philip in Acts A Study of Roles and Relations and Acts He is the Chair of the New Testament section for the Southeastern Commission for the Study of Religion
