Seventeenth Century England Society In An Age Of Revolution:

Seventeenth-century England Paul S. Seaver, 1976-01-01 *Seventeenth-century England. Society in an age of revolution. Ed. with an introd. by P.S. Seaver, 1976* **Revolution and Rebellion in the Early Modern World** Jack A. Goldstone, 2016-12-19 What can the great crises of the past teach us about contemporary revolutions Jack Goldstone shows the important role of population changes youth bulges urbanization elite divisions and fiscal crises in creating major political crises Goldstone shows how state breakdowns in both western monarchies and Asian empires followed the same patterns triggered when inflexible political economic and social institutions were overwhelmed by cumulative changes in population structure that collided with popular aspirations and state elite relations Examining the great revolutions of Europe the English and French Revolutions and the great rebellions of Asia which shattered dynasties in Ottoman Turkey China and Japan he shows how long cycles of revolutionary crises and stability similarly shaped politics in Europe and Asia but led to different outcomes In this 25th anniversary edition Goldstone reflects on the history of revolutions in the last twenty five years from the Philippines and other color revolutions to the Arab Uprisings and the rise of the Islamic State In a new introduction he re examines his pioneering look at the role of population changes such as rising youth cohorts urbanization shifting elite mobility as continuing causal factors of revolutions and rebellions The new concluding chapter updates his major theory and looks to the future of revolutions in the Middle East Asia and Africa **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996 **English Rural Society, 1500-1800** John Chartres, David Hey, 2006-11-02 Written largely by her former research students this book honours the varied and creative career of Joan Thirsk **Utopia and the Ideal Society** J. C. Davis, 1983-07-28 This text provides a major study for all those working in the fields of 16th and 17th century political and social thought **Country House Discourse in Early Modern England** Kari Boyd McBride, 2017-07-05 McBride provides new perspectives on the roles of the country house discourse she identifies linking it with a number of larger historical shifts during the time period Her interdisciplinary focus allows her to bring together a wide range of material including architecture poetry oil painting economic and social history and proscriptive literature in order to examine their complex interrelationship revealing connections unexplored in more narrowly focused studies Revolution Rosemary H. T. O'Kane, 2000 All of the major work on the subject of revolutions is collected in this useful set Including work from seminal figures such as Hatto and Gottschalk in the 1940s as well as the most important literature all the way through 1998 the articles reprinted here consider the concept theory and causes of revolution revolutionary state building and the outcomes of revolutions case studies of great revolutions and much more **Values and Valuables** Cynthia Werner, Duran Bell, 2004-01-13 In this exciting new volume from the Society for Economic Anthropology Cynthia Werner and Duran Bell bring together a group of distinguished anthropologists and economists to discuss the complex ways in which different cultures imbue material objects with symbolic qualities whose value cannot be

reduced to material or monetary equivalents Objects with sacred or symbolic qualities are valued quite differently than mundane objects and the contributors to this volume set out to unravel how and why In the first of three sections the authors consider the extent to which sacred objects can or cannot be exchanged between individuals e g ancestral objects land dreaming stories In the next section contributors discuss the value and power of markets money and credit They consider theoretical models for understanding money transactions competing currencies and the power of credit among marginalized groups around the globe The last section examines the ways in which contemporary people bestow symbolic value on some objects e g family heirlooms pre Columbian artifacts fashion goods and finally how some individuals themselves are valued in monetary and symbolic ways With its emphasis on the interplay of cultural and economic values this volume will be a vital resource for economists and economic anthropologists Published in cooperation with the Society for Economic Anthropology Visit their web page

Making a Match Ann Jennalie Cook, 2014-07-14 Making a Match examines the various options posed at every stage of English wooing together with the presentation of these protocols in the plays of Shakespeare Across the canon wooing may command either a casual reference or a central position in the action but no play escapes a connection of some kind Instead of taking a fixed position on an institution intended to stabilize the commonwealth Shakespeare constantly shifts position in a kaleidoscope of caricature criticism acceptance subversion or indifference For general readers and specialists alike this work supplies a rich understanding of the codes so familiar to the playwright and his audience an understanding essential for an appreciation of the subtleties of his art Delving into primary sources social history demography and literary criticism the author offers the widest possible range of both Renaissance and modern views on the most crucial experience of Elizabethan culture Besides correcting or illuminating the interpretations of Shakespeareans this book offers valuable material for any area of research on the English Renaissance that touches on courtship Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Papers of William Penn, Volume 2 Richard S. Dunn, Mary Maples Dunn, Scott M. Wilds, Richard Alan Ryerson, Jean R. Soderlund, Ned C. Landsman, 1982-01-29 This volume covering the years 1680 to 1684 documents the founding of Pennsylvania *The Transformation of England (Routledge Revivals)* Peter Mathias, 2013-04-03 First published in 1979 The Transformation of England discusses the creation in late eighteenth century England of the industrial system and thereby the present world Professor Mathias poses questions about the nature of industrialization social change and historical explanation issues that are his principal scholarly concern This series of essays is divided into two groups The first group of essays focuses upon general themes such as the uniqueness in Europe of the

industrial revolution capital formation taxation the growth of skills science and technical change leisure and wages and diagnoses of poverty In the second section Professor Mathias focuses on the social structure in the eighteenth century considering the industrialization of brewing coinage agriculture and the drink industries advances in public health and the armed forces British and American public finance in the War of Independence Dr Johnson and the business world A History of the Modern World Robert Roswell Palmer, Joel Colton, 1995 *The Business Community of Seventeenth-Century England* Richard Grassby, 2002-11-07 A comprehensive study of the business community in a pre industrial economy **A Social History of England, 1500-1750** Keith Wrightson, 2017-02-23 The first overview of early modern English social history since the 1980s bringing together the leading authorities in the field *The Middling Sort* Margaret R. Hunt, 2023-12-22 To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied one way or another to the world of commerce In a lively study that combines narrative and alternately poignant and hilarious anecdotes with convincing analysis Margaret R Hunt offers a view of middling society during the hundred years that separated the Glorious Revolution from the factory age Thanks to her exploration of many family papers and court records Hunt is able to examine what people thought felt and valued She finds that early capitalism and early modern family life were far more insecure than their classical models supposed Commercial needs and social needs coincided to a large extent The family is central to Hunt s story and she shows how financial struggles brought conflict ambiguity and tension to the home She investigates the way gender intertwined with class and family hierarchy and the way many businesses survived as precarious successes secured through the sacrifices made by female as well as male family members The Middling Sort offers a dynamic portrait of a society struggling to minimize the considerable social and psychic dislocation that accompanied England s launch of a full scale market economy To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied one way or another to the world of commerce In a lively study that combines narrative and alternately poignant and hilarious anecdote **Women in the Seventeenth-Century Quaker Community** Catie Gill, 2017-03-02 Focussing on Quaker pamphlet literature of the commonwealth and restoration period Catie Gill seeks to explore and explain women s presence as activists writers and subjects within the early Quaker movement Women in the Seventeenth Century Quaker Community draws on contemporary resources such as prophetic writing prison narratives petitions and deathbed testimonies to produce an account of women s involvement in the shaping of this religious movement The book reveals that far from being of marginal importance women were able to exploit the terms in which Quaker identity was constructed to create roles for themselves in public and in print that emphasised their engagement with Friends religious and political agenda Gill s evidence suggests that women were able to mobilise contemporary notions of femininity when pursuing active roles as prophets martyrs mothers and political activists The book s focus on collective Quaker identities which arises from its analysis of multiple authored texts is key to its claims that gender issues have to be

considered when analysing the sect's emergent system of values and Gill assesses the representation of women in male authored texts in addition to female writers' attitudes to agency. A bibliography that for the first time lists men and women's involvement as contributors as well as authors to Quaker pamphlets provides a valuable resource for scholars of seventeenth century radicalism. *Science and Society in Restoration England* Michael Hunter, 1981-03-26 This book first published in 1981 provides a systematic assessment of the social relations of Restoration science. On the basis of a detailed analysis of the early history of the Royal Society Professor Hunter examines the key issues concerning the role of science in late seventeenth century England. National Union Catalog, 1980 Includes entries for maps and atlases. **Dictionary of Ethics, Theology and Society** Paul A. B. Clarke, Andrew Linzey, 2013-11-05 This Dictionary provides a unique and groundbreaking survey of both the historical and contemporary interrelations between ethics, theology and society. In over 250 separately authored entries a selection of the world's leading scholars from many disciplines and many denominations present their own views on a wide range of topics. Arranged alphabetically, entries cover all aspects of philosophy, theology, ethics, economics, politics and government. Each entry includes a concise definition of the term, a description of the principal ideas behind it, analysis of its history, development and contemporary relevance, a detailed bibliography giving the major sources in the field. The entire field is prefaced by an editorial introduction outlining its scope and diversity. Selected entries include: Animal Rights, Capital Punishment, Communism, Domestic Violence, Ethics, Evil, Government, Homophobia, Humanism, Liberation, Theology, Politics, Pornography, Racism, Sexism, Society, Vivisection, Women's Ordination.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
