things believable and not to be believed but some that changed you as you read them frailty and madness wickedness and saintliness and the insanity of gambling were there to know Even outside literary circles Russian questioning about the human soul has left its mark as Albert Einstein wrote Dostoevsky offers me more than any scientist more than Gauss also describing Russian as great religious writer which explores the mystery of spiritual existence So that you can join the great minds and form your opinion on this giant of Russian literature the critic August Nemo separated seven of his short stories for your appreciation White Nights An Honest Thief The Christmas Tree and the Wedding Notes From Underground The Dream of a Ridiculous Man A Little Hero Mr Prohartchin

HOOK 'EM SNOTTY Gary Paulsen, 2011-10-26 I've had enough Alex let go of her horse and hit Bobbie like a tigress driving her back and knocking her on her rear Now we'll see if you have problems with your rump Bobbie leapt to her feet Her lips were tight She stalked past Alex and as she did reached out and shoved her backward Into the water tank There's plenty of family feuding when Bobbie Walker's cousin Alex comes from the city to visit their grandpa's ranch But when the cousins cross paths with the wild bull Diablo and the nasty Bledsoe boys they must find a way to get along or it could be the end of them both

The Treasure of El Patron Gary Paulsen, 2011-10-26 Tag pointed his flashlight into the hole and peered inside It was impossible The inside was hollow like an underwater cave Something shiny lay near the opening and reflected the beam from his light He reached inside and pulled it out A pewter spoon If he could have made a sound he would have screamed with joy He tucked the spoon in his vest pocket and reached into the hole again A sharp stab of pain shot through his left hand Something had hold of the tip of his thumb and was trying to yank him into the hole Tag Jones knows that somewhere in the azure water and coral reef surrounding Bermuda lies a sunken ship full of treasure El Patron sank in 1614 and Tag's father died in a diving accident while looking for it Tag won't give up until he finds El Patron and he's not scared off by the local legend that says the ship is cursed But when two tourists ask Tag and his friend Cowboy to retrieve some mysterious underwater parcels for them the boys find themselves in dangerous water way over their heads
