**Sutton Place, 70** Joseph Di Mona,1973      New York Transformed Peter Pennoyer,Anne Walker,2014-03-18 The architects Cross houses on the North Shore of Long Island and in Greenwich Connecticut the childhood home of Sister Parish in Far Hills New Jersey and the Shelburne Vermont home of J Watson and Electra Webb In this first book to collect the achievements of Cross Cross Peter Pennoyer and Anne Walker present a comprehensive monograph of the firm s work with more than 300 illustrations both historic and new and a catalogue raisonn of their projects      Shopomania Paul Berton,2022-10-15 A thought provoking and provocative challenge to consumerism with plenty of name dropping and celebrity antics Sassy and satirical *Shopomania* is an economic environmental and social study This light hearted dark souled dictionary of coined words or shoponyms takes readers on a roller coaster ride of avaricious antics and outrageous profligacy Shopping in one form or another has existed for millennia but aside from a few slumps each generation has outdone the previous one In the past fifty years shopping and its associated carbon footprint has grown exponentially Berton argues that if we invented today s consumer culture then we can invent something to replace it We can do a better job of making the cycle of stuff truly circular rather than linear We can be more environmentally socially and politically conscious of what we buy and how it comes to us and where it will go after we are finished with it A species that has made shopping ubiquitous can figure all these things out with little more than co operation and creativity and by asking if it is really necessary to own it now as we have been told endlessly since childhood Must we possess a thing to enjoy it Do we really need all that stuff
