Somewhere to Here Stephen Scorer,2018-09-24 From somewhere to here is a collection of my second 50 poems my writing journey started after I became redundant from my job as a post person in March 2016 There is a wide range of topics that I have tried to cover these still include some sports poems and some on mental health but I have started to branch out and put a pen to paper whenever the urge strikes When I decided on making my own poetry book to which I mean from writing printing then putting it all together to make a small collection I also thought after reading so many different types of poetry books Just like taking life s many routes and paths so will my poetry books and if you are mad enough to become a fan you will take on my journeys This collection starts where my first collection finished so from May 2017 to October 2017 I managed to write these fifty poems If you were mad enough to follow my poetic journey the first fifty took me over a year to put together whilst this second fifty took half the time
