 fictionalizes the life of Bernhard Schmidt 1879 1935 an Estonian born inventor Schmidt lost an arm in his youth while
 experimenting with a homemade rocket resulting in psychological trauma that would plague him for the rest of his life
 Largely self taught Schmidt was driven to seek recognition of his talents He moved to Germany in the 1930s where after
 perfecting techniques for polishing lenses he began developing ideas for improving astronomical telescopes He was arrested
 for selling one to the Russians and although he got off with only a warning he later suffered a breakdown and was sent to a
 mental hospital where he soon died *Sailing Against the Wind* becomes a meditation on national identity the relationship
 between history and the individual life and the mechanisms of the historical novel as a genre **Half-Life of a Stolen
 Sister** Rachel Cantor,2023-07-11 Reimagines the lives of the Bront siblings Charlotte Emily Anne and brother Branwell from
 their precocious childhoods to the writing of their great novels to their early deaths A form shattering novel by an author
 praised as laugh out loud hilarious and thought provokingly philosophical Boston Globe How did sisters Emily Charlotte and
 Anne write literary landmarks Jane Eyre Wuthering Heights and Agnes Grey What in their lives and circumstances in the
 choices they made and in their close but complex relationships with one another made such greatness possible In her new
 novel Rachel Cantor melds biographical fact with unruly invention to illuminate the siblings genius their bonds of love and
 duty periods of furious creativity and the ongoing tolls of illness isolation and loss As it tells the story of the Bront s Half Life
 of a Stolen Sister itself perpetually transforms and renews its own style and methods sometimes hewing close to the facts of
 the Bront lives as we know them or think we know them and at others radically reimagining the siblings moving them into
 new time periods and possibilities Chapter by chapter the novel brings together diaries letters home movies television and
 radio interviews deathbed monologues and fragments from the sprawling invented worlds of the siblings childhood As it does
 so a kaleidoscopic portrait emerges giving us with startling intensity and invention new ways of seeing and reading the
 sisters who would create some of the supreme works of literature of all time
