A DICTIONARY OF
THE LOGGING ERA

L. G. Sorden & Jacque Vallier

"It's five a.m. and the gabriel blows. The bark eaters fall out of their muzzle loaders and head for the chuck house to bolt down a pile of stovelids with lots of blackstrap, some fried murphys or Johnny cake and maybe some logging berries. They dunk their rolling stock into their jerk water, growl at the hash slinger, pull up their galluses and head for the tall timber."

Kilar, Sandy L. Schwan, 1994 Foreword Placement of the term changeable next to the word historical in this book's title may appear repetitive to the insightful reader Indeed history is an ongoing process Communities grow populations vary and economies rise and fall History captures and interprets the change that goes on around us Yet in Saginaw change is the password that opens the door to understanding the community's past Few cities have undergone such extensive economic fluctuations physical restructuring and demographic changes as Saginaw The exploitation of inexhaustible resources first by the Indians fur traders and later lumbermen marked earlier changes This bounty did not last forever after 30 years of transition something even better came along By combining text documents remembrances and quotations with a pictorial narrative one can look back at Saginaw's changeable past New faces and new technologies will likely bring additional challenges but by looking at the past Saginaw's citizens can be reassured that the accomplishments and adaptability of earlier generations has prepared the community well for the changeable future **Oregon Historical Quarterly** Oregon Historical Society, 1989 *America, History and Life*, 1990 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Lumberjack** William S.
