Mother Troubles Rethinking Contemporary Maternal Dilemmas

Julia Hanigsberg

Mother Troubles Rethinking Contemporary Maternal Dilemmas:

Mother Troubles Julia Hanigsberg, 1999-08-01 A marvelous collection unified by its determination to speak on behalf of mothers assailed by government policies social institutions and a culture of mother blaming These essays open the way for more direct compassionate respectful and constructive responses to the dilemmas facing families and mothers Alison M Jaggar author of *Feminist Politics and Human Nature* **Regulating Family Responsibilities** Jo Bridgeman, 2016-04-08 This collection brings together some of the most eminent and exciting authors researching family responsibilities to examine understandings of the day to day responsibilities which people undertake within families and the role of the law in the construction of those understandings The authors explore a range of questions fundamental to our understanding of responsibility in family life To whom and to what ends are family members responsible Is responsibility primarily a matter of care Can we fulfil our family responsibilities by paying those to whom we owe responsibility Or by paying others to fulfil our caring obligations for us In each of these circumstances the chapters in this collection explore what it means to have family responsibilities what constitutes an adequate performance of such responsibilities and the point at which the state intervenes At the heart of this collection is an interest in the way in which the changing family affects people's perception and exercise their family responsibilities and how the law attempts to regulate and understand those responsibilities The essays range across intact and separated or fragmented families from lone and shared parenting in single homes to caring across households and even across international boundaries to reflect on the actual caring responsibilities of family members and on the fulfilment of financial responsibilities in families This collection seeks to advance our understanding of the attempts of the law and its limits in regulating the responsibilities which family members take for each other **Gender, Sexualities and Law** Jackie Jones, Anna Grear, Rachel Anne Fenton, Kim Stevenson, 2011-03-17 Bringing together an international range of academics *Gender Sexualities and Law* provides a comprehensive interrogation of the range of contemporary issues both topical and controversial raised by the gendered character of law legal discourse and institutions The gendering of law persons and the legal profession along with the gender bias of legal outcomes has been a fractious but fertile focus of reflection It has moreover been an important site of political struggle This collection of essays offers an unrivalled examination of its various contemporary dimensions focusing on issues of theory and representation violence both national and international reproduction and parenting and partnership sexuality marriage and the family *Gender Sexualities and Law* will be invaluable for all those engaged in research and study of the law and related fields as a form of gendered power

Marriage Proposals Anita Bernstein, 2006 The essays in *Marriage Proposals* envision a variety of scenarios in which adults would continue to join themselves together seeking permanent companionship and sustenance linking sexual intimacy to a long commitment usually caring for each other and building new families What would disappear are the legal consequences associated with marriage No joint income tax return no immigration privileges like the fiancé visa or the right

to bring in a husband or wife no special statuses for prison visits or hospital decisions no prerogative to remain silent in court by claiming confidential marital communications no pension entitlements no marital benefits and detriments regarding criminal or civil liability The anthology makes a unique contribution amid the two marriage furors of the day same sex marriage and the Bush Administration s marriage movement that marrying is good and more marriages would be better for society Abolishing the legal category of marriage is the only policy suggestion in current American discourse that speaks to both causes Activists on both sides of the same sex marriage fight along with marriage movement partisans all seek improvement through law reform Marriage Proposals gives them a viable reform abolition of marriage as a legal status for fighting battles in the courtroom and the streets Contributors include Anita Bernstein Peggy Cooper Davis Martha Albertson Fineman Linda C McClain Marshall Miller Lawrence Rosen Mary Lyndon Shanley and Dorian Solot

The Ethics of Care Virginia Held,2006 The author assesses the ethics of care as a promising alternative to the familiar moral theories that serve so inadequately to guide our lives Held examines what we mean by care and focuses on caring relationships She also looks at the potential of care for dealing with social issues and global problems

Motherhood and Love Cristina Grenholm,2011 It is possible to reinterpret the biblical portrayal of motherhood so that it no longer perpetuates the subordination of women Responding to a perceived conflict between feminism and theology feminist theologian Cristina Grenholm blends systematic theology gender studies and biblical interpretation to construct a nontraditional understanding of motherhood in the Bible Grenholm s innovative approach revisits the biblical figure of Mary whom she calls a theological challenge in our time with a view to analyzing critiquing and revising the traditional Christian understanding of motherhood and maternal love

dimensions of equality for persons with disabilities The issues covered include the central problem of defining disability and impairment the dilemma of same versus different treatment the balance between autonomy and external influence and support linkages to other anti discrimination categories such as race and sex the place of disability theory within identity politics and issues of life death and our most intimate relationships The articles reflect a wealth of international viewpoints and interdisciplinary areas which include philosophy economics memoirs cultural studies empirical studies and legal scholarship The selection also includes classic texts which set out foundational ideas such as the social model of disability or the goal of integration alongside essays that critique these conceptual mainstays This volume brings into sharp focus a wide range of contentious and complex issues in the field of disability studies and is of interest to researchers and students from a wide range of fields

Understanding Nursing Research Carol Leslie Macnee, Susan McCabe (RN.), 2008 This textbook explicitly links understanding of nursing research with evidence based practice and focuses on how to read critique and utilize research reports Organized around questions students have when reading reports how the conclusions were reached what types of patients the conclusions apply to how the study was done and why it was done that way the text explains the steps of the research process to answer these questions Chapters include clinical vignettes highlighted key concepts and out of class exercises Appendices present a variety of research examples This edition includes significant new material on evidence based practice and more distinction between qualitative and quantitative research

Opting In Amy Richards, 2015-10-16 For contemporary women motherhood has become as polarizing a proposition as it is a powerful calling For some women this tension is manifest in a debate over whether or not to have children For others it concerns whether to stay at home with their children or stay in the workforce Still others feel abandoned altogether by the supposedly pro family and pro mother social justice movement that is feminism and are at a loss when it comes to reconciling their maternal instincts with their political beliefs With **Opting In** Amy Richards addresses the anxiety over parenting that women face today in a book that mixes memoir interviews historical analysis and feminist insight In her refreshingly direct and thoughtful approach Richards covers everything from the truth about our biological clocks and the trends toward extending fertility to parenting with nature and nurturing in mind to our relationship with our own mothers to what feminism's relationship to motherhood is and always has been Speaking from the vantage point of someone who is both a parent and one of our leading feminist activists Richards cuts through the cacophony of voices intent on telling women the appropriate way to be a mother and reveals instead how to confidently forge your own path while staying true to yourself and your ideals

Mother Troubles Rethinking Contemporary Maternal Dilemmas Introduction

In today's digital age, the availability of Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mother Troubles Rethinking Contemporary Maternal Dilemmas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mother Troubles Rethinking Contemporary Maternal Dilemmas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
