Child ,1929 *Motherless Child - Stories from a Life* Sarah Gordon Weathersby,2008-05 Imagine you gave a baby up for adoption forty years ago and after years of trying to find her she finds you Now come the hard questions She s healthy beautiful and successful but she wants to know why you gave her away and why you didn t marry her father And there is also the unspoken question of What kind of black woman gives her baby away How do you explain to her that giving her away was the best gift you could offer This is Sarah Weathersby s first published work a coming of age in the sixties single black pregnant and on the way to Germany memoir **Male Daughters, Female Husbands** Professor Ifi Amadiume,2015-03-12

In 1987 more than a decade before the dawn of queer theory Ifi Amadiume wrote Male Daughters Female Husbands to critical acclaim This compelling and highly original book frees the subject position of husband from its affiliation with men and goes on to do the same for other masculine attributes dislocating sex gender and sexual orientation Boldly arguing that the notion of gender as constructed in Western feminist discourse did not exist in Africa before the colonial imposition of a dichotomous understanding of sexual difference Male Daughters Female Husbands examines the structures in African society that enabled people to achieve power showing that roles were not rigidly masculinized nor feminized At a time when gender and queer theory are viewed by some as being stuck in an identity politics rut this outstanding study not only warns against the danger of projecting a very specific Western notion of difference onto other cultures but calls us to question the very concept of gender itself A Motherless Child Katrina Wade,2017-07-14 The book is about a young girl who was left motherless at a young age and endured physical and verbal abuse at the hands of her grandmother for three long years as
