Proletarian Moment The Controversy Over Leftism In Literature:

The Proletarian Moment James Francis Murphy,1991 **A Note on Literary Criticism** James Thomas Farrell,1992

James T Farrell s compelling defense of the Marxist principles of literary criticism was hailed by Edmund Wilson as a remarkable event Now available in its entirety for the first time is more than five decades A Note On Literary Criticism liberated a section of the Great Depression s radical intelligentsia from vulgar over politicized approaches to cultural criticism *The Unsung Artistry of George Orwell* Loraine Saunders,2016-02-24 In a timely and radically new reappraisal of George Orwell s fiction Loraine Saunders reads Orwell s novels as tales of successful emancipation rather than as chronicles of failure Contending that Orwell s novels have been undervalued as works of art she offers extensive textual analysis to reveal an author who is in far more control of his prose than has been appreciated Persuasively demonstrating that Orwell s novels of the 1930s such as *A Clergyman s Daughter* and *Keep the Aspidochelone* Flying are no less important as literature than *Animal Farm* and *Nineteen Eighty Four* Saunders argues they have been victims of a critical tradition whose practitioners have misunderstood Orwell s narrative style failed to appreciate Orwell s political stance and were predisposed to find little merit in Orwell s novels Saunders devotes significant attention to George Gissing s influence on Orwell particularly with regard to his representations of women She also examines Orwell s socialism in the context of the political climate of the 1930s finding that Orwell in his successful negotiation of the fine balance between art and propaganda had much more in common with Charlie Chaplin than with writers like Stephen Spender or W H Auden As a result of Saunders s detailed and accessible analysis which illuminates how Orwell harmonized allegory with documentary polyphonic voice with monophonic and elegy with comedy Orwell s contributions to the genre of political fiction are finally recognized [The Routledge Introduction to American Modernism](#) Linda Wagner-Martin,2016-02-12 The modernist period was crucial for American literature as it gave writers the chance to be truly innovative and create their own distinct identity Starting slightly earlier than many guides to modernism this lucid and comprehensive guide introduces the reader to the essential history of the period including technology religion economy class gender and immigration These contexts are woven of into discussions of many significant authors and texts from the period Wagner Martin brings her years of writing about American modernism to explicate poetry and drama as well as fiction and life writing Among the authors emphasized are Ernest Hemingway William Faulkner Zora Neale Hurston Langston Hughes F Scott Fitzgerald Gertrude Stein Willa Cather John Dos Passos William Carlos Williams Mike Gold James T Farrell Clifford Odets John Steinbeck and countless others A clear and engaging introduction to an exciting period of literature this is the ultimate guide for those seeking an overview of American Modernism ['Bitter with the Past but Sweet with the Dream': Communism in the African American Imaginary](#) Cathy Bergin,2015-05-19 The legacy of the relationship between African American writers and Communism in the US is a contested one Bergin argues that in three novels by seminal mid century authors Wright Himes and Ellison Communism is not

dismissed as incapable of meeting the demands of black political identity but is castigated for its refusal to do so A detailed focus on the political milieu in which these texts operate challenges many of the presumptions about the inability of Communism to comprehend racial oppression which dominate literary critical approaches to these novels She draws on the complex formations black political agency presumed and reproduced by American Communism during the Depression

Encyclopedia of the Novel Paul Schellinger,2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

Writing from the Left Alan M. Wald,1994 Discussion of fiction poetry and cultural history is given central place in Wald s analysis From this perspective he argues that the contemporary concerns of race gender and culture have created a powerful new leftist critique The book argues that that the left can draw strength by reconceptualizing its cultural legacy as a rich diverse stream of political and cultural experiences flowing over six decades It draws deeply on this tradition highlighting its contemporary relevance Alan Wald is the author of James T Farrell The Revolutionary Socialist Years The Revolutionary Imagination The New York Intellectuals and The Responsibility of Intellectuals

Realism for the Masses Chris Vials,2010-04-13 Realism for the Masses is an exploration of how the concept of realism entered mass culture and from there how it tried to remake America The literary and artistic creations of American realism are generally associated with the late nineteenth century But this book argues that the aesthetic actually saturated American culture in the 1930s and 1940s and that the Left social movements of the period were in no small part responsible The book examines the prose of Carlos Bulosan and H T Tsiang the photo essays of Margaret Bourke White in Life magazine the bestsellers of Erskine Caldwell and Margaret Mitchell the boxing narratives of Clifford Odets Richard Wright Nelson Algren and the Hollywood boxing film radio soap operas and the domestic dramas of Lillian Hellman and Shirley Graham and more These writers and artists infused realist aesthetics into American mass culture to an unprecedented degree and also built on a tradition of realism in order to inject influential definitions of the people into American popular entertainment Central to this book is the relationship between these mass cultural realisms and emergent notions of pluralism Significantly Vials identifies three nascent pluralisms of the 1930s and 1940s the New Deal pluralism of We re the People in The Grapes of Wrath the racially inclusive pluralism of Vice President Henry Wallace s The People s Century and the proto Cold War pluralism of Henry Luce s The American Century

Richard Wright in Context Michael Nowlin,2021-07-22 Richard Wright was one of the most influential

and complex African American writers of the twentieth century Best known as the trailblazing bestselling author of *Native Son* and *Black Boy* he established himself as an experimental literary intellectual in France who creatively drew on some of the leading ideas of his time Marxism existentialism psychoanalysis and postcolonialism to explore the sources and meaning of racism both in the United States and worldwide Richard Wright in Context gathers thirty three new essays by leading scholars relating Wright's writings to biographical regional social literary and intellectual contexts essential to understanding them It explores the places that shaped his life and enabled his literary destiny the social and cultural contexts he both observed and immersed himself in and the literary and intellectual contexts that made him one the most famous Black writers in the world at mid century

Nelson Algren Richard F. Bales, 2024-11-07 This book addresses critical gaps in existing biographies of Nelson Algren providing new perspectives on his writing style literary contributions professional colleagues and personal life especially his relationship with Simone de Beauvoir Although Beauvoir maintained a simultaneous relationship with philosopher Jean Paul Sartre the correspondence exchanged between Beauvoir Algren and Sartre as this book discusses sheds new light on her transatlantic love affair with Algren Moreover this work challenges the assertion that Algren's writing aligns seamlessly with the New Journalism style popularized by Tom Wolfe It investigates how Algren's literary legacy might have diverged had he embraced more of the principles associated with New Journalism

Twentieth-Century Americanism Andrew Yerkes, 2013-10-31 First Published in 2005 The main purpose of the book is to expand the scope of revisionary studies of the thirties by analyzing novels using recent innovations in critical theory The book adds to the research of Barbara Foley Michael Denning Alan Wald and others who have challenged Cold War era accounts of the decade's socialist and communist culture The book explores leftist literature from the thirties as balanced between two antithetical philosophical modalities identity and ideology Writers create identitarian fiction he argues as they attempt to appeal to a mainstream audience using familiar types and patterns culled from mass culture They engage ideology on the other hand when they use narrative as a means of critiquing those same types and patterns using strategies of ideological critique similar to those of their European contemporary Georg Lukács

Uncovering the Hidden Gennady Estrakh, 2017-07-05 Der Nister Pinkhes Kahanovitsh 1884 1950 is widely regarded as the most enigmatic author in modern Yiddish literature His pseudonym which translates as The Hidden One is as puzzling as his diverse body of works which range from mystical symbolist poetry and dark expressionist tales to realist historical epic Although part of the Kiev Group of Yiddish writers which also included David Bergelson and Peretz Markish Der Nister remained at the margins of the Yiddish literary world throughout his life mainstream success eluding him both in and outside the Soviet Union Yet to judge from the quantity of recent research and translation work Der Nister is today one of the best remembered Yiddish modernists The present collection of twelve original articles by international scholars re-examines Der Nister's cultural and literary legacy bringing to light new aspects of his life and creative output

Yet One More Spring Don W. King, 2015-07-16 Joy Davidman

1915-1960 is probably best known today as the woman that C S Lewis married in the last decade of his life. But she was also an accomplished writer in her own right, an award-winning poet and a prolific book, theatre, and film reviewer during the late 1930s and early 1940s. This title provides a comprehensive critical study of Joy Davidman's poetry, nonfiction, and fiction.

Three Radical Women Writers Nora Ruth Roberts, 2013-07-04. Combining biography, history, and literary theory, this work looks at three of the most significant women writers to emerge from American radicalism of the 1930s: Le Sueur, Olsen, and Herbst. They were influenced by the Communist movement of the time but each also forged an independent vision of feminist socialist literary milieu. Drawing on Marxist and post-Marxist theory and addressing the challenge of such new feminist theorists as Jean Bethke Elshtain, Roberts takes a theoretical approach that encompasses the social vision and feminist practice of the writers and places them in their historical, cultural, and social contexts. The study covers their lives from the turn of the century to the 1970s, with an emphasis on the 1930s, examines their views of the Cold War, links the three to the Progressive tradition, and analyzes their key literary works. Resources for analysis include historical and contemporary theory, excerpts from the radical press of the 1920s and 1930s, and primary materials from the writers themselves, including journals, notes, and unpublished archival materials.

Keir Hardie, the Bible, and Christian Socialism Daniel L. Smith-Christopher, 2024-06-13. Daniel L. Smith-Christopher focuses on the life and efforts of Keir Hardie, one of the founders of the UK Labour Party and one of the foremost figureheads of trade unionism. Drawing upon the work of two contemporary and significant American theorists, Herbert Gutman's classic essay on Working Class Religion and Michael Gold's call for Proletarian Literature, Smith-Christopher marries British and American historical and theoretical debates to argue that Hardie's work is surely the quintessential example of a proletarian exegesis of the Bible. Beginning with a summary of the major events in Hardie's life, Smith-Christopher draws both upon existing biographies and more recent historical discussions that question assumptions of British social history. He then reviews previous debates upon the influence of Hardie's own Christian faith upon his journalistic output and assesses three Christian Socialists whose work was advertised and reviewed by Hardie himself: Dennis Hird, John Morrison Davidson, and Caroline Martyn. Smith-Christopher proceeds to Hardie's copious writings, both for *The Labour Leader* and separately published lectures, pamphlets, and somewhat longer works of autobiography and comment. Highlighting Hardie's tendency to cite favorite texts heavily from the Gospels and James, but also some notable Old Testament discussions, Smith-Christopher proves Hardie's serious discussion of these texts beyond mere political rhetoric, concluding by comparing a selection of Hardie's favorite Biblical arguments with contemporary research in Biblical Studies about these same passages, evaluating the problems and possibilities of proposing a Proletarian Exegesis.

Anthropologica, 2005. *Writing to Change the World* Marike Janzen, 2018. This book begins to recover the global history of solidarity as a principle of authorship, taking Anna Seghers' 1900-1983 as an exemplar and reading her alongside prominent contemporaries Brecht, Carpentier, and Spivak.

The Long War Judy Kutulas, 1995. In the early 1930s

the American Communist Party attracted support from a wide range of liberal and radical intellectuals partly in response to domestic politics and also in opposition to the growing power of fascism abroad The Long War a social history of these intellectuals and their political institutions tells the story of the rift that developed among the groups loosely organized under the umbrella of the Party representing communist supporters of the People s Front and those who would become anti Stalinists and the evolution of that rift into a generational divide that would culminate in the liberal anti communism of the post World War II era Judy Kutulas takes us into the debates and outright fights between and within the ranks of organizations such as the League of American Writers the John Reed Clubs the Committee for Cultural Freedom the American Civil Liberties Union and the National Committee for the Defense of Political Prisoners Showing how extremist views about the nature and value of communism triumphed over more moderate ones she traces the transfer of the left s leadership from one generation to the next She describes how supporters of the People s Front were discredited by the time of the Nazi Soviet Pact and how this opened the way for a new generation of leaders better known as the New York intellectuals In this shift Kutulas identifies the beginnings of the liberal anti communism that would follow World War II A book for students and scholars of the intersection of politics and culture The Long War offers a new informed perspective on the intellectual maneuvers of the American left of the 1930s and leads to a reinterpretation of the time and its complex legacy

Editing Modernity Dean Irvine,2008-03-15 The period between 1916 and 1956 was a unique interval in the history of Canadian publishing During this period not only were a significant number of non commercial literary arts and cultural magazines established but it also happened that an unprecedented number of those involved in the creation and subsequent editing of this new type of magazine the little magazine were women Based on extensive new archival and literary historical research *Editing Modernity* examines these Canadian women writers and editors and their role in the production and dissemination of modernist and leftist little magazines At once a history of literary women and of the emergent formations and conditions of cultural modernity in Canada Irvine s study relates women s editorial work and poetry to a series of crises and transitions in modernist and leftist magazine communities to the public hearings and published findings of the Massey Commission of 1949 51 and to the later development of feminist literary magazines and editorial collectives during the 1970s and 1980s Writers and editors examined in this study include Dorothy Livesay Anne Marriott Floris McLaren P K Page Miriam Waddington Flora Macdonald Denison Florence Custance Catherine Harmon Aileen Collins and Margaret Fairley

Proletpen Amelia Glaser,David Weintraub,Yankl Salant,2005-08-01 This anthology presents a rich but little known body of American Yiddish poetry from the 1920s to the early 1950s by thirty nine poets who wrote from the perspective of the proletarian left Presented on facing pages in Yiddish and English translation these one hundred poems are organized thematically under such headings as Songs of the Shop United in Struggle Matters of the Heart The Poet on Poetry and Wars to End All Wars One section is devoted to verse depicting the struggles of African Americans including several poems

prompted by the infamous Scottsboro trial of nine African American men falsely accused of rape Home to many of the writers New York City is the subject of a varied array of poems The volume includes an extensive introduction by Dovid Katz a biographical note about each poet a bibliography and a timeline of political social and literary events that provide context for the poetry Winner of the Fenia and Yaakov Leviant Memorial Prize in Yiddish Studies for Outstanding Translation A Choice Outstanding Academic Title

The book delves into Proletarian Moment The Controversy Over Leftism In Literature. Proletarian Moment The Controversy Over Leftism In Literature is a crucial topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Proletarian Moment The Controversy Over Leftism In Literature, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Proletarian Moment The Controversy Over Leftism In Literature
 - Chapter 2: Essential Elements of Proletarian Moment The Controversy Over Leftism In Literature
 - Chapter 3: Proletarian Moment The Controversy Over Leftism In Literature in Everyday Life
 - Chapter 4: Proletarian Moment The Controversy Over Leftism In Literature in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Proletarian Moment The Controversy Over Leftism In Literature. This chapter will explore what Proletarian Moment The Controversy Over Leftism In Literature is, why Proletarian Moment The Controversy Over Leftism In Literature is vital, and how to effectively learn about Proletarian Moment The Controversy Over Leftism In Literature.
 3. In chapter 2, this book will delve into the foundational concepts of Proletarian Moment The Controversy Over Leftism In Literature. The second chapter will elucidate the essential principles that need to be understood to grasp Proletarian Moment The Controversy Over Leftism In Literature in its entirety.
 4. In chapter 3, this book will examine the practical applications of Proletarian Moment The Controversy Over Leftism In Literature in daily life. This chapter will showcase real-world examples of how Proletarian Moment The Controversy Over Leftism In Literature can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Proletarian Moment The Controversy Over Leftism In Literature in specific contexts. This chapter will explore how Proletarian Moment The Controversy Over Leftism In Literature is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Proletarian Moment The Controversy Over Leftism In Literature. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Proletarian Moment The Controversy Over Leftism In Literature.
