(Comprehensive Scripture lesson scheme).** William John Deane,1894 A Christian from Egypt: Life Story of a Neurosurgeon Pursuing the Dreams for Quintuple Certifications Rhamsis F. Ghaly,2015-01-23 A CHRISTIAN FROM EGYPT LIFE STORY RAMSIS F GHALY MD FACS This is my life story as a Coptic Christian born and raised in Egypt in an environment of limited opportunities and scarce resources especially for Christian minorities Seeking the promise opportunity I came to the United States nearly 30 years ago as a young man As I flew westward on the plane it did not occur to me that I would become a prominent neurosurgeon with a practice in one of the great cities of America Nor did I anticipate that I would ever be in a position to fight for save lives and fight for patients lives protecting them from the specter of financial greed permeates the health care industry This book chronicles my journey in America from my early struggles to get past closed doors to my current practice serving the mission set before me with uncompromising zeal and devotion Eventually I became a prominent American neurosurgeon among the only 4000 active nationwide and the only one nationally and internationally to achieve five board certifications in five acknowledged medical disciplines My story takes the reader through my first hand experiences through the eight health care systems and Chicagos history of neuroscience over the last three decades providing an in depth view of the medical practices in the surrounding suburban communities My book also includes the lessons that I have learned my personal views and patient testimonials What I have faced and seen since my plane landed in this country in 1984 is almost inexpressible It is my sincere wish that others may find hope and inspiration from my story as well as an understanding of the challenges that the healthcare industry faces today along with my own passion for excellence in neuroscience as I confront them I owe my success to God to my cherished parents my teachers my mentors and most importantly my beloved patients Crossing the Ethnic Divide Kathleen Garces-Foley,2007-02-22 While

religious communities often stress the universal nature of their beliefs it remains true that people choose to worship alongside those they identify with most easily Multiethnic churches are rare in the United States but as American attitudes toward diversity change so too does the appeal of a church that offers diversity Joining such a community however is uncomfortable worshippers must literally cross the barriers of ethnic difference by entering the religious space of the ethnically other Through the story of one multiethnic congregation in Southern California Kathleen Garces Foley examines what it means to confront the challenges in forming a religious community across ethnic divisions and attracting a more varied membership

Lift Up Your Hearts James A. Wallace,Robert P. Waznak,Guerric DeBona,2004 This collection of homilies represents the efforts of three preachers to interpret the lives of a community of faith and lead them deeper into the liturgy and life It grows out of a vision of the homily as a scriptural interpretation of human existence which enables a community to recognize God's active presence to respond to that presence in faith through liturgical word and gesture and beyond the liturgical assembly through a life lived in conformity with the Gospel The first intent of *Lift Up Your Hearts* is to focus on homilies as acts of interpretation in which the preacher does not so much attempt to explain the Scriptures as to interpret the human situation through the Scriptures This book casts the homilist not so much as a teacher but as a mediator of meaning speaking words that help the community to know itself and to act as the People of God the Body of Christ and the dwelling place of the Holy Spirit In addition these homilies are intended to move the parishioners toward the act of Eucharist to giving praise and thanks here and now and then beyond the Church doors out into the world to take part in the mission of the Church Pastors priests deacons and anyone who preaches will find this collection of source material to be particularly useful in crafting homilies that are grounded in Holy Scripture and yet relevant and meaningful in today's world Also it is written for the churchgoer in search of a helpful reflection on the Sunday readings with the intent of connecting the biblical texts with life
