

Q Exactive™ QuickStart Guide

About This Guide

Q Exactive Tools

This Q Exactive QuickStart Guide shows the workflow for setting up and using the Thermo Scientific Q Exactive mass spectrometer. This guide is intended for all personnel who operate the Q Exactive mass spectrometer.

Please read this guide before you consider any other method and preliminary statements. These are conditions to read after the Q Exactive Training Manual and the Q Exactive User Manual. Please do not leave the Q Exactive Manual closed.

QuickStart Tools is a system for Q Exactive mass spectrometers and the data system component. It has the following subprograms:

- The user interface provides step-by-step access with instructions for operating the program. On the right, select from the entry menu table.
- The tool provides control functions for frequently used commands.
- The tool provides an interface to the mass spectrometer, showing the status of the instrument and the current method. The instrument control window is divided into three subwindows: the left window displays the current status, the right window displays the current status, and the bottom window displays the current status.
- The status panel provides a summary of the current status of the instrument, showing the current status of the instrument and the current status of the instrument.

To display the Q Exactive Tools program

Click Start > Programs > Thermo Scientific Software > Tools.

Before getting on, check the following parameters are satisfied:

- The user must have sufficient rights to use the Q Exactive software and the instrument. The user must have sufficient rights to use the instrument. The user must have sufficient rights to use the instrument.
- The user must have sufficient rights to use the Q Exactive software and the instrument. The user must have sufficient rights to use the instrument. The user must have sufficient rights to use the instrument.
- The user must have sufficient rights to use the Q Exactive software and the instrument. The user must have sufficient rights to use the instrument. The user must have sufficient rights to use the instrument.
