Reggae Heritage Lou Gooden, 2012-10-13 When I started this project to write an account of Jamaica s Reggae Heritage I first wrote a preface I now suggest you once again turn to this preface and read it one more time A little slower this time before you continue to read any further After the book was completed during February 2003 I was shocked to have read a part of a book that was being sold on the market by a Jamaican writer I will quote a part of that book as I have read it where the word Sebastian was repeatedly spell wrong The next two paragraphs are from this mistake of a book As the only survivor of that early period Clement Coxsone Dodd is often said to have invented the sound system concept But according to the late Count Matchukie the first real Dance hall sound system was Tom The Great Sebastian the nom de record of the Chinese hardware merchant Thomas Wong There were other sets playing about the place but Tom was the first sound with an amplifier properly balanced for the Dance hall Tom The Great Sebastian started getting competition from Sir Coxsone Downbeat Duke Reid The Trojan and Lloyd The Matador Daley Tom was turned off by the violent rivalry among systems downtown and opened The Silver Slipper Club at Cross Roads One night he committed suicide by gassing himself in his car supposedly over financial troubles Shortly after the Silver Slipper Club burnt to the ground End of excerpt from a bad mistake of a book Tom The Great Sebastian did not own The Silver Slipper Club Mr Ho who also ran the Esquire Restaurant on the same premises that now is called Silver Slipper Plaza owned

the club He employed Tom on a gate percentage basis The club did not burn to the ground but was closed to make way for the Silver Slipper Plaza Finally Tom did not commit suicide over financial troubles but over domestic problems There are a large number of people who would like to associate themselves with the early history of Jamaica s music industry They believe that you had to be standing on the corner of Luke Lane and Charles Street in downtown Kingston Listening and sometimes dance to the sound of Tom The Great Sebastian Sound System Most of these so called want to be were not old enough to realize what was happening concerning the new rising sound systems I was under parent control at that time and will not lie to prove that I was there at the beginning I was a part of the early building of Jamaica s Music Heritage I contributed much more than most of these want to be s I lived it then not later I was always a disc jockey starting with my mother s RCA His Master s Voice table model gramophone When I started high school I realize my dreams when I was introduced to Mr Thomas Wong Tom The Great Sebastian and was taught the finer points of being a Sound system disc jockey The lesson I retained the most was as he told me You should not let the dance crowd lead you you have to be the leader what you play is what they have to enjoy I was the third Disc Jockey for the Great Sebastian Sound System and remained with Tom The Great Sebastian playing at the Silver Slipper Club Bournemouth Beach Club and many places where we always performed to pack dance halls During this period I met many Record producers Artists and other Sound system operators It was after Mr Thomas Wong Tom The Great Sebastian untimely death that I decided to go it alone as a disc jockey The Silver Slipper Club closed to make way for the Silver Plaza during the late 1960s I continued to operate The Great Sebastian Sound System with the help of Mr Thomas Wong s son The Great Sebastian Sound System played at the following nightclubs The Blue Mist Champion House The Baby Grand Johnson s Drive Inn and a number of other dance halls throughout Kingston and the countryside The Great Sebastian sound system ended when Mr Thomas Wong s son decided to close the Sound system business
