Reginas Legacy:

Regina's Legacy Kate William, Francine Pascal, 1991 A simple gift turns into big trouble **Regina's Legacy** Francine Pascal, 1993 **Regina's Legacy** , **Regina's Secret Spaces** University of Regina. Canadian Plains Research Center, 2006 Regina's Secret Spaces Love and Lore of Local Geography is an anthology of essays and poems by eighty writers artists architects musicians patrons of the arts and cultural theorists who were inspired by and answered the call of editors Lorne Beug Anne Campbell and Jeannie Mah to share their favourite Regina secret Some submissions were quirky and whimsical delighting in those things small yet significant which bring joy and connect us to the place we live others were more serious and more theoretical examining power structures both past and present and how these have shaped and are yet shaping the city Reflective engaging and insightful all express an abiding fondness for the city of Regina *S.V.H.# 73: REGINA'S LEGACY. FRANCINE. PASCAL, 1991* *Written Out* Joel Cabrita, 2023-01-17 Systemic racism and sexism caused one of South Africa's most important writers to disappear from public consciousness Is it possible to justly restore her historical presence Regina Gelana Twala a Black South African woman who died in 1968 in Swaziland now Eswatini was an extraordinarily prolific writer of books columns articles and letters Yet today Twala's name is largely unknown Her literary achievements are forgotten Her books are unpublished Her letters languish in the dusty study of a deceased South African academic Her articles are buried in discontinued publications Joel Cabrita argues that Twala's posthumous obscurity has not developed accidentally as she exposes the ways prejudices around race and gender blocked Black African women like Twala from establishing themselves as successful writers Drawing upon Twala's family papers interviews newspapers and archival records from Pretoria Uppsala and Los Angeles Cabrita argues that an entire cast of characters censorious editors territorial White academics apartheid officials and male African politicians whose politics were at odds with her own conspired to erase Twala's legacy Through her unique documentary output Twala marked herself as a radical voice on issues of gender race and class The literary gatekeepers of the racist and sexist society of twentieth century southern Africa clamped down by literally writing her out of the region's history *Written Out* also scrutinizes the troubled racial politics of African history as a discipline that has been historically dominated by White academics a situation that many people within the field are now examining critically Inspired by this recent movement Cabrita interrogates what it means for her a White historian based in the Northern Hemisphere to tell the story of a Black African woman Far from a laudable recovery of an important lost figure Cabrita acknowledges that her biography inevitably reproduces old dynamics of White scholarly privilege and dominance Cabrita's narration of Twala's career resurrects it but also reminds us that Twala tragically is still not the author of her own life story **2Nd Victory in Jesus** Alexander Lawrence, 2010-06-01 2nd VICTORY IN JESUS is the third volume of THE GOINS BRICOLAGE a saga of Tecumseh and Stonewall Counties in the State of Indiana It is the second part of the tale of Lamar Ainsley Goins an inept middle aged minister of the Gospel who despite himself achieves national and even

international success in the late 1970s and early 80s as pastor of The Temple of Holy Truth World Outreach Center of Aschburgh Lamar Ainsley Goins the youngest child of the late Wilton Fox Goins the greatest man ever to emerge from Aschburgh has now settled into his unanticipated success and sets his eye on ministering to a better educated and more affluent clientele to the north of Indianapolis He puts in motion a plan to get rid of his Pentecostal ties his grubby down at the heels Prophetess OnFire as well as his working class Board members and song leader while improving his grammar and adding the Rabboni Barry Wolfowitz a dynamic trumpet playing and yarmulke wearing ersatz Christian Jew As Lamar finally achieves the Victory for which he seems to have been destined the ever conniving founding pastor of the Temple Doctor Carter Bald no longer pursued by the FBI and IRS returns to Tecumseh County with a plan to take back the church and destroy Lamar s ministry

Humanism Slavica Jakelić,2025-02-28 Humanism is appealed to today whenever we want to tackle the conditions of dehumanization in the contemporary world But for humanism to be viable in the twenty first century this book argues it

needs to be pluralized Employing theoretical historical and sociological arguments this book moves beyond the discourse of critique It engages theories of religion and secularism as well as postmodern postcolonial and decolonial critiques of Western humanist projects to uncover the ideas and practices of religious and secular humanisms when they challenge dehumanization in the pursuit of conditions of flourishing for all Through studies of the Solidarity movement in Poland and the anti apartheid movement in South Africa the book demonstrates the centrality of humanist traditions to the emergence of religious secular solidarities that transformed the political landscapes of the world By highlighting the instances in which humanisms functioned as checks on each other s absolutist claims the book contends that humanisms supply a constructive path for addressing the challenges of our time a time of radically divided societies and intolerant even violent forms of nationalism A challenge to the critiques of humanism that seek to identify it solely as the legacy of the West as anti religious discourse or relegate it to the domain of power constellations Pluralizing Humanism highlights the rich plurality of humanist discourses and the need for their mutual engagements It points to humanist ideals as constitutive of politics that can guide our human power because they are irreducible to it As such this book will appeal to social scientists social theorists religious studies scholars and ethicists with interests in religion secularism social movements and humanist thought and practice

Stephanie Guidetti RN, 2011-09-21 When there is no box the possibilities are endless This is a story about how a group of ordinary people did something extraordinary they created a program for employees that changed the culture in their organization You can do it too So go beyond thinking outside the box Throw the box away and be as innovative and fun as you can be Encourage your team to think the same way and mine those crazy ideas Some of the best ideas start out as crazy ones In fact most of the innovative things that all of us use every day probably started out as someones crazy idea Now where is that box bold line separating about the book and Author biography

Pedagogic Encounters Aristi Trendel, 2021-02-15 This book offers a new approach to

the genre of the campus novel Through a critical analysis of eleven novels Aristi Trendel argues that the specificity and complexity of the pedagogic rapport between professor and student calls for a new genre the Master Disciple novel After the 1980s the professor student relationship was highly scrutinized and politicized making the Master Disciple novel essential to critical theorists and educators Furthermore the Master Disciple novel broadens the scope of the campus novel as the master pupil rapport can develop beyond the halls of academia Though some of the novels analyzed in this book have been thoroughly discussed before Trendel reads them through the lens of the pedagogic rapport and in constant dialogue with a broad range of themes such as gender sexuality and power The book will be important for academics students and all who are interested in the bond between teacher and student
