Information Literacy Programs delves into the library instruction coordinator's work. Each chapter is written by practicing coordinators who share their experiences leading information literacy programs that are nimble, responsive, and supportive of student learning. The volume discusses the work of instruction coordinators within five thematic areas: Claiming our Space, Library Instruction in the Landscape of Higher Education, Moving and Growing Together, Curriculum Development, Meaningful Assessment, and Leading Change. Readers will gain insight from their colleagues' advice for situating information literacy within the higher education institution, developing meaningful curricula, and using assessment in productive ways. Many of the stories represent a departure from traditional models of library instruction. In addition, this book is sure to spark inspiration for innovative approaches to program leadership and development, including strategies for growing communities of practice. From leadership skills and techniques, methods for cultivating shared values, pedagogical approaches, team building, assessment strategies, and everything in between, the aspiring or practicing instruction coordinator has much to gain from reading this work.

Political Handbook of the World 2016-2017 Tom Lansford, 2017-03-31. Published since 1928, the Political Handbook of the World provides timely, thorough, and accurate political information with more in-depth coverage of current political controversies and political parties than any other reference guide. The updated 2016-2017 Edition continues this legacy as the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Political science and international relations scholars have revised this edition and made understanding complex foreign affairs and political situations easy and accessible. With more than 200 entries on countries and territories throughout the world housed in one place, these volumes are renowned for their extensive coverage of all major and minor political parties and groups in each political system. They also provide names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and United Nations agencies. This comprehensive update will include coverage of current events, issues, crises, and controversies from the course of the last two years, including the closely watched U.S. presidential election, the effect of the Brexit referendum, and the installment of a new British prime minister. The extensive investigation and subsequent impeachment of Brazil's president, the far-reaching impact of the Panama Papers scandal, changes in U.S.-Cuba diplomatic relations, and the reopening of their embassies. The unconstitutional declaration of Gambia as an Islamic State, sentiments about the migrant and refugee crisis across Europe, and the influence on policy. Also, the new For Further Reference feature included for every country entry directs readers to additional resources to continue their research.

Resources in Education, 2001. American Students Organize Eugene G. Schwartz, 2006. The founding of the U.S. National Student Association (NSA) in September of 1947 was shaped by the immediate concerns and worldview of the GI Bill Generation of American Students returning from a world at war to build a world at peace. The more than 90 living authors of this book, all of whom are of that generation, tell about NSA's formation and first five years. The book also provides a prologue reaching back into the 1930s and an epilogue going forward.
