American Literature, John Eugene
Englekirk**

Regreso De Anaconda El:

Cuentos de la selva Horacio Quiroga, 1985 Collection of eight short stories in which Quiroga captures the magic of the jungle which is the scene of exciting adventures illuminated by nature in all its splendor A place where snakes throw glamorous parties with flamingos stingrays join forces to fight off man eating jaguars and a giant tortoise carries a wounded man on its shell for hundreds of kilometers to bring him to safety

Entranced Earth Jens Andermann, 2023-05-15 A sweeping analysis of the lasting effects of neocolonial extractivism in Latin American aesthetic modernity from 1920 to the present Looking to the extractive frontier as a focal point of Latin American art literature music and film Jens Andermann asks what emerges at the other end of landscape Art in the Global South has long represented and interrogated insurgent nature organic and inorganic matter human and nonhuman life thrown into turmoil In Entranced Earth Art Extractivism and the End of Landscape Andermann traces the impact of despaisamiento world destroying un landscaping throughout the Latin American modernist archive At the same time he explores innovative resilient modes of allyship forged between diverse actors through their shared experiences of destruction From the literary regionalism of the 1930s to contemporary bio art from modernist garden architecture to representations of migration and displacement in sound art and film Entranced Earth tracks the crisis of landscape and environmental exhaustion beyond despair toward speculative experimental forms of survival

El regreso de Anaconda Horacio Quiroga, 1971 Todos los cuentos Horacio Quiroga, 1996 **Anaconda** Horacio Quiroga, Hugo Alíes, 1987 **La justa proporción de las cosas y otros cuentos** Horacio Quiroga, 2023-02-28 El primer volumen de esta colección Cuentos de amor de locura y de muerte Cuentos de la selva recopila los relatos más publicados de Horacio Quiroga Sin embargo los cuentos que integran este segundo volumen reafirman claramente el éxito literario de este genial autor En ellos sigue presente su estilo particular de contar lo inevitable de la fatalidad el desborde de la locura o la tentación por lo extraño y lo macabro Su habilidad narrativa logra transportarnos y conducirnos hacia el interior de un mundo posible un escenario que creemos real en el que situaciones y comportamientos hacen a la historia completamente verosmil Nos pasea Nos lleva hacia el final Y cuando creemos que ya todo termina se corre el velo de un gran espejo que refleja sin ningún tipo de censura nuestra propia condición humana Horacio Quiroga deja demostrado en esta obra que sigue siendo uno de los maestros indiscutibles del relato corto latinoamericano

Cuentos escogidos Horacio Quiroga, 2014-11-04 Selección de relatos del gran cuentista latinoamericano de la primera mitad del siglo XX Esta selección reúne relatos tomados de Cuentos de amor de locura y de muerte 1917 Anaconda 1921 El desierto 1924 Los desterrados 1926 y Más allá 1935 y narraciones dispersas provenientes de periódicos y revistas Quiroga escribía tensamente mostraba intensamente No hay otra manera de que un cuento sea eficaz haga blanco en el lector y se clave en su memoria Julio Cortázar Quiroga fue para Latinoamérica el inventor del cuento Hizo antes que nadie entre nosotros lo que Poe había hecho en los Estados Unidos sistematizó el relato breve y lo elevó en la práctica a la categoría de género literario Abelardo Castillo Los

Desterrados y Otros Cuentos Horacio Quiroga, 2023-12-18 En *Los Desterrados y Otros Cuentos* Horacio Quiroga presenta una colección de narrativas que reflejan su maestría en el cuento breve y su profundo entendimiento de la condición humana. La obra está impregnada de una atmósfera de melancolía y aislamiento, temas recurrentes en su producción literaria. Lo que la sitúa dentro del contexto modernista de principios del siglo XX, Quiroga utiliza un estilo claro y conciso cargado de simbolismo y descripciones vívidas que transportan al lector a la naturaleza densa y hostil del Misiones, su tierra natal. Los relatos abordan la angustia existencial, el sufrimiento y la lucha del hombre contra sus circunstancias, convirtiéndose así en una exploración íntima de los aspectos oscuros de la vida. Horacio Quiroga (1878-1937) fue un escritor uruguayo cuyas experiencias personales, incluyendo tragedias familiares y su vida en la selva, influyeron profundamente en su obra. Su estilo se vio moldeado por los desafíos de la vida en el monte, donde la naturaleza se presenta como un personaje que a menudo ejerce un poder devastador sobre los seres humanos. Estos elementos biográficos aportan un contexto relevante que enriquece la lectura de sus cuentos, ofreciendo al lector una visión más amplia de su inquietante mundo interior. Recomendando *Los Desterrados y Otros Cuentos* no solo a los amantes de la narrativa breve, sino también a aquellos que están interesados en una exploración profunda de las emociones humanas. La habilidad de Quiroga para capturar la esencia del drama y la tragedia en un formato reducido lo convierte en una lectura esencial para comprender la literatura latinoamericana del siglo XX.

Ríos que cantan, árboles que lloran. Leonardo Ordóñez Díaz, 2022-03-01 Los textos literarios se presentan como una ventana para explorar la dimensión ambiental de la condición humana, por ello orientado a explorar varios temas clave del canon de las narrativas de la selva. Este libro estudia sus imágenes y representaciones en novelas y cuentos hispanoamericanos del lapso 1905-2015, cuya acción se sitúa en la Amazonia, entorno selvático latinoamericano por excelencia, pero también en la cuenca del Paraná, los bosques húmedos de América Central y otros entornos relevantes. Si bien la metodología privilegia las herramientas de la ecocrítica, la ecología política y la tica ambiental se apoyan igualmente en desarrollos recientes de la filosofía ecológica, la biogeografía de la selva tropical, la historia ambiental y la antropología cultural. Así, mediante este acercamiento pluridisciplinar, *Ríos que cantan, árboles que lloran* abre un escenario de diálogo fecundo entre la crítica literaria y otras áreas de las ciencias naturales, sociales y humanas, para proveer ideas y puntos de vista que contribuyen a la construcción de una relación distinta, simbiótica y no simplemente extractiva, entre las sociedades humanas y los ecosistemas naturales.

Palabras clave: narrativas hispanoamericanas de la selva, ecología política, tica ambiental, selva amazónica, bosques tropicales húmedos, historia ambiental de la Amazonia, antropología amazónica. *Rivers that sing, trees that cry: Images of the jungle in Spanish American narratives.* Abstract: Literary texts are a window to explore the environmental dimension of the human condition. For this reason, seeking to explore key themes in the canon of jungle narratives, this book studies the images and representations of the jungle in Latin American novels and stories from 1905-2015, where the action takes place in the Amazon, Latin American jungle environment par excellence, as well as in the Paraná basin, the humid forests of Central America and other relevant

environments While the preferred methodology consists of tools provided by ecocriticism political ecology and environmental ethics the research also draws on recent developments in ecological philosophy rainforest biogeography environmental history and cultural anthropology Thus using this multidisciplinary approach Rivers that sing trees that cry opens a fruitful dialogue between literary criticism and other areas of natural social and human sciences by providing ideas and points of view that contribute to the construction of a different symbiotic and not simply extractive relationship between human societies and natural ecosystems Keywords Hispano American narratives of the jungle political ecology environmental ethics Amazon rainforest humid tropical forests environmental history of the Amazon Amazonian anthropology

A la deriva y otros cuentos Horacio Quiroga,1989 La antología de Horacio Quiroga que compone este volumen fue preparada para la Colección Literaria LYC por la profesora Olga Zamboni Como el título A la deriva y otros cuentos lo sugiere se han seleccionado algunos cuentos magistrales y también otros poco conocidos y hasta inéditos

Estudios Literarios Juan José Sotelo Vázquez,2007-02 Los estudios literarios que componen este tomo tienen un carácter misceláneo En primer lugar se estudia el género autobiográfico y la influencia que han ejercido obras clásicas como El asno de oro de Apuleyo en el ánimo autor de El Lazarillo El capítulo segundo aborda la novela Su hijo de Leopoldo Alas como texto ejemplar del fin de siglo europeo Para ello se interpreta la obra a la luz de este contexto histórico y de la personal concepción del naturalismo clariano El concepto de Generación del 98 en En torno al casticismo de M de Unamuno constituye la tercera parte donde se explican los elementos de casticismo europeo y regionalismo como soluciones al problema de España Concluimos con Horacio Quiroga una lectura de sus cuentos capítulo que analiza en las dos fuerzas temáticas que presiden la obra de este autor de un lado la civilización naturaleza y de otro la muerte Todos los textos fueron escritos en el marco de las investigaciones del Programa de Doctorado de la Facultad de Filología Universidad de Barcelona

Los desterrados Horacio Quiroga,2022-08-01 Los desterrados 1926 una colección de ocho cuentos ambientados en la selva misionera es una prueba del dominio de Quiroga sobre la forma breve La clara intención unitaria que se percibe en las narraciones dota de mayor consistencia a la obra y representa un gran logro literario

Contemporary Spanish-American Fiction Jefferson Rea Spell,1968

Tierras en trance Jens Andermann,2018 En esta densa y bella reflexión Jens Andermann nos introduce en la lógica del trance una forma de nombrar al nudo borromeo que enlaza el espacio y tiempo del sujeto con el de la comunidad ambos escindidos por violentos desplazamientos e hiatos temporales Así persigue un objeto desvaneciente que hacia adelante se dirige al hiperobjeto el mundo postnatural pero que retrospectivamente puede ser leído como el trazado de una historia natural del antropoceno En la perspectiva del autor se trata del relato de un repliegue doblez del arte en relación a su marco institucional y desdoblamiento de modos anteriores de postulación estética del mundo como paisaje El ambiente surge así como escena conjunto espaciotemporal fluido que no se define por la exterioridad social de sus formas sino por la dinámica interna de sus fuerzas El trance de una cosa no es ni una parte ni un estado de la misma sino algo que de ella deriva D

tournement Ese otro lugar semejante a un recipiente es un lugar transportable con la salvedad de que el recipiente nunca es parte de su contenido As en la medida en que es separable de la cosa el trance no es la forma y en cuanto la contiene es algo distinto de la materia Nos ense a que todo espacio es parataxis sin origen ni orientaci n intenso pero no extenso liminar del l mite El trance es el silencio o secreto del arte su reconfiguraci n absolutamente contempor nea mediante la cual lo est tico se redefine como el umbral mismo de nuestra inespecificidad Изгнанники. Книга для чтения на испанском языке Орасио Кирога,2015-10-28 1878 1937 **An Outline History of Spanish American Literature** International Institute of Ibero-American Literature,John Eugene Englekirk,1980 **Reference Guide to Short Fiction** Thomas Riggs,1999 Reference Guide to Short Fiction provides study and commentary on the most instrumental writers of short fiction through the 20th century International in scope this single scholarly volume includes 779 entries on 377 authors and 402 short stories The Roles of Animals in the Short Stories of Horacio Quiroga Mary Layman,1992 **A salto de sapo** Magdalena Helguera,2004 *Tres cuentos de la selva* Horacio Quiroga,2010
