Nothing Merciful Than Reincarnation Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same **Reincarnation in Christianity** Geddes MacGregor, 1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems *May a Christian Believe in Reincarnation?* Abbot George (Swami Nirmalananda Giri), 2016-02-05 A growing number of people are open to the subject of past lives and the belief in rebirth reincarnation metempsychosis or transmigration is becoming commonplace But it often thought that belief in reincarnation and Christianity are incompatible But is this really true May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant's article on various scientific moral and historical aspects of reincarnation from a Christian perspective *Can Reincarnation and "Near Death Experiences" be Christian?* Patricia Hofer, 2017-07-14 If you are a Christian who is satisfied by the conventional views of heaven and hell don't read this book However if you feel there are more possibilities for the afterlife than streets of gold and fiery infernos Can Reincarnation and Near Death Experiences be Christian just might include the answers you've been seeking What if the Bible contains the possibility of an intermediate and temporary place a tarrying place for continuing life the Bible shows that some human spirits have returned from that intermediate place throughout human history the living soul of Genesis the one inspired by God's immortal breath

of life is the spirit of consciousness that survives the body as some recent neuroscience research indicates the Bible and Christian believing already contain the possibility for a reprieve for a purifying process a place where we meet and recognize other individuals the forgiveness of seventy times seven required by God is offered by God Wouldn't that open the door to more opportunities many stages of progress After seven books chronicling her Christian walk with the living Savior Patricia Hofer thought she was done writing But the Lord apparently had a different plan These what ifs are the focus of Hofer's eighth book and of her original and compelling research

On Reincarnation Marilyn Grace Graham, 1998 The Premise of this work is that Paul's letter to the Romans and his theology with respect to the Jewish Pharisaic law and the significance of the Christ event was a response to a pre and first century cross cultural belief in reincarnation

Reincarnation or Invading Somebody Else's Body Bishop James T. Johnson, 2017-03-01 In this book the author is simply displaying that reincarnation shows real people have really overlooked God as a really diverse God God is not someone who just throws people in hell because they lived a sinful lifestyle That's what Christians have been taught Reincarnation is the principle of God and that anything can happen From my experiences with dealing with reincarnation many people who have died have really had another chance to come back and live another life so that they can get their lives back together with the almighty God who has many many names I can tell you about my own experience in dying and being able to come back again in another body to live once more so I can make things right with the one true God that has many names So what I'm saying once again is that reincarnation is very real In this wonderful book you will learn so many life changing things

From Darkness to Light Despo Pishiri, 2021-08-16 During a client hypnosis session author Despo Pishiri unintentionally managed to communicate with her Higher Self The client was in a deep state of hypnosis and Despo's Higher Self used this opportunity to talk to her through her client The Higher Self provided valuable information about Despo's past lives which triggered her curiosity to understand the mechanisms involved in the process of spiritual development This initial channeling encouraged her to find her true self and it became the catalyst for writing this her first book From Darkness to Light With a blend of personal and professional testimony she reinforces the message of love compassion and tolerance inherent in the three religions of Hinduism Buddhism and Christianity against the backdrop of knowing who you are She stresses the similarities between the three religions and reinforces the ideas of their teachings Useful and enlightening From Darkness to Light shares Despo's personal discoveries as well as offers principles about self and healing your body mind and spirit

idea deemed fit only for the simple masses that were ignorant of the philosophy of Plato The Gospels make no secret of Christ's reincarnation so why does Christianity still subscribe to the false doctrine of reincarnation Read the truth as told by the Pythagorean Illuminati the most ancient secret society on earth of which Plato himself was once a member **Where Airy Voices Lead** Piotr Bienkowski, 2020-05-29 Many have pursued and continue to pursue real immortality by seeking to prolong their lives on this earth Others pursue symbolic or proxy immortality through children fame or being part of something long lasting One can imagine these different forms of immortality as a menu of options of how to live forever you click the one that appeals to you most and best fits your beliefs hopes values and worldview **On Christianity, New Age and Reincarnation** Jaime T. Licaucó, 2017-12-02 Reading this book requires an open and questioning mind not a mind that has already accepted just one answer I for one have benefited greatly by reading his words and listening to his lectures From the foreword by Sir Jason Winters KGSJ Licaucó in this book boldly discourses topics that might be unconventional for most people but very thought provoking Such topics might be disturbing but they will satiate the intellectually curious and those who don't settle only in a single point of view **Reincarnation Vs. Resurrection** John Snyder, 1984 Reincarnation and resurrection two fundamental views of the afterlife Today they compete in the minds of thinking people worldwide as possible answers to that great riddle of life after death In a systematic biblically based argument John Snyder shows the vast difference between reincarnation and resurrection and the two radically opposing philosophies they represent One view confirms all that Christians believe the other denies the very foundation on which Christianity is built **History of Ethics Within Organized Christianity** Thomas Cuming Hall, 1910 *Christianity and Reincarnation* Rudolf Frieling, 1977 The idea of reincarnation can be compatible with Christianity if it is accepted in a new form placing emphasis on encountering Christ in repeated lives *Reincarnation, a Christian Appraisal* Mark Albrecht, 1982 A Christian critique of New Age Doctrine Can we blend ideas from the East and West Can Eastern teaching about reincarnation be transplanted into the soul of Judeo Christian heritage The author examines the issues with care looking especially at the case for and against spontaneous recall and regression to past lives Overall the author offers a clear Biblical assessment of the New Age movement
