The Reincarnation of Peter Proud [by] Max Ehrlich Max Ehrlich, 1974 *Body Trap* Lassiter, Pumphrey, 2015-08-14 Bernie awakens to darkness and thinks hes dead Theres no other explanation He cant move or see hes surrounded by nothingness Hes dead right Yet as he reflects on his life theres a rather gaping empty space where his death should be He cant remember the circumstances of his untimely demise which is when he realizes hes not dead at all Hes in a state of coma but he can hear voices around him Hes alive but he cant make contact with the living world Only then does he again begin to reflect on his life not life but lives His current existence his current body is one of many beginning in the Spanish Inquisition

when Bernie was executed for witchcraft The touch of magic has followed him throughout his remaining lives Loved ones are found and lost again over decades and then centuries Bernies consistent rebirth is due to his use of witchcraft to mess with preordained destiny Hes utterly defenseless in his current state but he must find a way to fight those who mean him harm Otherwise this will be his last incarnation and it will not end well

The Woman Who Pretended to Be Who She Was Wendy Doniger, 2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction *The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition
