*Almost True Christmas Stories* Ron Corcoran,2013-07-15 The gift of reading There could not be a greater Christmas gift Throughout history I ask you what circumstances have compelled any and all would be authors to put quills to parchments or in more recent generations put fingertips to keyboards to create their miasma of pages to be collected together and called a book It s a good question and I haven t a clue as to any short finite answer I only know that there are lots and lots and lots of compelling circumstances In my particular case at an early age I found myself interested in the How and Why of things I had read about or heard about or saw No doubt there have been others like me throughout history who have bumbled stumbled and fumbled their way through life because they were looking through curious eyes and not necessarily through practical comprehending eyes Let me tell you one stumbles frequently when trying to get somewhere while looking upward rather than downward But it is still a trip worth taking and while looking upward In the late 1940s I heard on our family entertainment center which in the late1940s was only an RCA Victor radio Gene Autry singing the song Rudolph the Red Nosed Reindeer and I was fascinated by the lyrics of the song Yet I wanted to know But why did Rudolph s nose glow No answers to that question were forthcoming and the question remained in the catacombs of my memory for all the years thereafter Once I had retired from my career and began to write serialized Christmas stories I plucked the glowing nose dilemma from its dormancy and began to ask What if In order to write this book s first Christmas story The First Christmas Glowing I felt compelled to examine and for story purposes hypothetically answer the following What if s What if say a hundred years ago or so there had been a long distance message runner making deliveries amongst neighboring villages in the Great Rift Valley of eastern Africa and what if on one of his runs the message runner made a substantive discovery What if that substantive discovery as found on the slope of an old volcano crater would change Christmases forever and ever What if that discovery had something to do with the wing flap speed of a certain kind of insect What if the message runner put his substantive discovery into a small earthen jar and what if that jar over the course of the next sixty years found its way to a once well traveled trunk in the home of the brother of a traveling circus entertainer named Maximillian What if Maximillian was the uncle of a young girl his brother s daughter who also lived in that home What if Uncle Max s young niece found the jar and years later would find herself positioned and prepared to come to the aid of one

of the most important Christmasses of the 20th Century What if there are several other adventures along the way involving magic tricks singing wolves a Japanese fishing boat and an intuitive Inuit weatherman And yes what if there is a happy ending and it is one that you know very well and certainly have even sung about In order to write this book's second Christmas story A Long Distance Christmas Greeting I had to answer a whole raft of completely different What if's And that is because the second story has resulted from my memory of an incident that occurred in the mid 1950s The remembered incident occurred somewhere on the east coast of the United States and involved some historical society or a university or a city council or something or other creating a time capsule filled with objects The objects were something like tooth paste Argyle socks automobile hubcaps and square dance instructions all to be hermetically sealed buried and not opened for a hundred years or so something to provide clear evidence as to how the residents of our country lived back in the 1950s I liked that idea but at the time I was curious about the assembling of *The Twelve Days of Christmas* Samantha Bakhurst, Jane Sebba, 2005-01-01 The Twelve Days of Christmas is a sparkly adaptation of the famous Christmas song of the same name It is a wonderful exciting musical that really captures the true giving spirit of Christmas Intended for children in Key Stage 2 7 11 year olds there are parts for all the characters from the song and many many more all with amazingly colourful costumes *Uncle John's Bathroom Reader Christmas Collection* Bathroom Readers' Institute, 2012-08-15 This unique holiday book is the perfect stocking stuffer for everyone on your list naughty and nice Stuffed like a Christmas goose this holiday gift book is a cheerful mix of festive facts and yuletide yuks Gather round the fire and unwrap the histories of such holiday traditions as Santa Claus Rudolph A Charlie Brown Christmas candy canes mistletoe and more You'll also read about weird traditions the Christmas Pickle and Festivus So let this merry little book be your favorite stocking stuffer
