Applied Language Learning ,2000 *Crucial Questions about the Future* Allen M. Tough,1991 *Crucial Questions About the Future* presents readers concerned about the long range future and their place in it with a series of tough but necessary questions and refreshingly offers no pat answers Instead what is offered is a structured and reason bound exploration of the complexities of modern life with which the reader or the future studies inclined academic can provide his own answers to these eternal and critical questions Contents The Future of Human Civilization What Is Most Important of All Why Do We Act In Ways That Hurt Our Future What Will Our Actual Future Turn Out To Be How Can We Achieve a Satisfactory Future Preventing the Worst Catastrophes Intelligent Life in the Universe What Role Will It Play In Our Future From Which Aspects of Reality Can We Gain Meaning and Purpose How Can Each Person Contribute **Philanthropists and Foundation Globalization** Joseph Kiger,2017-07-28 The modern American foundation as an instrumentality for charitable and philanthropic giving is in many ways a unique and complex social economic political institution This is particularly the case for foundations with large assets As a social phenomenon the foundation has deep roots in the past At the beginnings of any degree of civilization charitable giving and rudimentary forms of foundations emerge This is the case in many regions of the world The pattern is consistent once enough property or wealth beyond primitive human needs is accumulated some of it begins to be set aside for what the donors of such wealth consider worthwhile purposes The serious literature contributing greatly to public perception of philanthropy and foundations has been relatively sparse Much of what is available is quantitative and statistical in nature There has been limited objective attention to the motives or reasons spurring individual philanthropists to engage or not to engage in creating foundations such motivation needs historical and comparative analysis Major investigations and studies of foundations together with ancillary national regional and

international organizations to facilitate such study have received spotty consideration Philanthropists and Foundation Globalization addresses three interrelated aspects of foundation history First it reviews biographical historical profiles of the founding philanthropists and their heirs engaged in international giving Second it discusses major governmental and non governmental investigations and studies of foundations including domestic ones and also foreign ones in which U S participants have played a prominent role spanning the period 1912 to the present Third it chronicles foundation developments and activities in Europe at the close of the twentieth century The volume provides a historical account of some U S foundations international activity in a particular region in a specific time period and their a **International Corporate Social Responsibility** Ramon Mullerat,2010-01-01 At present Corporate Social Responsibility CSR for some may not be more than an attitude Can it be more What degree of commitment can we reasonably expect of corporations in the struggle to eradicate poverty promote human rights halt climate change and reverse ongoing environmental destruction It is not a question of power more than half of the worlds top 100 economies are corporations not nation states Whatever can be done to fix the world s problems corporations are in the best position to do it Back cover *Bulletin of the Atomic Scientists* ,1989-11 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Applied Language Learning** ,2000 **Future Survey Annual** ,1996 *Good Kids, Tough Choices* Rushworth M. Kidder,2010-09-27 A practical analysis and inspiring guide for teaching kids ethical fitness Parents are beginning to realize that deficiencies in ethics and character are becoming a big problem among our nation s children According to the latest data lying cheating and rampant insensitivity to other people are increasingly common What can parents do In this book ethics expert Rushworth Kidder shows how to customize interventions to a child s age and temperament He encourages parents not to give up since what they do can always make a difference regardless of how long or deep the bad habits of dishonesty may be Encourages parents to intervene early and re establish children on the right course Explores the keys to ethical behavior honesty responsibility respect fairness and compassion All of Kidder s practical advice is based on the latest psychological and neuroscientific research about how kids develop character and learn what s right and wrong **Czech Philosophy in the XXth Century** Lubomír Nový,Jiří Gabriel,1994 [Ethics in a Cocoon](#) V. David Schwantes,2007-09 Cocoon demonstrates in easy to understand language that ethics is about trust and happiness Trust is the essential ingredient to mutually supportive and durable relationships focused on reducing life s imperfections Such relationships are the key to happiness But we cannot live deep inside protective cocoons and still build trust and relationships Instead we must develop all the dimensions of what makes us human intellectual truth spiritual unity moral goodness and aesthetic beauty Above all we have to know ourselves and be able to pass the mirror test every day Our most important relationship after all being with ourself and we don t discover our spiritual unity without a Personal Strategic Plan

Nor can we become ethically fit without enthusiasm equanimity and a commitment to excellence traits not found in cocoons Only ethical fitness can help us find the resolution to the fundamental ethical dilemmas we all face truth versus loyalty short term versus long term individual versus community and justice versus mercy This book suggests we use a variety of lenses to look at the world today power wealth prestige status We use the lenses of economics politics and technology We do not use nearly enough the lens of ethics relationships happiness decency and the golden mean Once we re ethically fit the result of continuous practice we re able to recognize ethical dilemmas approach them skillfully and resolve them successfully This book shows the way to such fitness which is useful in any context or relationship personal local or global Cocoon is a self improvement book of the first order with real life macro illustrations of the ethical dilemmas we face in a complex and crowded world in which too many of us pursue the dictates of false gods It includes over 500 practice questions and was developed as a textbook in the ethics courses the author taught to seniors at Ramapo College from 2002 th **The**

Planetary Interest Kennedy Graham,2003-09-02 This text suggests that contemporary political and institutional arrangements for problem solving based on sovereignty as a principle and the nation state as a decision making unit are not equipped to handle such problems and that concepts and methods of decision making are therefore needed to augment existing ones in dealing with the challenges of the 21st century Kennedy Graham argues that henceforth the planet and humanity must be considered as a single entity for decision making purposes He introduces and develops the idea of the planetary interest as a vital conceptual tool to assist citizens and policy makers in understanding emerging global problems and approaching them with global solutions The book includes contributions from 20 current or former politicians who discuss the particular global problems threatening their countries looking at the ways in which the planetary interest can help them pursue a legitimate national interest *How Good People Make Tough Choices* Rushworth M Kidder,2006-02-28 Should you take a much needed vacation or save money for your children s education Should you protect the endangered owl or maintain jobs for loggers How do you handle questions such as these We frequently face ethical dilemmas in our daily lives and few have trouble with the right vs wrong choices However the right vs right dilemmas in which neither choice is clearly or widely accepted as wrong many times present obstacles that call for value based decisions and that s where we often need help Kidder the founder of the Institute for Global Ethics teaches us how to think for ourselves in order to resolve any ethical dilemma from the personal to the philosophical Unique in its approach and full of illustrative anecdotes *How Good People Make Tough Choices* is an indispensable resource for arriving at sound conclusions when facing tough choices
