Shen,2007-11-13 Why do the Chinese sometimes speak out against U S and yet at other times remain silent This book uses a variety of previously untapped sources including a range of news sources within China itself weblogs and interviews with prominent figures to make a powerful new argument about the causes and consequences of the new Chinese nationalism      **Democracy**

**Reinvented** Hollie Russon Gilman,2016-01-05 Participatory Budgeting the experiment in democracy that could redefine how public budgets are decided in the United States Democracy Reinvented is the first comprehensive academic treatment of participatory budgeting in the United States situating it within a broader trend of civic technology and innovation This global phenomenon which has been called revolutionary civics in action by the New York Times started in Brazil in 1989 but came to America only in 2009 Participatory budgeting empowers citizens to identify community needs work with elected officials to craft budget proposals and vote on how to spend public funds Democracy Reinvented places participatory budgeting within the larger discussion of the health of U S democracy and focuses on the enabling political and institutional conditions Author and former White House policy adviser Hollie Russon Gilman presents theoretical insights indepth case studies and interviews to offer a compelling alternative to the current citizen disaffection and mistrust of government She offers policy recommendations on how to tap online tools and other technological and civic innovations to promote more inclusive

governance While most literature tends to focus on institutional changes without solutions this book suggests practical ways to empower citizens to become change agents Reinvesting in Democracy also includes a discussion on the challenges and opportunities that come with using digital tools to re engage citizens in governance      **Redefining Multicultural Families in South Korea** Minjeong Kim,Hyeyoung Woo,2022-06-17 Redefining Multicultural Families in South Korea Reflections and Future Directions aims to reinvigorate contemporary discussions about Korean families that include immigrants by expanding the scope of what we consider to be multicultural families to include the families of undocumented migrant workers divorced marriage immigrants the families of Korean women with immigrant husbands and by providing a nuanced look at their lives in Korea not as newcomers but as first generation immigrants      **The Reinvention of Distinction** Van Nguyen-Marshall,Lisa B. Welch Drummond,Danièle Bélanger,2011-11-17 This pioneering collection brings together an international group of scholars to explore the Vietnamese middle class From the leisure pursuits of the colonial middle class to the impact of the new urban rich on landscape of the countryside this interdisciplinary volume explores the ways in which middle classness has been practiced in a wide range of contexts throughout the 20th century and into the 21st In addition to offering insights into how middle classness was and is constituted and negotiated this collection illuminates the cultural and social conditions of two distinctive periods in Vietnamese history Three historical chapters consider how middle class status was experienced and displayed under French colonialism and in 1960s republican These chapters offer examinations of middle classness through recreation consumption and associational life Six contemporary studies examine the modes of experimentation and practice within middle class urban Vietnam Still a sensitive topic politically the contemporary middle class nascent but increasingly powerful is exerting a strong impact on the shape of contemporary society and culture as well as on urban and rural landscapes This volume offers a series of studies which critically interrogate the practices of those who engage in or aspire to urban middle class lifestyles in Vietnam both in the past and in the present      Redefining Rape Estelle B. Freedman,2013-09-03 The uproar over legitimate rape during the 2012 U S elections confirms that rape remains a word in flux subject to political power and social privilege Redefining Rape describes the forces that have shaped the meaning of sexual violence in the U S through the experiences of accusers assailants and advocates for change      Power, Neoliberalism, and the Reinvention of Politics Amy Allen,Eduardo Mendieta,2022-08-08 Wendy Brown is one of the most prolific and influential political theorists of her generation This collection of essays designed for the undergraduate classroom presents an introduction to and critical assessment of Brown s substantial body of work with a particular focus on her contributions to the tradition of critical theory Coeditors Amy Allen and Eduardo Mendieta provide an overview of Brown s work situating her scholarship in relation to some of the major thinkers and methodologies of the Frankfurt School Brown opens the discussion with a new essay expounding upon the meaning of freedom and the prospects for emancipation in our current political moment Subsequent chapters address different aspects of Brown s corpus including her early feminist

interpretation of the history of political theory her influential critiques of identity politics and progressive philosophies of history and her recent interrogation of the rise of neoliberalism and the resurgence of authoritarian politics The volume concludes with Brown's response to her critics where she clarifies and expands upon the implications of her core ideas In addition to Brown and the editors the contributors to this volume include Robin Celikates Loren Goldman Asad Haider Robyn Marasco and Johanna Oksala

**The Reinvention of Politics** Ulrich Beck, 2018-03-12 Those who advocate ideas about postmodernity and post industrialism offer radical critiques of existing social and political institutions But they provide very little in place of those institutions It is all very well to criticize the limitations of social democracy the welfare state trade unionism and social classes as agents of change but once these have been thrown into crisis what other institutions do we have to depend on The Reinvention of Politics suggests we should think again about forging a new model of politics for our times An active devolved civil society Beck argues can sustain the claim that modernity is inherently democratic For many issues now for example those involving technology environment protest the family or gender relations belong to the domain of what the author calls subpolitics The postmodern critique of modernity in Beck's view is based on mistaken generalizations about a transitional phase in the evolution of modern society What is needed he argues is the reinvention of politics corresponding to the new demands of a society which remains modern but which has progressed beyond the earlier form of industrial society This book will be essential reading for second year undergraduates and above in the fields of social and political theory sociology and political science
