THE CHURCH COMMUNITY IN CONTEMPORARY CULTURE

Kieran Beville, 2016-02-12 Once upon a time Postmodernism was a buzz word It pronounced Modernism dead or at least in the throes of death It was a wave that swept over Christendom promising to wash away sterile dogmatic and outmoded forms of church But whatever happened to postmodernism It was regarded as the start of a major historical transition to something new and promising and hailed as a major paradigm shift Is it a philosophy that has passed its sell by date No The radical fringe has become the dominant view and has been integrated into all aspects of life including the Christian church With the emergence of multicultural societies comes interaction with different belief systems and religions Values like tolerance and a dislike of dogmatism have become key operating concepts which reflect a change in worldview This change is affecting every area of life including the way we believe and what we believe The effects are far reaching Postmodernism presents new challenges and opportunities for Christians In this book Kieran Beville presents Postmodernism as a quest for significance meaning and belonging and outlines evangelistic strategies for reaching Postmodern people with the abiding good news of the gospel

Theology of Dallas Willard Gary Black,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith Emerging Churches Eddie Gibbs,Ryan K. Bolger,2005-12-01 The emerging church

movement is perhaps the most significant church trend of our day The emerging church offers and encourages a new way of doing and being the church While it largely resonates with an eighteen to thirty four year old audience the first fully postmodern generation it is also gaining popularity with older Christians and encompasses a broad array of traditional and contemporary churches Emerging Churches explores this movement and provides insight into its success Filled with the latest research and interesting anecdotal testimonies from those on the cutting edge of ministry this book provides pastors church leaders and interested readers with an insightful glimpse into the thriving churches of today and tomorrow New

World, New Church? Losing Our Religion? Kevin Ronald Ward,2013-10-22 Church going in most Western societies has declined significantly in the wake of the social and cultural changes that began in the 1960s Does this mean that people in these societies are losing any religious dimension in their lives or is it being expressed in other forms and places This study begins by looking at comparative data on how church going patterns have changed in five countries Britain the United States Canada Australia and New Zealand examining reasons for the decline how churches have responded to these changes and why some churches have shown greater resilience It then explores some of the particular challenges these changes pose for the future of churches in these societies and some of the responses that have been made drawing on both sociological and theological insights The conclusion is that despite the loss of belonging believing persists and religion continues to play a significant role in these societies mediated in a variety of diffuse cultural forms Cases illustrating these changes are largely drawn from New Zealand which as the country most recently settled by Europeans has always been secular and thus provides helpful insights

Nine Marks of a Healthy Church Mark Dever,2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20

times their own length That s like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don t use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog s mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn t always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn t want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5 17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ
