Six Jewish Spiritual Paths Rifat Sonsino,2013-01-03 The quest for spirituality is universal but with so many paths of spiritual nourishment to explore how do we begin to find the one that is right for us Our tradition provides us with appropriate vehicles to express our spirituality within the framework of Judaism Jewish sages taking into account the need and makeup of the individual Jew have been very generous in outlining for us various alternatives As you become aware of your emotional and intellectual needs and search for an appropriate path to meet them with integrity you will soon realize that you have a preference for certain paths among the many from Chapter 9 Rabbi Rifat Sonsino a self proclaimed rationalist offers a candid comprehensive discussion of the major paths to spirituality within the framework of Judaism and the differing way each path can help us on our quest to nourish the soul and enlighten the mind Acts of transcendence prayer meditation study ritual relationship and good deeds which is the best path for you How can you follow it Gonzo Judaism Niles Goldstein,2006-09-05 Gonzo journalist Hunter S Thompson transformed his field with an audacity that did not always

sit well with his publishers Gonzo Judaism embraces that same spirit challenging today's Jews to reclaim their rebel roots even if the consequences of their actions are disquieting to the leaders of a largely complacent Jewish establishment Rabbi Niles Elliot Goldstein explores how this revolutionary drive can reshape and revitalize contemporary Judaism a Judaism many find out of touch and irrelevant His fresh maverick approach urges us to take risks and think freely but also to look back into the past in order to move forward into our future Gonzo Judaism offers practical tools for creating a more accessible meaningful and celebratory Jewish life Learn why the current nostalgia and fear based Judaism has utterly failed to resonate with the modern Jew Discover how to gain inspiration both inside and outside the conventional synagogue setting Become a spiritual archaeologist and recover powerful practices that have been lost over the centuries This isn't your run of the mill Judaica book It is a bold no holds barred manifesto that meets us where we are a much needed and daring work that re-visions Jewish identity community holidays and ritual written with both the credibility of an insider toiling in the trenches and the piercing insight of an outsider observing from the margins Gonzo Judaism is required reading for anyone in search of an adventurous but authentic path toward spiritual growth and religious wisdom
