## **Rekindling The Spiritfire:**

Rekindle the Altar Fire Chuck D. Pierce,Alemu Beeftu,2020-12-01 Few believers experience God s altar a place of pure and wholehearted relationship and worship where our holy God can meet with us and the fire of his presence can fall But such an altar is necessary in our personal lives our marriages our churches and our nations so that we are strengthened empowered and equipped for every good work In this influential modern day call back to the altar Chuck D Pierce and Alemu Beeftu invite readers to find their way to rebuild the place of God s presence to allow the fire of God his presence and power to fall When we rekindle the altar fire our lives prayer and worship are transformed The time to rebuild altars for fresh fire is now Fire in the Carolinas R. Michael Thornton,2014 The author takes a look at two very influential Pentecostal Holiness revivalists from Sampson County North Carolina in the early 20th century Both rose in their churches founded new churches and then fell away from their churches but left a profound impact on the the role of Christianity in overcoming racial inequalities Nazarene Commentary Mark Heber Miller,2010-11-13 Nazarene Commentary is a complete reference to the 29 books of the Christian Bible These books have been presented in a new version called the 21st Century Version of the Christian Scriptures Abbr MHM This special study of the New Testament includes 400 000 words 13 000 footnotes and 1 700 pages This entire work was completed Sunday 31 December 2000 with the various editing though 2010 Rekindled Karen Wiesner,2025-05-31 Landon Robinson and Nickira Cassidy met and fell hard The only child of filthy rich parents she s an heiress with obligations to fulfill Her father had picked out the son of a close business associate for her when she was just a teenager and she was already engaged years in advance of the anticipated wedding of the century Landon convinced her to give it all up for him He d never fallen for any woman before but he lost his head completely over Nickira Her family disowned her when she got pregnant In the fallout a princess realized she wasn t cut out for squalor and a dirt poor playboy didn t have the skills to hold onto the heaven he never expected to capture Forty years later divorced neither of them feel any older or wiser Reconciling how badly they d messed up the one thing in their lives they both wish they d given themselves to unconditionally seems impossible Can dying embers rekindle What Happened to the Fire? J. Lee Grady,2019-07-10 Grady issues a ringing call to his own spiritual family and has identified key problems that must be addressed before revival can sweep the Church They include Pride in spiritual gifts hyper mysticism gullibility and lack of discernment shallow theology and flimsy biblical interpretation spiritual abuse and heavy handed leadership exaggerated claims of healings miracles and manifestations The fiery passion that was once ablaze within the movement is being smothered Can the flame be kindled again Rekindling the Torch David J. Azrieli,Joe King,Gil Troy,2008 Rekindling the Torch The Story of Canadian Zionism begins with the long and troubled history of the Jewish people that informed the nineteenth century idea of Zionism the search for a homeland After surviving anti Semitic laws and pogroms Jewish refugees faced not only the ultimate crime against humanity but also the shocking indifference of the West when they were turned back from safe havens Far from

weakening the spirit these combined tragedies strengthened their collective will In Canada Jewish immigrants created communities pooled their resources and rose to become captains of industry among them the Bronfmans the Batshaws and the Hayes They organized and actively pursued the goals of nationhood in Palestine Richly illustrated and extensively researched Rekindling the Torch celebrates the struggle of the Canadian Jewish people and their contributions to the state of Israel Excerpt from Rekindling the Torch from the Preface by David J Azrielli br The remarkable accomplishments of Canadian Zionism have left their marks across their length of the tiny land of Israel in the arts and sciences business and education on all seven university campuses in the forests lovingly planted in once barren hills Their extraordinary contributions to the Jewish State on an organizational and individual basis have inspired industrial development changed the way Isarelis shopped and even lived More than a decade ago when I served as president of the Canadian Zionist Organization I promised myself that this exceptional story would be told that the most outstanding figures in Canadian Zionist history be identified and their accomplishments described With the great assistance of the Joe King and Gil Troy herewith is that story In researching and writing this book we have delved into dusty archives and jogged the memories of many of the principals to ensure that the tale was truly well told I believe that with the publications of this book we have recorded the unique and important role played by Canadians as momentous partners in the historic reappearance on the world scene of a Jewish State after an absence of twenty centuries
